

29 April 1987

Jack,

At this time you will have received a copy of the Whittonville assessment.

While there are no surprises for me, you may wish to clarify certain areas. You have my permission to speak with Fr. Joe Hart at the Boston Office of Affirmation. Fr. Hart and I have been meeting for a couple of months. I too would be most willing to assist in a clarification of the assessment.

Sincerely,

Bill Scanlon
