Dear Deacon Hogan:

At the direction of His Eminence, Joseph Cardinal Bernardin, I am pleased to appoint you as deacon at St. Ann Parish, 3010 Ridge Road, Lansing.

May God give you many of His very best blessings in your diaconate assignment.

Sincerely yours in Christ,

Dear Mike:

Thank you for your letter of August 30, 1984, in which you seek permission to remain in the Reserves serving as a Chaplain in the Air Force.

In response to your request and in light of the needs of the military community, I am pleased to grant the requested permission so long as this does not interfere with your primary duties as Associate Pastor of Saint Barbara Church, Brookfield, Illinois.

It is my understanding that you have received the approval of Father Donald Hughes, your Pastor, concerning this commitment.

I shall write to Archbishop Ryan of the Military Ordinariate and convey that I have granted permission for this.

Mike, know that you have my support and prayers as you continue to share your many gifts with the people of God.

With cordial best wishes, I remain

RE: Rev. Michael Hogan ^{1/26}

1. 2/24/86: Rev. [REDACTED] pastor of St. Barbara, Brookfield (485-0589) informed me that [REDACTED] appeared at his rectory this morning to express his anger concerning Rev. Michael Hogan, associate pastor at St. Barbara's for improper activities with his sons [REDACTED]

3. 2/24/86: I contacted [REDACTED]. He stated that the boys had been very close to Fr. Hogan but lately their attitude has been "He does weird things. We don't want to go with him." Finally they told this story, which seems to focus on two incidents:

I asked [REDACTED] how the boys were doing, were there any signs of damage or distress as a result of these experiences. He said that they are healthy, well-adjusted boys and that there were no signs of damage. Now that the pressure is off and the story is out in the open they seem

very relieved and free. I stated that if there were signs of distress, they may desire some counseling and I would try to obtain some good names of counselors for him. He appreciated the offer but did not think it was necessary. I offered to meet with him and his wife and/or with the boys if it would be helpful. He appreciated the offer but declined. However he said he would like to meet with me himself and if possible with Fathers Hogan and Hughes. We arranged a meeting.

4. 2/25/86: Meeting with [REDACTED] Father [REDACTED] Fr. Hogan. [REDACTED] seemed to appreciate the opportunity to confront Fr. Hogan in a controlled situation. [REDACTED]

5. Subsequent follow-up on this case:

B. Investigated Mike Hogan's past record with these results:

1. Fr. [REDACTED] Rector, Seminary: Mike had a good record at Mundelein and superlative evaluations on his tour of duty as a chaplain intern at Wright-Patterson Air Force Base in Ohio. At Niles college on one occasion there was concern about his vocational commitment but that was worked out in a satisfactory manner the following year. (cf. file)

2. Fr. [REDACTED] pastor at the time of Mike's Deacon Internship in Lansing, Illinois: Mike Hogan performed very well, was especially good in youth work which was a high priority with the parishioners. Very idealistic. Fr. [REDACTED] knows the [REDACTED] family and never had any reason to be concerned about that relationship.

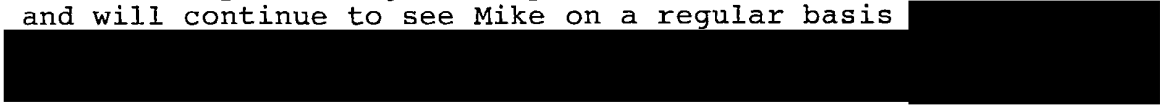

3. Fr. [REDACTED] current pastor in Lansing: I hear only good things about Mike's work during his time as a Deacon here. I have heard no rumors or negative comments about him.

4. Fr. [REDACTED] pastor, St. Barbara, Brookfield: Mike is a good priest, needs to mature more, at times he needs more prudence in his judgements, needs to improve his follow up on projects, needs to develop more skill with adult ministry. He does not have a drinking problem, but it seems that one drink can diminish his good judgement. I think he wants to prove that priests are human and down to earth people. He is generous, idealistic and hard-working. I will work with him, support him, challenge him and supervise his activities here [REDACTED]

E. Mike was informed of the prohibitions on his work with youth.

F. Supervision: His pastor, Fr. [REDACTED] is Mike's daily supervisor. They have regular supervisory contact. I have seen and will continue to see Mike on a regular basis [REDACTED]

Victim Statement Abstract

This abstract accompanies a redacted memorandum from Rev. Thomas Ventura, Vicar for Priests, to file. The memorandum summarizes a phone call between Ventura and the father of Victim JB and JC concerning Victim JB and JC's allegations of sexual misconduct. According to the father, both of his children were abused by Hogan during the summer of 1985. The alleged abuse occurred while Hogan was assigned to St. Barbara Parish, and at least one incident of abuse occurred at St. Barbara.

Dear Tom:

Enclosed please find materials from Mike Hogan's file. They include a letter of recommendation from Niles, and the Rector's cumulative student record as well as reports from the Department of the Air Force. There are no written reports in his file from Mundelein. This would mean that no one raised any concern during his four years here. The only concern on the Niles report seems to be from Dick Mueller regarding Mike's vocational stability. He indicated a concern whether priesthood is for Mike. The comments from the Air Force seem to be superlative.

If you have any other questions please let me know.

Dear Rev. Kealy,

I am the Unit Staff Chaplain at the 126th CSS at O'Hare attached to the Air National Guard.

Chaplain Michael Hogan, who is presently a Chaplain with the Reserves, is transferring to our Unit and needs a copy of his Ecclesiastical Endorsement sent to DPMQE, Illinois Air National Guard, 126th CSS, P.O. Box 66486, O'Hare ARFF, Chicago, IL 60666-0486.

The need for a copy of his endorsement comes because it is required for commissioning in the Air National Guard and his present endorsement is held in Denver until after he is commissioned. He is scheduled to be on board by the end of September.

We would appreciate a copy being sent as soon as possible so we have the time necessary to do all the paper work by that time.

Thank you very much for your assistance.

I am not sure what sort of information they need for ecclesiastical endorsement. I assume that it can be very general, simply stating that he is a priest in good standing and has permission to serve as a Chaplain with the Reserves.

Are there any other considerations that I should take into account. Please advise.

RE: Attached Letter/Military Reserve Permission

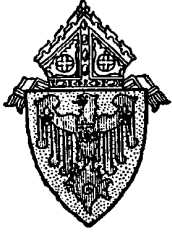

Bob:

You sent me a letter you received from the Illinois National Guard requesting an endorsement for Father Michael Hogan as he transfers to duty with the above.

As you said in your memo, he will need a statement indicating he is a priest in good standing. Perhaps a statement that the Cardinal would have no objection whatsoever to his transfer to these duties.

In instances like this, it is always helpful to speak with the priest. It affords the opportunity to see that there is no conflict at the parish with this involvement and also to see if he has his pastor's support.

For new requests, it is also important to speak personally with the pastor to see if this has his approval. It might be too late once he gets a copy of the letter!

1. As part of H. [REDACTED] supervision he was mandated to avoid any and all trips with young people. He agreed and observed that mandate. However, he asked for one exception. He had promised a trip to the World's Fair in Vancouver, B.C., to [REDACTED] a boy [REDACTED]. He felt that to fail to keep his promise to the boy would result in serious emotional, and possibly concomitant physical harm, to this [REDACTED] boy.
2. After much discussion I agreed that H. could take the boy but only on condition that the boy's mother, a divorcee, [REDACTED] a) know the full background of H. case b) give her permission and c) accompany H. and the boy on the trip. These conditions were fulfilled. In fact, the mother, her daughter and her son accompanied H. on the journey.
3. I spoke to [REDACTED] after the trip was completed and she said that the above conditions had been fulfilled and that H. conduct was exemplary. She added that her son [REDACTED] would have been "disappointed and devastated" had the trip been cancelled.

Dear Father [REDACTED],

I am writing about a young priest of our Archdiocese, Rev. Michael Hogan, Social Security Number [REDACTED]. Father Hogan was commissioned in March 1981 as a second lieutenant in the Chaplain Candidacy Program. After ordination, in 1984, he was recommissioned as a first lieutenant in December 1985. He served at Chanute AFB as a reserves category B chaplain and has recently at the request of O'Hare been given a conditional release by the Air Reserve Personnel Center to become a category A chaplain for the O'Hare Field Air National Guard.

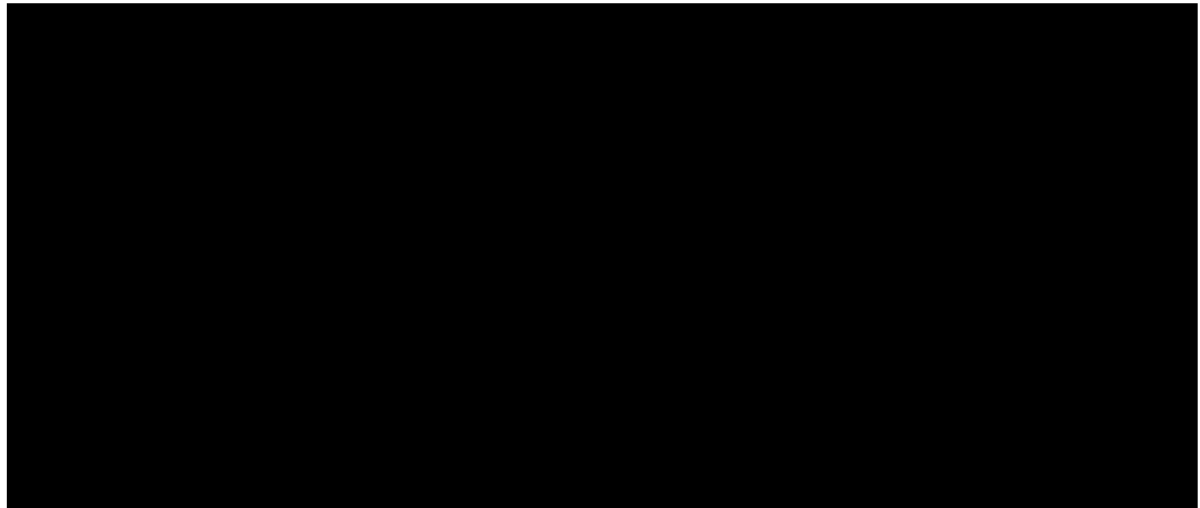

As a routine part of this transfer, the Archdiocese received a letter from Captain [REDACTED] the Unit Staff Chaplain at O'Hare requesting a copy of Fr. Hogan's Ecclesiastical Endorsement.

However, there is a complicating factor. I contacted one of our priests, Fr. Jeremiah Rodell, who is himself a former chaplain, for advice as to the proper procedure. (I did not mention Fr. Hogan by name, however.) He recommended that I contact you.

The situation is this:

In February, 1986, Mr. [REDACTED] of [REDACTED], Illinois accused Father Hogan of improper activities with his [REDACTED] sons [REDACTED]

[REDACTED]

I hope that this provides you with adequate information. If I can be of further help, please let me know. I would appreciate your guidance in this matter.

Dear Father Ventura,

Thank you for your letter of 24 October 1986, regarding the status of Rev. Michael Hogan. You were most open and direct and I appreciate that particularly when you mentioned "a complicating factor".

Having re-read your letter and [REDACTED] many times, I feel right now it is not in the best interest of all concerned that Father Hogan be in the Reserves. I must then recommend to you either of the first two options you mentioned, his resignation or your withdrawal of his endorsement.

[REDACTED]

I hope that I have been as upfront as you want and yet in no way suggest less than pastoral support of Father Hogan. I will be more than willing and available to discuss this with you further, Father Ventura. I shall await your decision on which you decide is the better of the two options you pursue.

Dear Father [REDACTED]

Thank you for your prompt response to Father Tom Ventura's letter regarding my status in the Reserves. The Air Force has been a wonderful opportunity for me during these past years and while I regret that my status must change I do understand the reasons that you expressed in your letter to Father Ventura and I do appreciate your statement of support.

After discussing the options with Father Ventura and discreetly questioning some of the Air Force chaplains I work with, I have decided to write you and ask about the possibility of requesting a change to the Inactive Status List for Reserves.

Your letter of response stated that "until such time as you feel he is completely well and returned to full pastoral ministry, the Reserves cannot be a viable alternative." Given God's blessings that one day I will be completely well, I would like to keep as many options as possible available to me.

Please let me know if this option is acceptable to you.

Father Ventura knows of this request. I will accept whatever you feel is best.

Thank you very much for your consideration.

Dear Members of the Board,

I am writing you to request a one-year extension of my assignment to St. Barbara Parish. Several reasons, one major, prompt me to make this request.

My Pastor, Don Hughes, is suffering from a malignant tumor [REDACTED]

[REDACTED]

Having consulted with Don and our Pastoral Staff it is our feeling that a change in staff at this time could be difficult for the parish. The interview process would be very difficult for both Don and myself.

At this point in time, we are beginning a major fund drive that will hopefully culminate in the reduction of our parish debt. This program will begin at the end of this month. We feel confident that together our staff can continue to hold the trust of the parish community during this difficult time.

Finally, I have been engaged in a process [REDACTED] that is helping me to discern a course of action in my ministry. [REDACTED]

It would be my hope to conclude this work before any change of assignment. My feelings for priesthood are very strong and after much prayer and discussion I believe I can best be of service to God's people by remaining in my current assignment for this extra period of time.

Thank you for your consideration. May God be with you in your work, especially in this time of decision and change.

Sincerely yours,

Rev. Michael J. Hogan

Dear Ray and Members of the Board:

Mike Hogan, Associate Pastor of St. Barbara Parish, is seeking an extension and I am fully in agreement with his request. The reasons why I am asking that you give Mike an extension are both personal and pastoral.

Since November 6 I have been receiving radiation treatments five days a week through December 29. It will be months now before a good evaluation can be made of their success. During these past months of treatment, Mike has been exceptionally helpful and productive in parish work and in personal concern and care. While I am carrying out my own duties fully, these days and months will be uncertain in the progress or remission of the sickness. Changing Mike at this time would be very difficult for me. The change process, involving the active seeking of interviews, would be difficult for me and him.

We are beginning a new debt reduction drive at the end of this month and, because this drive will be one more major endeavor in addition to the very busy work of the parish, especially in the fields of liturgy and pastoral care, Mike's involvement at this time is much needed. Mike's present involvement in many aspects of parish life, as well as community and cluster duties, is currently heavy. We really do need him now.

I might add that Fr. Russell Romano resides here but is employed full time at Palos Community Hospital. While Russ had been permitted to live here, he considers himself to be only a boarder, and has practically no connection with parish life. Indeed, he celebrates an average of only five or six Masses a month here, including weekends.

I strongly support Mike's request for an extension and add to his my own personal request that he be permitted to stay.

Sincerely,

Rev. Donald J. Hughes, Pastor

Dear Members of the Board,

I am writing you as an applicant for the position of Pastor of St. Barbara Parish in Brookfield. In order to explain my reasons I would like to include some recent history of the parish and myself.

One year ago now, St. Barbara was staffed by four priests. Two, Don Hughes and myself, were full time. The other two included Russ Romano who resided here, and Robert Hutmacher, ofm, who commuted from Oak Brook. Bob was a member of the Pastoral Staff, was here every weekend and frequently weekdays, ran the RCIA Program and participated in liturgy planning as well as many other things. He was very involved here.

Bob left to pursue other career interests last August. Don went home to God October 30. Russ took a leave of absence in February of this year.

The above changes have left the parishoners very concerned about the future. Stability and consistency are strongly needed at this time. All of this comes not only in the wake of the closing of parishes many of our people call their original homes, but also at the beginning of the second year of a major debt-reduction program here at St. Barbara. Over \$600,000 of original debt remains on the Parish Center construction, but an additional 150,000 will be needed to correct life-safety issues on the school, church and center. I feel that this debt can be repaid within the next five to six years, and that I can lead the parish well during that time. People have expressed confidence and trust in me. For over a year, since the time of Don's illness, parishoners have turned to me for leadership. Don encouraged and approved of that, which made for a very smooth leadership transition. I propose for your consideration that that leadership continue for the next six years.

People are still grieving the loss of Don Hughes and I am not the clone that some people would like. Don and I were not exact replicas of each other but we were very close. People knew that we would back each other and that we worked very closely together. However there were things Don was very good at that I am not and vice-versa. I delegate more than Don did. Part of this is the nature of being alone, but I feel that style will continue. One thing we shared was support of staff and vollunteers. We also shared alot of contact both with staff and people. I have learned from Don just how important that aspect of parish life can be.

One concern people have expressed is that the liturgy program here continue and grow. Under my leadership this would happen. St. Barbara Parish is very proud of their reputation for music and liturgy and it has become a central focus for parish life. I want that to continue.

Some things that need to be addressed:

Evangelization: There has been no census for many years. New parishoners are not welcomed as they should be. I believe a program to welcome people and encourage registration is necessary at this time.

New Ideas: Because of the relative success of our programs here, we have relied on old and proven methods. In some cases this is good, but we need an infusion of creativity and a willingness to re-evaluate. More frequent staff days and in-services should help in this area.

School: Like so many Catholic schools, ours is in need of constant PR work to overcome some excellent public schools in the area. Within the next few years openness to new ideas will be essential.

Maintenance and debt-reduction: I know these problems and can deal with them. I have been in close contact with Greg Veith of Facilities and Construction and Taffie Neville our VAC. Our relationship is good and will benefit the parish.

In addition to parish involvement, I have been very involved in the affairs of the Village of Brookfield as chaplain to the Fire Department. I am frequently called by the Police to consult on homeless persons in the area or people who need short-term counselling. My involvement with the village has been great PR for the parish and can continue to be.

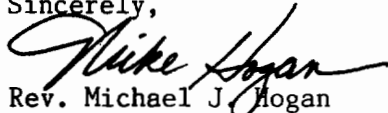

To sum up, the parish needs stability at this time. I love the people and with God's help I can supply that stability.

While I realize that my youth and lack of varied assignments work against me

I feel that my knowledge of St. Barbara and Brookfield and the love and concern that people have shown for me will enable me to do the best job possible. I thank you for your consideration and for all the work the board is doing at this time of year.

I would also like to request an interview so that I may meet all the members of the board and answer any concerns or questions you may have. Please contact me at your convenience.

Sincerely,

Rev. Michael J. Hogan

ARCHDIOCESE OF CHICAGO

APPLICATION FOR THE POSITION OF PASTOR

CONFIDENTIAL

Please fill out and return to the Clergy Personnel Board. Once your application is on file, all that is necessary for future applications is a letter expressing your interest in a parish as well as a statement on why you would like to serve in that particular parish.

- 1. List strong qualities that you possess that will enable you to serve in the capacity of pastor.

I have a very strong faith in God and in people which has carried me through some difficult times. The Lord has always given me strength when I needed it. I am, by the judgement of others, a good presider at liturgy. I am accessible and approachable. I have the ability to get along with many diverse types of people. Crisis management and conflict management are strengths which I have exhibited on numerous occasions. Staff tell me I am good at shared responsibility and delegation.

I have a calming effect in the midst of sadness and difficulty.

Left active ministry 7/1/93

- 1A. Rank your ability to employ the following leadership styles:

5 - most comfortable 4 - comfortable 3 - OK
 2 - uncomfortable 1 - unable to use

- Open Minded 5
- Administrator 4
- Unifier 5
- Strong Leader 4
- Supportive Leader 4

2. What experiences in the past have you had that prepared you for the position of pastor?

I had very good seminary training that exposed me to many diverse experiences and thoughts. From academics to field education, the seminary system in Chicago is excellent.

Eccumenism was learned not only in CPE, but also as an Air Force reserve chaplain. I am no longer in the reserves but the time I spent there was very valuable for me.

Through my time at St. Barbara in Brookfield, I have been exposed to liturgy and music people from all over the country. Organization and creativity have been essential "Learned" abilities.

I have been Administrator officially for six months and unofficially for all of a year.

Perhaps the most important experience has been that of working with an exceptional pastor who taught me many things - Don Hughes.

3. In essay form, please describe your own vision of a parish.

I grew up in a neighborhood that was going through racial change. With this came a tremendous amount of tension and fear. What I saw in my parish church was a place of security and stability even in the midst of change. This image has always stuck with me. The sheer physical appearance of the parish church should bring feelings of happiness and comfort to people. They should feel ownership and acceptance. The physical plant is not the only thing that should inspire these feelings, but also the people themselves as they grow into community.

In a family all members must share in the work and in the joys. They must find creative ways to stay together both in good and bad times. They must be supportive of each other and learn to overlook some differences. They must challenge one another to grow. Parish family is not all that much different. A parish should enable people to serve, pray, and share. It should enable people to celebrate good times and cry without fear of embarrassment in bad times. It should point out the good in each person and challenge everyone to become better.

Parish should make its members aware of not only its own needs but the condition of the larger Church and the place of each Catholic Christian within that Church.

In time of change within the Church or outside of it, the parish must become a learning center that promotes understanding and eases the burden of change.

Parish must be community no matter what its size. And I believe that is possible and realistic.

4. Please explain the experiences you have had in the past and the expectations you have regarding the following:

a) Relationship to other priests serving in the parish:

Communication is extremely important to me. In my family life communication was often lacking and that has taught me to always work out differences with those whom I work with or live with. I have experienced illness in the case of Don Hughes. I have also experienced support and example from tremendously talented priests, especially Don, who were always willing to share and teach. I have seen conflict and tension as well.

My expectation would be that those whom I work with will share both in work and in fun, and that we could always be honest with one another.

b) Permanent Deacons:

I have always had great experiences with Deacons both at St. Barbara and St. Ann where I was a deacon. As a priest I find them invaluable. They not only share the work load but bring a whole new perspective to ordained ministry that comes from the married lives and lay occupations.

I would want deacons to do what they are capable of and comfortable doing. They should have opportunities to exercise their ministry and grow in knowledge and expertise. They should have a lot of encouragement when trying new things. Apprehensions should be respected.

c) Women Religious:

Women religious have always played an important role in my life. My only living aunt is a Dominican Sister. Mercy Sisters taught me throughout grammar school. I have great respect for those I've worked with and I have come to know their fears and anxieties about the future. I want to enable the sisters on staff to do their ministry with support and reassurance. I also wish to continue learning from the work they do. My expectation and hope is that we can continue to work in an atmosphere of mutual respect.

d) Lay ministers: Staff and Volunteers

These are the future of the church in more ways than one. Not only are they filling in many ministries previously done only by clergy, but more importantly are creating new ministries and new ways of doing things. The lay people I have worked with have for the most part been people deeply in love with their parish. I would expect the relationship of lay volunteers and staff with priests to continue to grow and develop. Parishes will survive because of their dedication - with or without priests and sisters.

e) Consultative bodies (parish council, parish religious education board, school board, financial council, etc.):

I have been actively involved with the Parish Council Planning Committee, School Board, Finance Committee and some other temporary boards. In the past year my involvement has intensified as I have gradually taken on the role of administrator. Previous experiences are generally good. My ability to be a "unifier" has helped me to be an active participant. I would hope that these boards will emerge as the kind of permanent parish leadership that is needed.

f) Vicariate structure, Deanery involvement, cluster meetings.

On the Southeast side the cluster I was in included all pastoral associates. My current one includes only priests and deacons. I can see value in both models. Cluster is an excellent means of communication and also a big value to me as a means of getting together with other priests to share and socialize as well as learn. I was Cluster Chairperson for two terms. I brought in many speakers from various groups and began a once-yearly meeting to include pastoral associates who now have their own group as well. I am entering my second year now on the Presbyteral Senate. I attend all deanery and vicariate meetings.

5. What limitations do you feel as you apply for this office, or in other words, what fears do you have about the pastorate?

Obviously I am still young to be a Pastor. I worry some about acceptance. The work load at times intimidates me, but then being the only priest in a parish of 2200 families as I am now, is somewhat unique. One fear is that in the future it may not be so unique.

I also worry about being a good example at all times. As an associate pastor a priest is not usually as prominent as the pastor. I want to be a good example and role model.

6. How do you see the issue of Social Justice in your ministry?

I have some past experience with the Campaign for Human Development as a member of the appropriations committee for two years. I started the Peace and Justice Committee at St. Mary of the Lake when I was a seminarian.

I believe one duty of priesthood is to be informed on matters of social justice. Its very easy to close one's eyes to cases of unjust discrimination and the plight of the homeless and other issues. If a priest is going to inform people and challenge them, he must be informed.

A priest must walk a fine line. He must challenge but not accuse. Our task is not so much to make people feel bad but rather make them feel like taking action, to encourage them to be peacemakers.

C. He may need broader experiences.

D. Perhaps that he has only had experience at St. Barbara. However, in the time of Fr. Hughes' illness, he was capable of exercising needed leadership without intruding on the position of the pastor, respecting the role of the pastor and supporting him completely.

E. Right now, just age and the fact he has been in only one parish.

F. My only concern would be his age. He is a bit young, but then that's what we're used to in this Archdiocese. In some parts of the country guys are pastors by age 30.

9. OTHER COMMENTS:

A. ---

B.

C. Michael came to us a young, inexperienced priest. He has grown considerably in relationships, prayer and maturity. His weak area will be financial administration.

D. Fr. Hogan knows the parish and the people. He does an excellent job, perhaps over-dedicated, and does not think of himself. He does not hesitate to do whatever is needed when it is needed. He has a leadership style which the people relate to in a positive manner. He respects the confidence of others, and has functioned well in adverse situations.

E.

F. I believe that Don Hughes would recommend him, and that's reason enough. He really ran the place while being family to Don throughout the difficult final year.

RE: Michael Hogan

1. The Cardinal, Andy McDonagh and I met with Mike Hogan to review his situation and explain what needed to be done. The Cardinal talked about the history of the accusation, [REDACTED], the supervision.

2. [REDACTED] The recommendation that he leave the parish -- our reading of that recommendation was that it would take place during the regular changes in June. In the meantime, [REDACTED], there would be continued supervision from Maurie Kissane and others in the parish. There would be a mandate to abstain from being in the presence of minors without another adult being present. There would be a mandate to refrain from alcohol because it seemed as if Mike drank at the time these incidents occurred and that lowered his resistance to this kind of behavior.

3. The Cardinal brought forward too the fact that when Maurie Kissane moved in, [REDACTED] a young man of over 18 years old was living in the rectory. At the time Michael had no supervision of himself. Mike agreed that it was not the most prudent thing to do but he assured us that nothing had happened.

4. Andy McDonagh invited him to the Wednesday afternoon Life Support group from 1 - 2:15 P.M. Mike indicated that two families in the parish know about his problem. When asked about how he felt about this session, and could he live with what we were saying, he said that he could live with all the restrictions. The one person he would have a problem with would be Maurie Kissane himself.

5. [REDACTED]

6. He said that Bishop [REDACTED] had some sense of [REDACTED]. This needs to be checked out.

7. [REDACTED]

8. Finally, Michael said that he has -- A. had no sexual behavior with adolescents -- B. [REDACTED] -- C. He told us of his motivation for having become a priest. His family is dysfunctional. He

is the only child. His folks went 2½ years without talking to each other. For Michael, the seminary was an escape from family life. He's always had doubts about celibacy but he's scared to death of family life based on what he experienced himself.

9. In the future he would see himself taking a leave of absence, perhaps after the 1st of the year. He said he needed to step back and look at things. Don Hughes' sickness had made him hang in during these last few years. He needs to answer the question -- is the priestly, celibate life what he chooses to live?

10. The Cardinal asked him to not go ahead and seek a leave of absence at this time, but let us resolve this first. Michael would hang in until June when the Board would be told not to consider him for a move now. Tentatively, Michael agreed to cooperate in this area with the Cardinal.

Dear Mike,

I've been trying to get in touch with you for the last week or so and you have been trying to get in touch with me, so I thought I'd write to bring things up to date. I just want to be sure that you understand our situation for the coming six months.

According to the presentation that the Cardinal made to you and according to the presentation that was made to the leadership group at St. Barbara's, I am asking you to observe the following mandate:

1. That you should not be in the presence of minors, under 18, without another adult being present.

3. That you are under the supervision of your pastor, Maurice Kissane.

4. That you refrain from alcoholic beverages during this time

I'm asking you to observe these mandates for your own protection as well as for the protection of those around you. The Cardinal has requested that I send you this letter and ask you to sign it in return. Please do so in the spot allotted.

I hope that the next few months won't be too difficult for you and that your decisions for the future in ministry and the priesthood will be arrived at through the help of the grace of God. I will

certainly keep you in my prayers and I ask you to do the same for me. Please keep in contact and if there is anything that I can do I will be happy to help in whatever way possible.

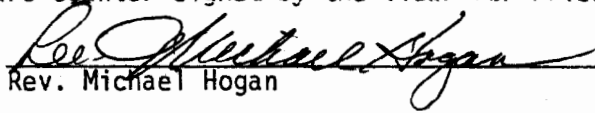

Fraternally yours,

Rev. Patrick O'Malley
Vicar for Priests

I have read the above mandate and I agree to abide by its conditions and I do so acknowledge that by signing my name below and by having this signature counter-signed by the Vicar for Priests.

Dear Mike,

In late December of 1991 I sent a letter of which a copy is enclosed in this letter. I asked you to read it and to sign it as an indication of your willingness to observe the conditions for your remaining at St. Barbara's until June. As far as I know, I have received no return on this letter. I would ask you therefore to sign this letter with your name and the date and I will counter-sign it.

Once again, please read it over so that you understand what the conditions are. If you have any question about them, please let me know.

Dear Mike,

I was talking to the Personnel Board the other day and they were asking about your future plans. I told them that you were a client of mine and that you would not be engaging in the normal process of change for this coming June. I informed them that you would be leaving there but that you would not be available for a further appointment. Is that still your understanding?

At any rate, they asked me to get in touch with you and they would like you to inform them of your plans insomuch as you can at this time. They need to know your availability for the future.

Please give them a call. In the meantime, I hope everything is going along O.K. and if there have been any changes, I'd appreciate your letting me know. Thanks very much, Mike.

Michael Hogan of the class of '84, has been stationed at St. Barbara's parish in Brookfield since ordination. Michael is one of my clients and his case was reviewed by the Commission back in November. We met with leaders of the parish and informed them of his situation and we asked them to allow him to stay in the parish until June at which time he would be leaving. The leaders supported that request whole-heartedly.

I asked him to give Ken Velo a call and to set up a meeting with you. If you want more information before that meeting, please let me know. Again, I recommend the six-month leave of absence for Michael Hogan.

Mike Hogan came to see you on April 30 and you agreed at that time that he could take a six month leave of absence, at which time he will be thinking about his own future in the priesthood. I spoke to Mike today and he is having his final go-away party on Sunday, June 14, from the people of St. Barbara's in Brookfield. Officially that is his last day in the parish. I will be working with him to set up arrangements for this leave of absence. However, you should send him an official letter in your usual way. I suggest the letter might be worded as follows:

Dear Mike,

When we met on April 30 I agreed at the time that you should take a six month leave of absence. I therefore authorize you to take that leave of absence from July 1, 1992 until January 1, 1993. I ask you to be in contact with Fr. O'Malley, the Vicar for Priests, during that time.

It is my understanding that during that time you would not function as a priest nor wear your clerical garb. We will provide you with a salary and with the benefits of the insurance, both medical and auto.

It is my sincere hope that during these next six months you will be able to examine your own understanding of priesthood and come to some decisions about your future. If you decide towards the end of that period that you do wish to return to the active ministry, I would ask you to be in contact with Fr. O'Malley to make whatever arrangements would be necessary.

Mike, I want to thank you for your years of service as a

Re: Fr. Michael Hogan

Fr. Michael Hogan has been on a six-month leave of absence since last June. He was involved with some misconduct and had been an associate at St. Barbara's parish in Brookfield. Mike came in to see me on January 4 and we discussed the following scenarios:

1. Mike is not ready to call it quits in the priesthood at this particular moment.
2. I explained to him what the limitations would be if he decided to come back, namely, no parish work and some supervised living situation.
3. Mike would like to have until July 4, 1993 to make his decision about whether to resign from priesthood. During that time he will be talking [REDACTED] as well as his other advisors.
4. He is not prepared to make any other vocational step at this time, especially marriage. He knows that there have been rumors around about him at St. Barbara's, but there is no truth to them.
5. I will continue to keep him on health insurance until March 1 and car insurance until July 4.
6. He will come to see me some time in June to give his response to this time limit for resignation.

7. [REDACTED]

Our meeting went well and Mike was very grateful to you and to the Archdiocese for the help that it is willing to extend at this time. He is working at GIA Publications. Presently he is living at [REDACTED] with his parents. His phone number there is [REDACTED]

Dear Mike,

How are you these days? It's been a while since we talked, about six months to be specific. At that time you mentioned that you would like to have until July 4 to make your decision about what you want to do with regard to priesthood. We agreed with that time frame. We kept you on health insurance as per our promise until March 4 and your car insurance will last until July 4.

We also agreed to get together some time in June to see where you're at and to flesh out whatever arrangements have to be made. Could you please give me a ring and we can do that at your earliest convenience? Take care and enjoy these so-called summer months.

Dear Cardinal,

After careful consideration and much prayer and discussion, I have decided to resign from priestly ministry. During this past year, while on leave, I have had to do a substantial amount of discernment concerning priesthood. The task was made more difficult by my love for the work I had done at St. Barbara parish. I leave feeling an immense amount of gratitude to the Lord for the years I was able to serve as a priest and the people I met through that ministry.

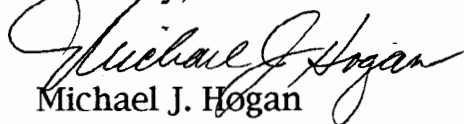

It is my intention to use the experience gained over my years in priesthood to continue serving the church in whatever ways God leads me, and to apply for laicization.

I have spoken with Fr. Pat O'Malley a couple of times during my leave of absence, most recently this past Tuesday. He knows of my intentions and concurs that I am making a decision based on much work. He has been extremely helpful to me during this time.

If you have time, I would like to meet with you to answer any questions you may have, and to personally express my gratitude to you for your prayers and other help throughout my ministry. I will call Ken Velo soon to see what appointment might be available.

Dear Mike:

I have received your letter of June 24, 1993 and hereby accept your resignation from the active ministry, effective July 1, 1993.

Mike, I understand some of the issues you raised in your letter and know that this decision has been painful and difficult for you. It is my hope that you will find peace in the months and years ahead.

As a resigned priest, it may be to your advantage to seek dispensation from the obligations of priesthood through laicization. If you would like to speak with Father Dave Hynous regarding this matter, I am sure you will find him most helpful. He can be reached at 312-751-8211.

Thank you for all you have done through your efforts in the parishes where you have been assigned. No doubt, many were helped through your ministry to them.

Be assured of my encouragement and prayers.

With cordial good wishes, I remain

Sincerely yours in Christ,

Pat,

Attached is the most recent correspondence I have in my file regarding Michael Hogan.

Do we have anything more definitive about his resignation from active ministry as a priest?

Thank you for your attention to this matter.

MANDATE

I, Joseph Cardinal Bernardin, Archbishop of Chicago, hereby appoint the Reverend Robert J. Geisinger, S.J., Associate Chancellor of this Archdiocese, to instruct the petition of MICHAEL J. HOGAN for a dispensation from all obligations arising from Sacred Orders, including that of celibacy, so that he might be returned to the lay state. The Petitioner was incardinated into the Archdiocese of Chicago, and currently has domicile in same.

I also appoint the Reverend Emmett J. Gavin, O.Carm., Vice-Chancellor of this Archdiocese, to serve as Notary in this case.

The instruction of this case is to be carried out in accordance with the 14 October 1980 Procedural Norms (Prot. N. 128/61) issued by the Congregation for the Doctrine of the Faith.

Mr. Michael J. Hogan

Dear Mike:

Thank you for your telephone call today regarding the laicization process. As an initial step, I am enclosing the petitioner questionnaire to which you will have to respond. Please look over the questions and then they can be discussed in more depth when you get together with me or Father Geisinger at some future date to discuss your case.

As I pointed out to you on the phone today, a particularly important question is number 33 which concerns witnesses. Witnesses are extremely important to the substance of the case and so I urge you to give careful thought to the people who would be in the best position to assist in this process. While four or five witnesses would probably be the minimum, there is no real limit or maximum number of witnesses except, obviously, a rule of reason. Therefore, if you believe you have several people that would be in a position to provide meaningful testimony do not hesitate to contact them and see if they are willing to participate.

Father Geisinger and I will review our commitments and determine who is in the best position to take on your case. You will be hearing from one of us in the very near future. In the meantime, however, do not hesitate to contact me if you have other questions about the process or if you have concerns once you have reviewed the enclosed questionnaire.

I assure you that we will do all we can to move your case along as expeditiously as possible. There is no one time line in these cases; progress with the case depends very much on the cooperation of the petitioner and his witnesses. Then, once the case is submitted to the Holy See, the time for processing the case there can take anywhere from three or four months up to about a year. It is very difficult to predict how long the whole process will take.

Wishing you all the best, I am

Sincerely yours in Christ,

Reverend Emmett J. Gavin, O. Carm.
Vice-Chancellor

Mr. Michael J. Hogan

Dear Mike,

Greetings. Allow me to introduce myself. Along with Fr. Emmett Gavin, O.Carm., I work on the preparation of laicization petitions which are introduced locally. Emmett recently informed me of his prior contact with you, and shared with me his letter to you dated September 3 of this year. As Emmett mentioned to you, he and I divide up the laicization caseload. In doing so, our goal is to give each petitioner the care and prompt attention he deserves. The guidance of your petition has fallen to me, and I am grateful for this opportunity to be of assistance to you. Even though Emmett may have had that initial conversation with you, from now on I will be your contact, unless you have some objection to this.

I am writing not only to introduce myself. With this letter, I would like to encourage you. I can understand if you may have been intimidated by the packet that Emmett sent you to begin the process -- the questions which direct the composition of your testimony can be off-putting, I realize. There's really no way around what perhaps is the most daunting feature of putting together your testimony: the questions poke at delicate areas of your life, and you need to commit in writing thoughts which ultimately will be perused by several people who are strangers to you.

You might find it easier to think of just getting something on paper; treat it as a draft, and in these days of word processing it later can be amended and amplified as necessary in no time at all. Also, please know that I will take great care to maintain the confidentiality of all materials pertinent to this case. Barring some complicating factor, at least on this side of the ocean the file would necessarily be reviewed only by two or three persons other than myself. While the purpose of this letter is not to put any pressure on you as regards completing your testimony, I want you to know that I am here to help, if you wish. If you are having trouble with your testimony, let me know. If a meeting between us would be of any assistance, I am available. We could meet at a mutually convenient time and place. I keep office hours weekdays down here at the chancery; we could meet here. Also, I live at St. Ignatius Parish near Loyola University in Rogers Park, where I could make myself available on a weeknight or weekend.

AOC 015114

Also, I would like to lessen any discomfort that you may have about the thought of witness testimony. Experience shows that witnesses often gladly offer affidavits in which they willingly offer thoughtful insights of great help in the preparation of the petition. You need only come up with the names and get informally from the witnesses their oral agreement that they are open to participating. I will take it from there.

Let me add a word of encouragement. The outcome of the dispensation request, of course, is *never a sure thing*, as you know, but please be aware that the archdiocese stands ready to help you in giving it a good shot. The Archdiocese of Chicago has had an unusually high proportion of its dispensation petitions approved by Rome.

However -- and this is paramount -- the laicization petition is yours, not mine. I formally prepare it, but its pacing and in many ways its contents depend on you, moving at a speed with which you are comfortable

At its best, this process can make for a liberating review of a vocational journey, culminating in a clarification of one's status in the Church and a dispensation from priestly obligations, including that of celibacy; often a man who seeks and receives such a dispensation finds great peace for himself and the families involved by regularizing his marital status. **At its worst**, and in spite of the contrary truth of the matter, this process can seem like an exercise in paper-creation and bureaucratic wheel-spinning, all for a most uncertain end. I assure you that I want to help increase the likelihood of the former, and reduce the chance that you experience the latter.

By the way, since it may cross your mind, you should know that your petition will not be impeded in any way should Cardinal Bernardin die before it is ready to be sent to Rome; the diocesan administrator serving on an interim basis would be able to present your petition.

I can be reached on Mondays, Thursdays, and Fridays at (312) 751-8237, and on Tuesdays and Wednesdays at (312) 751-8382. That first number has confidential voice mail. Again, I am available to help, Mike, if I can.

Sincerely in Christ,

(Rev.) Robert Geisinger, S.J.
Associate Chancellor

Re: Hogan, Rev. Michael (Resigned), [REDACTED]
Date: February 22, 2006

PZ

[REDACTED] contacted PRAA the week of February 13, 2006 regarding an allegation of sexual abuse against Fr. Michael Hogan.

[REDACTED]

[REDACTED] PRAA explained she would work on finding out Fr. Hogan's status and call him back. She also briefly explained the process for formalizing an allegation as well as services available through the Assistance Ministry.

PRAA left [REDACTED] a voice mail message today and asked for a returned phone call. Per [REDACTED] a copy of Fr. Hogan's assignment card, PRAA has confirmed Fr. Hogan's resignation from the priesthood in 1993. PRAA will share that information with [REDACTED] and invite him to come in to formalize his allegation if he would like to do so.

Victim Statement Abstract

This abstract accompanies a redacted memorandum from Patricia Zacharias, Professional Responsibility Assistant Administrator, to file, dated February 22, 2006. The memorandum summarizes a phone call from Victim JB, who was allegedly abused by Fr. Michael Hogan. According to Victim JB, he was sexually abused by Hogan while Hogan was assigned to St. Barbara's Parish. Victim JB told Zacharias that he believed his family had initially contacted the Archdiocese around 1985 to report Hogan's misconduct. Victim JB sought assurance that Hogan was no longer in a position to hurt children.

Re: Hogan, Rev. Michael (Resigned)/ [REDACTED]

Date: March 13, 2006

PRAA and [REDACTED] exchanged numerous telephone messages and have been unable to speak in-person. PRAA left [REDACTED] a message asking his permission to leave the information she had for him on his voice mail. He left her a message giving his permission to do so.

PRAA left [REDACTED] a message explaining that Fr. Hogan had resigned from the priesthood in 1993. She invited [REDACTED] to call her back if he would like to schedule a time to meet. This meeting would give him the opportunity to share his own information regarding his experience of abuse if he would find that helpful. This allegation had already been substantiated through family members in the 1980's.

[REDACTED] left PRAA a message saying he was not interested in scheduling a meeting. He said it would be helpful to him if he could know if Fr. Hogan was ever punished for the incident of abuse and if the Archdiocese kept him away from children while he was still a priest.

PRAA will consult with PRA regarding this case.

Re: Hogan, Rev. Michael (Resigned) [REDACTED]

Date: March 29, 2006

[REDACTED] called PRAA and thanked her for the information she was able to provide to him.

He said he had one more question he was hoping PRAA could answer for him. He said he would like to know if there was ever any punishment from the Archdiocese of Chicago towards Fr. Hogan for what he had done to him. He also would like to know if AOC ensured he was not around children between the time his allegation was brought forth by his family and Fr. Hogan's resignation.

PRAA consulted with Professional Responsibility Administrator (PRA) who said she would try to help PRAA obtain this information.

PRAA left a voice mail message for [REDACTED] telling him she would try to obtain information to answer his question and will get back to him when she has the information or to tell him she does not have or cannot release the information.

PRAA consulted with PRA regarding this case. PRA obtained records from the Vicar for Priests office.

PRAA reviewed the records from the Vicar for Priests Office.

PRA will meet with PRA to discuss the information and what – if any information can be given to [REDACTED]

Re: Hogan, Michael J. (Resigned) [REDACTED]

Date: July 3, 2006

[REDACTED] had contacted PRAA in April 2006 regarding his allegation against Fr. Hogan.

[REDACTED] family had made this allegation in the 1980's. [REDACTED] was a minor child at the time. The allegation was substantiated.

[REDACTED] had wanted to know the status of Fr. Hogan. PRAA told him that Fr. Hogan had resigned from ministry in the early 1990's. [REDACTED] wanted to know if Fr. Hogan had been punished and/or kept away from minors between the time his allegation had been substantiated and Fr. Hogan's resignation.

PRAA did a file review and forwarded the information to John O'Malley.

PRAA consulted with Mr. O'Malley, Leah McCluskey and Jan Leonetti on June 28, 2006.

PRAA then contacted [REDACTED] and spoke with him. She apologized for the amount of time it had taken to gather the information and respond back to him. She explained that because of privacy/confidentiality laws she had limited information to share with him. She was able to confirm to him that Fr. Hogan had been under restrictions regarding minor contact between the time of the substantiated allegation and his resignation.

[REDACTED] thanked PRAA and said that he was satisfied. He said he would contact PRAA in the future if he had any further questions or concerns.
