His Eminence Bernard Cardinal Law, D.D.  
Roman Catholic Archbishop of Boston

Brighton, MA 02135

Your Eminence,

As you know I have been Acting Executive Director since July 1, 1986. From that time until this date various conduct and managerial issues of the previous administration have been clarified. These revelations have caused me to question the wisdom of my continuing in service at Pilgrim Center/Youth Resources, Inc. These issues have been brought to the attention of the appropriate authority.

At this time, after much thought and prayerful consideration, I have decided that it is best that I withdraw from active ministry at Pilgrim Center. I, therefore, submit my resignation to be effective on November 15, 1986. I will, however, continue in service for an appropriate period of time and in a capacity deemed helpful by yourself and the Board of Directors'.

Respectfully,

Rev. William J. Scanlan
