Re: Robert Burns. - Sp said him discussed his problem at length - was open & candid & humble. Al Hughes realizes that there is risk but feels that in the light of Burns year of treatment, his candid, his promise to return to Sp Hughes should there be any problem, Sp feels he can recommend placement.

E. P. mentioned discussion w Burns & feeling that he should not be placed where there is a school. Sp suggested a Chaplaincy of some kind, perhaps a place like Marian at St Pat Manor or a Convent Chaplaincy.

E. P. also mentioned H.S.M. reservations. Al says its OK to share ~~with~~ discussion w H.S.M.

E. P. has asked for a letter of rec from A. After that is rec'd G.P. will speak to H.S.M. & then proceed w placement if H.S.M. approves.
