ARCHDIOCESE OF CHICAGO

PROTOCOL for the reimbursement or advancement of funds for the defense of priests against whom allegations of sexual misconduct with minors have been made.

GENERAL PROVISION Mindful of the responsibility of the Archdiocese as stated in Norm 8 a of the USCCB Essential Norms, the Archdiocese can assist priests who are accused of sexual misconduct with a minor in the payment of the fees of civil attorneys related to the defense of allegations or claims brought against them for such misconduct pursuant to the provisions of this protocol. The Archdiocese will not provide assistance for fees related to any civil claim or counterclaim brought by a priest.

DETERMINATION OF NEED Any priest seeking reimbursement, advancement or loan of funds contemplated by this protocol shall make such request in writing and provide, on a form provided by the Archdiocese, an appropriate financial statement which identifies the priest's financial assets and liabilities.

The request should identify the charge, the attorney who has been retained and the anticipated amount of the attorney's fee. The request should provide an appropriate demonstration of the need for assistance. The request and the information which is provided will be reviewed by the Archdiocese' Professional Conduct Advisory Committee which shall make a recommendation, based upon the circumstances of the case and the information provided, whether assistance is appropriate and, if so, what proportion of the expense will be borne by the priest. The committee may also recommend limiting the total amount of assistance to be provided. The committee will make its recommendation to the Archbishop and the priest shall be advised in writing of the Archbishop's determination. The Archdiocese will not provide or continue assistance under this protocol to a priest if he is not in compliance with his Individual Specific Protocol for supervision.

REIMBURSEMENT

The Archdiocese may reimburse the priest for reasonable civil attorney's fees incurred from the receipt of an accusation through the processing of a claim for damages or civil litigation. The Archdiocese may reimburse the priest from the beginning of an accusation through a criminal indictment or similar action. In the event of a criminal prosecution, the Archdiocese may loan a priest the funds to pay reasonable legal fees (within limits established below) from the time of indictment through judgment of acquittal or conviction and sentencing. The Archdiocese will provide no assistance after conviction or sentencing.

NOTIFICATION The Vicar for Priests shall notify and provide a copy of this protocol to any priest against whom an allegation of sexual misconduct with a minor is made as soon as practicable following receipt of an allegation.

SELECTION OF COUNSEL The priest may retain counsel of his choosing. Upon request, the Vicar for Priests may provide the names of civil attorneys who are experienced in the defense of such claims.

COOPERATION OF COUNSEL Counsel retained by a priest against whom an allegation of sexual misconduct with a minor is made is expected to exercise independent professional judgement on behalf of the priest. This protocol is not intended to limit or constrain a priest or counsel in presenting a defense. Nevertheless, counsel for whom reimbursement or loan of fees is sought shall comply, in all relevant respects, with Archdiocesan protocols for the employment of outside legal counsel. Statements for services rendered a priest for which he seeks reimbursement or loan should be directed to the priest and a copy provided to the Office of Legal Services. A copy of the protocol for employment of outside counsel is attached and made a part of this protocol.

RESERVATION OF RIGHTS The Archdiocese reserves the right to review any such statement presented for reimbursement or loan of funds to determine compliance with applicable protocols and the reasonableness of the fees charged.

PROMISSORY NOTE Prior to the loan of any funds to be utilized in the defense of a criminal charge, the priest seeking such a loan shall execute a promissory note in a form and including such terms as may be determined by the Archdiocese. The Archdiocese may request the pledge of appropriate collateral to secure repayment of the obligation.

LIMITATIONS The Archdiocese ordinarily will reimburse legal fees and related expenses for representation in a criminal investigation up to a maximum of \$10,000.

The Archdiocese will loan a priest up to \$60,000 for legal fees and litigation expenses in a criminal case from the time of indictment or similar action through judgment of acquittal or conviction and sentencing.

These limitations will be waived only in unusual situations and then only with the prior written approval of the Archbishop that will set forth in writing the limits applicable to that situation.

Reverend Gary M. Miller  
St. Leonard Parish  
3318 South Clarence Avenue  
Berwyn, Illinois 60402

Dear Father Miller,

One of my primary concerns as Archbishop of Chicago is the general apostolate and promotion of vocations. The recent Priest Senate survey also indicates that the Priests of the Archdiocese share this interest.

If the generous young people of our area are to respond to the challenge of a life dedicated to the service of the Gospel, they must be made aware of the various opportunities available to them in religious life. I need your help to make this possible.

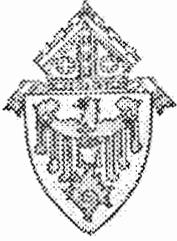

I am asking you to accept the added responsibility of being a Cluster Vocation Director. In general, this would entail the promotion of various vocational activities in the parishes of your area or cluster. Father Roger Caplis, Vocation Director for the Archdiocese, will be in touch with you shortly in order to supply further details and answer any of your questions.

I know how busy the priests of the Archdiocese are and I would not ask you to take on this added burden if the need was not so urgent.

With every best wish, I am, dear Father Miller,

Very truly yours in Christ,

Archbishop of Chicago

Dear Father Miller:

It is my pleasure to appoint you as Pastor of St. Bernadette Parish in Evergreen Park. This appointment is made in consultation with the Diocesan Priests' Placement Board as well as the Vicar and Dean. This appointment is effective July 16, 2001. Your term of office will be for six years but will officially remain in effect until you are reappointed or transferred or your successor is named.

Bishop John Gorman will act as my delegate in receiving your Profession of Faith. I ask that you contact him regarding your formal installation.

Gary, I take this occasion to thank you for your service at St. Pascal these past 13 years. I know that your ministry there has touched the lives of the people of God. No doubt, your presence will be missed there as you leave for your new assignment.

I trust that the parish community at St. Bernadette will receive you and respond wholeheartedly to your pastoral leadership. The experience you have had in the past will be most helpful as you take up this new responsibility. Know that as you begin this pastoral charge you have my encouragement and prayerful support. I try to work closely with the pastors of the Archdiocese, and I depend on their cooperation and support. I am confident that you will work with me in carrying out the initiatives that are crucial to carrying forward the union of the Archdiocese.

In keeping with the recommendation of the Presbyteral Council, I ask that you participate in the Pastoring: an Essential Workshop offered by the Center for Development in Ministry. Please call the Center to register for this program, which is held in the spring and autumn of each year. The fee will be paid by the Pastoral Center as a sign of our support for you in your ministry.

I am grateful for your life and ministry as a priest of the Archdiocese. You are in my prayers; please keep me in yours.

Fraternally yours in Christ,

1. Welcome and prayer – Bishop
2. Introductions
3. Reading of letter (with a few minutes of silence for reflection)
  - Timing of the reading of letter to the community at large (ordinarily, after Communion)
  - Supportive statement from parish leader (i.e., *"I know this is difficult for you to hear and process all at once. Let us keep Father and all involved in our prayers. Know that we will continue as planned. Parish staff members are available at the back of church as well as archdiocesan members"*).
  - *"We don't want to overload people with information they won't be able to digest all in the first instance."*
4. Care for removed priest

  - Personal requests (no direct contact, no phone calls, prayers, letters/cards addressed to the parish or VP office)

  6. Brief review of Review Board process
  7. *(If the group is open to information about the accuser, offer the statistics that ordinarily it takes an average of 18 years before someone comes forward to formalize their story.)*

    - Informational packets available (*Parents & Teachers Can Help, Puzzling Questions, Active Listening Handout, Assistance Ministry and Office of Professional Responsibility brochures, Assistance Ministry staff business cards.*)
    - Don't have to have answers – people appreciate "I don't know...but I could find out"
    - It has been our experience that parishioners will go to people they know for comfort.
    - Have boxes of tissue available
    - Handouts and brochures available
  10. Handling of possible media attention
    - Office for Communications number (312/751-8227)
    - The media has a right to their story, but staff members/parishioners have right to not speak to media. *"They are just doing their job." "They are respectful of needs of parish. Treat them with respect and graciousness as we should."*

- Briefly explain media relationship with archdiocese (cooperation/respect/appropriate openness and honesty).
11. Archdiocesan personnel are available to support the parish leadership
  12. There will be time for feedback and evaluation the Sunday of the letter reading.

AFTER CARE

- Clean copies of read letter for bulletin
- Basic Q's & A's (i.e., how long is the process, where can we send correspondence, archdiocesan contact information sheet, etc.)
- Models for Open Forums, Town Hall Meetings, etc
- Regular updates of Review Board process
- Thank you notes to parish staff for hospitality.

COMMON QUESTIONS:

- How long will the process take before *guilt or innocence*?
- Can we expect regularized updates/status reports?
- Will Father ever return to the parish?
- Can we *testify* on behalf of Father?
- What about all the good Father has done?
- Can we say a weekly mass for Father while the process is going on?
- What will happen to weddings/baptisms that have been scheduled with Father?
- Who is the accuser? Why did he/she wait so long? (They must be in it for the money)
- How can we be sure that as we do our ministry with young adult/adolescents/children that we won't be *falsely accused*?
- What can be said about Canonical Process?

## PERIODIC REVIEW of PRIESTLY MINISTRY

### DEVELOPMENTAL PLAN

Rev. Gary M. Miller  
*Name of Priest*

June 26, 2012  
*Date*

#### Part I. Data Review

A. List the principal areas of strength identified by survey participants:

Possession of the qualities expected of a priest in

- celebrating the sacraments of liturgies of the Church with reverence., prayerfulness, respect and sensitivity for the for the occasion;
- knowledge and understanding of Church doctrine, moral teaching, and history;
- preparing homilies well;
- complying with Archdiocesan policies, exercising responsible stewardship in administrative matters, communicating parochial matters with staff, parish leadership, and parishioners.

Remembers names

B. List the principal recommendations:

Get more regular liturgical assistance; keep sense of humor (rediscover it?); be a little more patient with people; speak a little louder (use the microphone better); be more expansive in keeping parishioners informed of larger church and community issues; continue learning and sharing results of that with parishioners

C. Based on the strengths and recommendations, list 2-3 Goals on which you plan to focus during the next year

1. Continue to assess my ability to effectively serve as pastor of a parish, and specifically at St. Bernadette Parish. Especially to be considered is the development of various outreach and evangelization processes, as well as taking into account future Archdiocesan initiatives.
2. Continue attempts to find a retired or semi-retired priest, to celebrate regularly Sunday and/or weekday Liturgies.
3. Maintain my use of written (books, periodicals, etc) and other resources for learning and growth, and attempt to learn use of social media

**Part II. Developmental Plan**

A. In order to achieve these goals, I will: *(Specify concrete actions for each goal).*

1. Use the various suggestions in this review for personal and parish improvement as well as issues discussed by the Parish Council as guides to determine whether or not I sense I am able to perform effectively according standards expected by the Archdiocese, parishioners, and myself. Especially to be considered is the development of various outreach and evangelization processes, as well as taking into account future Archdiocesan initiatives.
  
2. Maintain contact with the Priests' Placement Board, Office for Senior Priests, and the unofficial network of conversation with others and presence at Deanery and Archdiocesan meetings.
  
3. Continue subscriptions to *Chicago Studies, Pastoral Liturgy, The Bible Today, Catechumenate, Worship*, books of a theological or religious studies nature, and resources available through the Internet. I will also continue to offer Adult Formation/Education seminars to the parish in the fall and Lent.

B. In order to achieve these goals, I will use the following resources:

Please see Point # 3 above

C. Please comment on insights gained as a result of the data summary.

It is always very humbling, and gratifying, to receive an assessment of the results of one's efforts to fulfill the tasks and use of the gifts entrusted to me by God. I truly appreciate all the positive comments and assessments made, and those suggestions for growth and improvement.

D. Briefly comment on insights gained as a result of the Review Process

I am especially appreciative of the many comments made about concern for my health issues. These affect me much more than I ever thought they would, and I find that both unsettling and disturbing. I continue to work with my doctors in order to try and find ways that I might be able to keep them in control and allow me to achieve a level of effectiveness that I expect of myself and am not always capable of meeting. I get more frustrated with myself than with others, but do not always express that frustration well or appropriately.

Dear Leah,

Thanks you for your helpful call last night. I reached the principal last night. She is at a conference today, but has informed her staff member in charge of the pre-school about this restriction without indicating why. Father has not been in school for many months.

Good Morning Sr. Paul,

Per our conversation last night, Fr. Miller has been verbally instructed that he is not to be in St. Bernadette School nor is he to be alone with anyone under the age of 18. Also as we discussed, Fr. Miller was informed that you are aware that he is not to be in the school and that the principal will be informed that he is not to be in the school. As I mentioned yesterday, you will receive a copy of the letter to Fr. Miller reiterating his restrictions.

Thank you again, Sr. Paul. Please do not hesitate to contact me with any other questions or concerns.

Peace,

Leah

Dear Leah,

Left you a message on phone yesterday. Have been at ND conference, but if I do not hear from you, I will contact the summer staff at St. Bernadette and preclude Fr. Gary Miller's presence simply by asking them to tell him to call me should he attempt to be there. As I mentioned on the phone, I do not believe he has been present at the school for some time, ever since its AIM status has been announced this Spring.

Victim Statement Abstract:

This abstract replaces a memorandum to file prepared by Ms. Leah McCluskey, of the Archdiocese of Chicago's Office for Child Abuse Investigations and Review, dated June 27, 2012, summarizing her response to an e-mail received on June 22, 2012 from Victim LT stating that he had some information to share regarding events that occurred in 1972-1973 at a parish in South Berwyn. According to the summary, Ms. McCluskey contacted Victim LT on June 25, 2012 and provided him with information about her office and role at the Archdiocese. Victim LT agreed to meet with Ms. McCluskey to formalize his allegation of abuse against Fr. Gary Miller, who at the time was assigned to St. Leonard parish. Ms. McCluskey then determined that Fr. Miller was currently the pastor of St. Bernadette and contacted a number of Archdiocesan personnel to inform them of the allegation against Fr. Miller, including Msgr. John Canary, who informed Cardinal George. Ms. McCluskey contacted Victim LT again on June 26, 2012 to schedule a time to meet. Victim LT stated that he was 13 years old at the time of the abuse. Ms. McCluskey then spoke with Msgr. Canary who, as the Cardinal was out of the country, agreed to the interim action of informing Fr. Miller that is not to be alone with anyone under the age of 18 and that he is not to go into St. Bernadette's school.

From: Leah McCluskey, Office for Child Abuse Investigations and Review 

Re: PFR-417 Miller, Gary M. [REDACTED]

Date: June 27, 2012

On June 26, 2012, Msgr. John Canary, Rev. Kenneth Budzikowski, Rev. John Collins, and I called Rev. Gary Miller to inform him that an allegation of the sexual abuse of a minor had been received against him. Fr. Budzikowski told Fr. Miller that as a result of the allegation, he was not to be alone with anyone under the age of 18 and that he is not to go into St. Bernadette School.

I informed Fr. Miller that the person who brought forward the allegation against him is [REDACTED]. I said that [REDACTED] alleges that the abuse took place at St. Leonard Parish in the early 1970s. When asked, Fr. Miller said that he does know [REDACTED]. I informed Fr. Miller that [REDACTED] said that the alleged incident took place [REDACTED] in approximately 1973 when [REDACTED] was 13 years old and in either seventh or eighth grade. I informed Fr. Miller that the only additional information [REDACTED] was comfortable with sharing over the phone is that Fr. Miller "went too far." I asked Fr. Miller if any of this sounded familiar to him. Fr. Miller responded by saying that he would like to "reserve comment at this time."

Fr. Budzikowski reiterated that Fr. Miller is not to be alone with minors and that he is not to go into the school. He also advised Fr. Miller to obtain a canonical advocate and a civil attorney. Fr. Miller asked about altar servers. Fr. Collins advised Fr. Miller not to be alone with any of them; Fr. Miller commented that there were always people (lectors, Eucharistic ministers) around and that would not be a problem. Fr. Miller was informed that Sr. M. Paul McCaughey, Superintendent of Schools, is aware of this matter and that the principal of St. Bernadette would also be informed that he is not to be in the school. Fr. Miller asked if the principal would be told why he cannot be in the school. I told Fr. Miller that the principal would be told that information was received regarding Fr. Miller and that until additional information is gathered, Fr. Miller is not to be in the school.

Fr. Miller then asked what the Statute of Limitations is in Illinois. I told him that my general understanding is that the Statute of Limitations is 10 years past the 18<sup>th</sup> birthday of the victim, adding that [REDACTED] was born in 1960. I advised Fr. Miller that I am not an attorney, and that he may wish to speak to his own attorney or to contact the State's Attorney's Office.

PFR-417  
Miller, Gary M. / [REDACTED]  
1 of 2

Fr. Miller asked for a definition of sexual abuse. I told Fr. Miller that sexual abuse does not have to mean penetration and that it may be sexual touching over and/or under the clothing of the victim and/or any touch that is unwanted by the victim. I added that sexual abuse may also be showing or viewing pornographic images (to/with a victim).

Fr. Budzikowski offered to provide Fr. Miller with names of canonical advocates and civil attorneys. It was agreed that Fr. Budzikowski would call Fr. Miller the following day with the names. Fr. Miller accepted my offer to e-mail him a copy of the archdiocesan policies and procedures.

After speaking with Fr. Miller, I called the following individuals to update them on this matter: Mr. Lago, Mr. O'Malley, Mr. Morrissey, Mrs. Dolan, Sr. M. Paul, and Mrs. Slattery. I left messages for Fr. Grob and Tom Tharayil. Prior to the aforementioned phone conversation with Fr. Miller, Msgr. Canary had called and left a voice mail message for Cardinal George.

This morning, I called and had separate conversations with Mr. Lago and Msgr. Canary. I explained that I am not comfortable with Fr. Miller remaining at the parish by himself in light of the information received from [REDACTED] and Fr. Miller's initial comments on June 26<sup>th</sup>. Mr. Lago and Msgr. Canary each expressed their support of my feelings about this.

Per Msgr. Canary, he spoke with Cardinal George on June 26<sup>th</sup>. Cardinal George directed Msgr. Canary to make sure that a monitor is put in place with Fr. Miller at St. Bernadette until the next steps in this matter are clarified. Msgr. Canary communicated Cardinal George's directives to Fr. Budzikowski, Vicar for Priests. Per Msgr. Canary, he attempted to reach Bishop Andrew Wypych, Auxiliary Bishop of Vicariate V, to inform him of this matter. Msgr. Canary was informed that Bishop Wypych is in Poland. Msgr. Canary was informed that Bishop Wypych's secretary will attempt to reach him in Poland and direct him to call Msgr. Canary.

Monsignor:

In response to the possible temporary monitoring, I have gone through the Arch Directory and looked for some reasonably reliable guys who are either single and/or retired and who are known to me.

The only one on the list below I talked to was [REDACTED] business manager at St. Eugene's and deacon at Lambert's. He indicated he would be willing to take a hard look at the question. His hesitancy is how that would affect fulfilling his duties at Eugene's. He was curious as to a better description of the location, thinking that commuting might be possible. [REDACTED] also tendered the name of Deacon [REDACTED] who is a single deacon, retired from work and who seems quite flexible with his schedule. I do not know [REDACTED] but trust [REDACTED] judgment.

*Additional possibilities, all of whom are deacons and single except where noted otherwise:*

- [REDACTED] (Bp. Perry's administrative person)
- [REDACTED] (at St. Joe's Homewood; retired but married)
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED] retired; married; Wheeling)

A non-deacon but who seems to be a most upright citizen (not mutually exclusive categories!) is [REDACTED] artist in residence at St. Gregory the Great (and who lives?? at St. Mary of the Lake Parish). He wrote the icons here at Strich and, as I hear it, at the Meyer Center too.

I am wondering if there would be space for a wife at this site you are speaking of. That would potentially broaden the possibilities. Another possibility to broaden the scope of search would be to consider any single guys who are in diaconate formation. There are a few unmarried men but I am going to guess not retired.

I am happy to help further in this, if you'd like. Let me know about that. If so, if you want me to contact anyone on the list above or other names you have, I think it would be helpful to know at least the zipcode or neighborhood you are speaking of (I can appreciate not broadcasting far and wide which parish); when the undertaking would start; whether there is room for a wife and whether the rectory would be suitable for her; and other such practical questions, e.g., food, duties in general, what gives rise to the need for monitoring, etc.

Reverend Gary M. Miller  
St. Bernadette Church  
9343 S. Francisco Avenue  
Evergreen Park, Illinois 60805

Dear Father Miller:

When we spoke by phone on June 26, 2012, I informed you that the Archdiocese had received an allegation that you had engaged in the sexual abuse of a minor. As is required by *The Policies and Procedures of the Archdiocese of Chicago*, after the allegation was received by Ms. Leah McCluskey of the Office for Child Abuse Investigations and Review, it was shared with both Cardinal George and the Chair of the Independent Review Board. Also, this matter was reported to the civil authorities. Ms. McCluskey has scheduled a meeting with the complainant to hear the entire allegation. As is required by the United States Conference of Catholic Bishops Essential Norms, the matter will be discussed with the entire Independent Review Board.

Since we last spoke, I have been in consultation with the Vicars for Priests and several other Archdiocesan officials in order to put in place 'interim action', that is, restrictions that are temporary until the matter is more thoroughly investigated. This is done for the protection of children and the safeguarding of the one accused. While this investigation is conducted, I ask that you observe the following stipulations:

1. You may not be alone with anyone under 18 years of age unless a responsible adult is present. This may result in awkward situations, but you must consistently and completely abide by this stipulation. There are no exceptions to this stipulation.
2. You are not to enter St. Bernadette School or any other Archdiocesan school.
3. Monsignor Wayne Prist has been asked to fill in for you during your time away from the parish. Please keep Reverend Ken Budzikowski informed of your activities. The manner and frequency with which you do this should be determined in conversation with him.
4. You may not teach, lecture or instruct in a grade school or a high school. Nor may you engage in any leadership function with minors.

Dear Parishioners,

Since early this year I have been participating in a review of my Priestly Ministry conducted by the Archdiocesan Office of Ministerial Evaluation. This is a process that occurs in the fifth and eleventh years of a priest's assignment as Pastor of a parish.

Parishioners-at-law, the pastoral staff, and parish leaders were asked to be part of the review team. I thank all those who returned their candid responses to the survey. Overall the comments were strongly affirming and grateful for my pasturing. The comments also suggested areas for further development on both a personal and parochial level. After the data was gathered and collated I met with a priest colleague (Fr. Bill Malloy) who reviewed the data with me. Your responses and this meeting have given me much material to pray over and help form a Development Plan and set goals for the future.

This is a summary of that feedback:

Areas of strength:

Possession of the qualities expected of a priest in

- celebrating the sacraments of liturgies of the Church with reverence, prayerfulness, respect and sensitivity for the occasion;
- knowledge and understanding of Church doctrine, moral teaching, and history;
- preparing homilies well;
- complying with Archdiocesan policies, exercising responsible stewardship in administrative matters, communicating parochial matters with staff, parish leadership, and parishioners.

Remembers names

Principal Recommendations for growth:

Get more regular liturgical assistance; keep sense of humor (rediscover it?); be a little more patient with people; speak a little louder (use the microphone better); be more expansive in keeping parishioners informed of larger church and community issues; continue learning and sharing results of that with parishioners. Especially to be considered is the development of various outreach and evangelization processes to counteract the change in parish demographics, as well as prepare for future Archdiocesan initiatives.

Goals for the coming year:

1. Continue to assess my ability to serve effectively as pastor of a parish, and specifically at St. Bernadette Parish. Special consideration is to be given to development of various outreach and evangelization processes to counteract the change in parish demographics over the two decades, as well as prepare for future Archdiocesan initiatives.
2. Continue attempts to find a retired or semi-retired priest to assist in the liturgical celebrations of the parish.
3. Maintain use of written (books, periodicals, etc.) and other resources for learning and growth, and attempt to learn use of social media.

Again, thank you to all who participated in this review process. Your positive feedback and recommendations for growth continue to confirm my gratitude for having the privilege for the past eleven years of serving you as Pastor. As I begin my twelfth year among you this Monday (July 16), please continue to keep me in your prayers, and know that all of our parishioners are in mine daily.

Dear Father Miller,

On Thursday, July 5, the Independent Review Board had a conference call to review the interim actions that have been taken thus far, specifically, the protocols that were issued to you on June 30. They accepted them as being sufficient, but suggested that in addition to those protocols, **you should not actively engage in public ministry while you are away from the parish.** The Vicar General, Msgr. John Canary, on behalf of Cardinal George, has accepted that addition.

## Sandusky verdict not measured in wins, losses

By Barry Rozner

The reporters have departed, the cameras turned off.

One week later, all is quiet again in Pennsylvania — except for the screams.

Yes, it's been called a night of redemption and considered a great victory.

But the Jerry Sandusky verdict that came down last Friday night should hardly be considered a successful outcome, when this is truly a story of monumental failure.

It is a monumental failure on the part of us all, of society's failure to protect children, and no one should be more ashamed than the Penn State University football program, the late Joe Paterno and all around him who knew.

By the time Sandusky was sent to prison last week it had been 10 years since Mike McQueary reported seeing a young boy assaulted in the showers at the football building.

Ten years.

In those 10 years, how many more boys' lives were ruined? Was it 10, 20, 100 or even 200?

We will never know, but we do know Sandusky could have been stopped 10 years ago had Paterno not swept it under his royal blue and white rug.

And if Paterno and his bosses knew, you can be certain many more knew, including those in the administration who reportedly conspired, obstructed and covered it up.

The shame will forever be on those in the football program who covered their eyes and ears to the screams of terrified children, all in the name of money and glory.

Last November, after the scandal broke, it was none other than Barry Switzer who insisted that the Penn State coaching staff had to know what Sandusky was up to.

"Having been in this profession a long time and knowing how close coaching staffs are, I knew that this was a secret that was kept secret," Switzer told the Oklahoman. "Everyone on that staff had to have known.

"You think that (an assistant coach) hasn't told someone else? His wife? His father? People knew. The community knew.

"There are more people culpable than just Joe Paterno and the athletic director. There are so many other people that have thought, 'I could've done something about this, too,' that didn't come forward."

Through many conversations over the years with victims like Theo Fleury and Sheldon Kennedy — who have bravely come forward with their horrific stories in hopes of saving others — we've learned the monsters who perpetrate such crimes count on the silence of those who suspect something wrong.

They prey on those in need of parenting, friendship, money or love. They search out those who lack the instincts or knowledge. They find the children who can't fight for themselves and have no one to fight for them.

They count on the community looking the other way in the face of so much evidence, rather than asking the hard questions, and when the children realize no one is willing to save them, the abusers have the power to terrorize at will.

In hindsight, those closest to these children blame themselves for not seeing the signals, but what about those closest to Sandusky?

His friends didn't see it, his family didn't suspect it, his wife wasn't aware of it? Does anyone of sound mind think that's at all possible?

There was cheering outside the courthouse a week ago in Bellefonte, Pa., and there was sobbing inside the building from the victims, finally safe from the worst kind of reprisal.

No longer could the 68-year-old rapist torture or threaten them, no longer could Sandusky harm another child, as he will spend the rest of his life behind bars.

But talk of victory and redemption, as though this were a football game with good trumping evil, is a sad commentary on us all.

The children, now damaged men who fight the demons that threaten their very sanity, will try to make something of their lives, though no amount of money or Sandusky jail terms will ease that burden. No verdict grants them another chance at childhood, restores their stolen innocence.

The nightmares are real, vivid asleep or awake, night or day, alone or in public.

For the victims, both in this case and all around the world who carry their pain in silence, talk of victory is for others.

And it is quite empty.

Dear Ms. Boliker:

This is to confirm our conversation on July 5, 2012, wherein I reported that the Archdiocese had received an allegation from [REDACTED] that he was sexually abused as a minor by Rev. Gary M. Miller at St. Leonard Parish in Berwyn, IL in 1973 or 1974. [REDACTED] declined to provide details of the behavior until he had the opportunity to discuss it with his family.

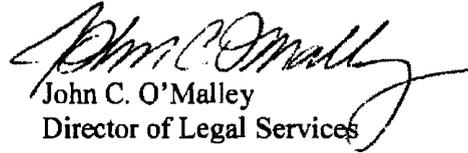

Fr. Miller currently is the pastor of St. Bernadette Parish in Evergreen Park. Following the receipt of the allegation, Fr. Miller was requested to absent himself from the parish and not be in contact with anyone under the age of eighteen.

Since our conversation, Leah McCluskey, Director of the Office of Child Abuse Investigation and Review, met with [REDACTED] on July 10, and learned additional information regarding his allegation. Specifically, [REDACTED] alleges that when he was thirteen or fourteen years old in 1973 or 1974, following a church service at St. Leonard, for which he served as an altar boy, Fr. Miller importuned [REDACTED] to come to Fr. Miller's quarters in the rectory and asked him to remove his clothing. According to [REDACTED], Fr. Miller then proceeded to touch [REDACTED]'s legs and abdomen. [REDACTED]

Pursuant to Archdiocesan policy, Ms. McCluskey is required to present this information to Fr. Miller and obtain his response, if any. She will then present her recommendations for interim action to the Archbishop and forward the matter to the Independent Review Board for its initial review.

If you have any questions or require further information, please let me know.

Very truly yours,

Fr. Ken and Fr. Collins,

While talking with Susan B about the weekend, we discussed how to respond to the media. It made me think the other pastors at other parishes he served in, should be warned that media/reporters will probably call them and that they too should refer all calls to the Archdiocese's Media Relations Line, 312-534-8227. **STATEMENT FROM JIMMY M. LAGO, CHANCELLOR  
ARCHDIOCESE OF CHICAGO  
REGARDING REV. GARY M. MILLER, PASTOR OF ST. BERNADETTE PARISH  
July 15, 2012**

Representatives of the Archdiocese of Chicago have spoken with Monsignor Wayne Prist, at St. Bernadette Parish, Evergreen Park, and Father Roger Corrales-Diaz pastor of St. Leonard Parish, Berwyn, to inform them that the Archdiocese has received an allegation that Father Gary Miller engaged in sexual misconduct with a minor, while assigned to St. Leonard's Parish, more than 30 years ago. At the request of Francis Cardinal George, OMI, Archbishop of Chicago, Fr. Miller has agreed to voluntarily and temporarily step aside from active ministry. He also agreed to this action so that there would be no question about the protection of children.

This allegation has been reported, by the Archdiocese, to the Illinois Department of Children and Family Services and the Cook County State's Attorney. The Archdiocese has also begun its review and investigation of this matter in accordance with Archdiocese of Chicago policies and requirements of the Charter for the Protection of Children and Young People. No further information is available at this time.

Leadership of the Archdiocese requests that parish members and others understand that this action is not a judgment of guilt, nor is it a removal from ministry. It does not affect Father Miller's position as pastor. In the meantime, Fr. Miller has agreed to reside in a residence away from the parish until the investigation of this allegation is concluded.

Sexual abuse of children is a grave sin and a crime. The Archdiocese of Chicago reports every allegation to the civil authorities and cooperates with them. The Archdiocese continues to reach out and work for the healing of all those affected by the tragedy of child and adolescent sexual abuse.

Rev. Msgr. Wayne Prist  
St. Bernadette Church  
9343 S. Francisco Avenue  
Evergreen Park, Illinois 60805

Dear Msgr. Prist,

As you probably know, on June 30, 2012 it became impossible for Fr. Gary Miller to continue to administer St. Bernadette parish (Evergreen Park). He has agreed that he is unable to administer the parish and he has further agreed to reside away from the parish.

Therefore, in accord with Canons 539 and 540, I appoint you as the canonical administrator of the parish. My understanding is that you have already accepted this appointment. Fr. Miller retains the title of Pastor of St. Bernadette parish and he retains the salary of a pastor.

Once the investigation has been completed, the Review Board will assess the semblance of truth of the allegation, and their assessment will be presented to me. At that time, a determination about your future and the future of St. Bernadette parish will be made.

I wish that I could say how long it will take for the investigation to be completed, but I cannot. I have directed my Vicars for Priests to review the status of the investigation on or about September 15, 2012. Should the investigations be completed before that date, the allegation will be discussed earlier by the Review Board.

Thank you for agreeing to assume this additional responsibility. Please be assured of my prayers and continued support.

Fraternally yours in Christ,

Reverend Gary M. Miller

9343 S. Francisco Avenue  
Evergreen Park, Illinois 60805

Dear Father Miller,

This letter confirms and re-states the conversation that you had with Msgr. John Canary and the Vicars for Priests during my absence from the Archdiocese.

As you know, the Archdiocese has received an allegation that you engaged in sexual misconduct with a minor. Therefore, in accord with the norm of Canon 539, you are impeded from exercising your pastoral function in the parish of Saint Bernadette (Evergreen Park, IL) during the investigation of the allegation. Even though you have agreed to live outside the parish, during this time you retain your title as Pastor of Saint Bernadette Parish and you retain the salary of a pastor. During this time of investigation, I dispense you from any obligations that you might be unable to fulfill (Canon 87, §1). Also, during this time of investigation, I dispense you from the obligation of wearing ecclesiastical attire (Canon 284).

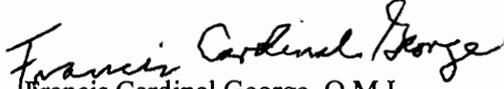

In accord with the norm of Canons 539 and 540, I appoint as the parochial administrator of St. Bernadette parish the Rev. Msgr. Wayne Prist, a priest of the Archdiocese of Chicago. He has accepted this appointment.

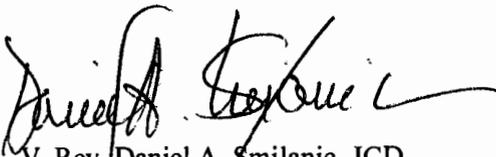

Once the investigation has been completed, the Review Board will assess the semblance of truth of the allegation, and their assessment will be presented to me. At that time, a determination about your future and the future of St. Bernadette parish will be made.

I wish that I could say how long it will take for the investigation to be completed, but I cannot. I have directed my Vicars for Priests to review the status of the investigation on or about September 15, 2012. Should the investigations be completed before that date, the allegation will be discussed earlier by the Review Board.

I ask you to use this time to pray for the people of Saint Bernadette Parish and the Archdiocese of Chicago. I know that this is a difficult time for you. Should you need assistance of any sort, please contact one of the Vicars for Priests. I will keep you in my prayers in this most difficult time.

Fraternally yours in Christ,

## Stewardship Reflections ~~~ ON THE ROAD

From the time they were called by Jesus, the disciples led a wandering life. They must have watched closely as he preached to crowds both large and small, cured the sick, and forgave sins. He also spent time teaching them in private, but they did not always understand what he was telling them. You might think the disciples did not know enough to be trusted to act on Jesus' behalf. We hear today, however, that Jesus did send them out, but with special instructions. First, they had to travel in teams of two. Second, they were to travel light, wearing a stout pair of sandals and without a single extra item of baggage to slow them down. Third, they were to accept whatever accommodation was offered them, and not go looking for something better. Finally, they were not to force their attentions on the unwilling, but instead to move on to the

next place. So ready or not, willing or not, excited or nervous, they set off in teams to do the work of healing, forgiving, and teaching. On the road of life we also follow as disciples of the Lord, we do better when we work with other people. We can pray in private, read our Bible alone, follow particular devotions on our own, and these are all good for building up our spiritual life, but our faith only flowers when we share it in the community. Parishes rely on groups of committed people to serve. Some ministries serve other parishioners, such as ministries of the altar, wedding and bereavement ministries, and religious faith formation. Others serve people in the wider community, such as RCIA teams, returning Catholics committees, evangelization groups, the Saint Vincent de Paul Society, community blood drives, or Habitat for Humanity. Join a ministry and live a fuller life!

### Living Stewardship Now

### KNOW THE MASS, ONE WORD AT A TIME

*Join*

Strange as it sounds, the Mass is a continuous action of joining. We join ourselves to each other, we join ourselves to the heavenly worship of the

angels and saints, and— most certainly—we join ourselves to Jesus in his self-sacrificing love. When we join ourselves we connect and unite ourselves. Our action of joining as we connect and unite ourselves so completely pervades and colors the entire Mass, that it can easily escape our notice.

We join ourselves to each other when we walk into church and take a position with other worshippers, when we sing, and when we make the common responses. We join ourselves to heaven when we praise and thank God, because that is exactly what angels and saints do in heaven. We join ourselves to Jesus when we offer ourselves with him and receive him in Holy Communion.

### Year of Sunday Mass Question of the Week

July 15, 2012

It seems that when one reads about one saint, there is another nearby: St. Francis of Assisi and St. Claire; St. Benedict and St Scholastica; Sts. Cyril and Methodius; St. Theresa of Calcutta and Blessed John Paul II. Two by two Jesus sent his disciples to witness to the Gospel.

# CHICAGO PRIEST

## VOCATION BLOG

*Written by Matt Litak*

I'm at the Institute for Priestly Formation, which helps make seminarians into better, more faithful men of God, and teach them what it means spiritually to be diocesan priests. It gives a clear understanding of what the spiritual life of diocesan priesthood looks like and draws us closer to the Trinity, the Blessed Virgin Mary and St. Joseph. All of that makes it seem like it is primarily educational, and it is educational, but that doesn't do it justice. It really does bring you closer in your relationship with the Father, and the Son and the Holy Spirit, and with Mary, and Joseph.

I learned about IPF at the seminary. It has an outstanding reputation here. A friend of mine, also in seminary, said that it saved his vocation. The guys who went on it had a fire that can only come from relationship with God. I wanted to deepen my relationship. I wanted what I saw in them, because I knew that that kind of relationship is needed to be a good priest and I wanted to be a good priest. Everyone I talked to who had been on it could only say good things about it. Three weeks in, I tend to agree. It has been an outstanding program so far.

Fellow seminarians Bob Regan and Jamie Mueller are also here. I discerned on my own to go. I didn't know Bob and Jamie were applying. When I found out, I was glad to hear that they were both going. They are both good guys and I was excited to get to know them better.

IPF is at Creighton University in Omaha. There is a permanent staff at IPF who run the whole program. Then there are many priests (including our very own vocation director), psychologists, religious, and lay faculty who help out in various capacities at various times throughout the summer. Throughout the summer, the faculty and staff run classes for us on topics ranging from Christian Spirit and Sexuality, to Christian Prayer and Virtue, to the Spirit of Diocesan priesthood, to the Mystery of the Liturgy. The program also features an eight-day guided silent retreat. For the last six weeks we also are involved in apostolic service. I will be working at the Midlands Community Hospital doing pastoral work. The faculty and staff also provide spiritual direction, counseling, give talks and reflections.

The daily schedule during the week (outside of retreat) is, not unlike seminary, fairly regimented, though much more relaxed at the same time. There are classes, Mass, prayer times, meetings, and lectures which one is expected to attend. And there will be apostolic work to attend in the future. But there is some daily time to yourself, some quiet time, some time in which you have freedom. Your weekends are for the most part free and there is a surprising amount of stuff to do in Omaha.

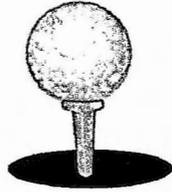

I am enjoying most the development of my personal spiritual relationship with God. The silent retreat was of immense help in this point. It deeply impacted me on an emotional level and impacted how I pray and how I relate to God. It concretely grounded my relationship with God.

**TREASURES FROM OUR TRADITION**

Does the scene of the disciples being sent out two by two bring to mind any other scripture? After the flood, Noah opens the door of the ark and sends his passengers out to renew the face of the earth. Certainly, Jesus has the same purpose. The purpose is fulfilled in your communion in the Body of Christ today, and in your being sent from the Eucharist into the world. The sending is so important that our word "Mass" derives from it. In Latin, the last words of worship are *Ite, missa est*, which means "Go, you are sent." From that, people began to call Catholic worship the *missa*, or in English, the "Mass." Our English words dismissal, missal, emissary, and mission are all related. We are not sent into the workaday world alone, but in relationship to one another.

Some people have acquired the unhappy habit of leaving worship as soon as they receive Communion and therefore miss the prayer, the dismissal, and the solemn blessing that are essential parts of the Mass. The dismissal is a seal on our Communion and reveals its purpose. Thanks be to God!

Fr. Ken,

I received this email from Fr. Gary regarding items still in his quarters. I spoke to Msgr. and we both and we would prefer if you handled this transfer of items.

Thanks,

Barb,

Please pass this along to Msgr. Prist for the [REDACTED] wedding on Aug 18.

You might also want to cancel my [REDACTED] telephone line, and change the name on the Comcast bill. You might want to talk to Msgr. about reducing some of the cable programming I had (and paid for) to save some money.

Ken Budzikowski told me he had mail for me. I will be expecting most of my credit card bills in the next two weeks. Those are the things I am most interested in so I don't rack up any interest charges.

I can't come near the parish, but if it would be palatable to you, we could get together for lunch or dinner some time. If so, there may be a couple of other items I would ask you to have Msgr. Prist rescue from my quarters and give to you.

I am available on my cell phone as well - [REDACTED] (please dont' give it to anyone, and retireve it from Carol's desk.

Gary

ARCHDIOCESE OF CHICAGO

## ARCHDIOCESE OF CHICAGO

**STATEMENT FROM JIMMY M. LAGO, CHANCELLOR  
ARCHDIOCESE OF CHICAGO  
REGARDING REV. GARY M. MILLER, PASTOR OF  
ST. BERNADETTE PARISH  
July 15, 2012**

Representatives of the Archdiocese of Chicago have spoken with Monsignor Wayne Prist, at St. Bernadette Parish, Evergreen Park, and Father Roger Corrales-Diaz pastor of St. Leonard Parish, Berwyn, to inform them that the Archdiocese has received an allegation that Father Gary Miller engaged in sexual misconduct with a minor, while assigned to St. Leonard's Parish, more than 30 years ago. At the request of Francis Cardinal George, OMI, Archbishop of Chicago, Fr. Miller has agreed to voluntarily and temporarily step aside from active ministry. He also agreed to this action so that there would be no question about the protection of children.

This allegation has been reported, by the Archdiocese, to the Illinois Department of Children and Family Services and the Cook County State's Attorney. The Archdiocese has also begun its review and investigation of this matter in accordance with Archdiocese of Chicago policies and requirements of the Charter for the Protection of Children and Young People. No further information is available at this time.

Leadership of the Archdiocese requests that parish members and others understand that this action is not a judgment of guilt, nor is it a removal from ministry. It does not affect Father Miller's position as pastor. In the meantime, Fr. Miller has agreed to reside in a residence away from the parish until the investigation of this allegation is concluded.

Sexual abuse of children is a grave sin and a crime. The Archdiocese of Chicago reports every allegation to the civil authorities and cooperates with them. The Archdiocese continues to reach out and work for the healing of all those affected by the tragedy of child and adolescent sexual abuse.

Information about reporting allegations of sexual abuse by Archdiocesan clergy, deacons or lay persons, no matter when the abuse occurred, can be found on the Archdiocesan website, www.archchicago.org, or by calling:

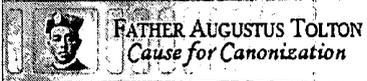

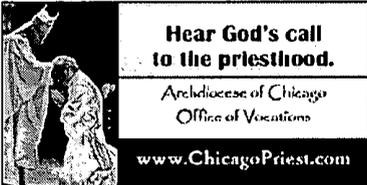

- Office for Child Abuse Investigations and Review, 312-534-5205 or 1-800-994-6200

Hi Leah,

As of this afternoon, we have spoken with all of the Pastors of the parishes where Fr. Miller was assigned, and Deans (Fr. Tom Conde for St. Bernadette, and Fr. Mark Bartosic for St. Leonard).

 Hi Jimmy,

I just spoke with Fr. Ken who informed me that he and Fr. Collins have contacted the pastors of the other parishes where Fr. Miller had been assigned:

Fr. Timothy Zak, St. John Bosco  
 Fr. Edward Pelrine, Queen of the Rosary  
 Fr. Paul Seaman, St. Pascal

Per Fr. Ken, he spoke with Fr. Pelrine to inform him of the allegation against Fr. Miller and the related statement on the AOC website. Fr. Ken and Fr. Collins have calls in to Frs. Zak and Seaman.

I told Fr. Ken of our conversation, and advising the pastors that they could access the statement on the website or the statement could be e-mailed to them if they preferred.

Hi Barb,

I appreciate you responding so promptly to my request for a copy of the information you wish to print in the bulletin. I am forwarding this to our media relations expert. She has dealt with these matters and can offer us guidance about how to provide information that makes clear what we can offer or provide through this meeting. She would also have thoughts about how to work with the media, if they attend, so they are not disruptive to the goals of the meeting. It sounded like you were thinking of putting this in the bulletin today; but I'm wondering what would be the latest I could get this to you? Thanks, Tom

Hi Gary,

I'm forwarding to you a couple of emails regarding your archdiocesan email account. They are pretty well self-explanatory. The other email that I am forwarding will tell you that you will use a temporary password to access the arch account and that you should change to a new password for further use. This came about because the parish was not getting access to the Pastors' email that the arch sends out to pastors. Wayne was not getting them since he is a retired priest so they had to recover the archdiocesan emails from your account, forward them to Wayne, and put Wayne back on the Pastors' mailing list. Keep an eye out for the other email, which should follow this one.

Re: Meeting at St. Bernadette

On Monday, July 23, 2012, Mr. Jimmy Lago and I met with Msgr. Wayne Prist at St. Bernadette Church's rectory. (Msgr. Prist had been named the temporary Administrator of St. Bernadette, and had been in residence there since July 2.) The meeting was to inform Msgr. Prist about the Independent Review Board's process regarding the allegation against the Pastor, Fr. Gary Miller. We reviewed why Fr. Miller had to step aside and how that a formal allegation had been made and presented to the Review Board; it was necessary for Fr. Miller to stay away from the parish until a decision had been made by the Review Board and accepted by the Cardinal.

We mentioned that the Review Board had an initial meeting and was presented with the allegation. They agreed that it warranted further investigation. We mentioned that part of the investigation would include the use of a private detective agency. (At that time, Fr. Miller had not yet been presented with the allegation. That meeting with Fr. Miller, Atty. Cynthia Giacchetti, Leah McCluskey and me would take place on July 27.) We informed Msgr. Prist that there would be another meeting of the Review Board in August, and that it was possible that they might come to a decision at that meeting, or they might request more time for further investigation. At any rate, this was a way of telling Msgr. Prist that he would probably be at the parish through most of August.

Monsignor Prist wanted to talk about the state of the parish and make us aware that decisions had to be made about the school and the parish soon. The school is in a precarious situation and the parish finances were stretched. He felt that someone who would be there for a longer time should make those decisions. He also commented on the lack of any curiosity or comments about Fr. Miller's situation by parishioners, local press, etc. He said that some people had asked him if Fr. Miller would be returning and he responded by saying "Would you want to come back...?"

Coming away from the meeting, it was my impression that Msgr. Prist's presence in the parish has lent a sense of calm and control. He has done all of the "normal" things a pastor would do: the sacraments, sick calls, parish meetings, etc. I do agree with his assessment that we should get someone in soon who can be seen as Fr. Miller's successor, regardless of the outcome of the Review Board's investigation

Re: **RESPONSE OF REV. GARY M. MILLER (ACTIVE/CANONICAL TERM)

Date: August 6, 2012

**Date of Meeting: July 27, 2012**

**Meeting Participants**

- Ms. Cynthia Giacchetti, civil attorney for Fr. Miller
- Rev. Kenneth Budzikowski, Vicar for Priests
- Leah McCluskey, Office for Child Abuse Investigations and Review

**Meeting**

Rev. Kenneth Budzikowski made arrangements for the July 27, 2012 meeting to take place at the Vicar for Priests Office. Fr. Miller and Ms. Giacchetti arrived just prior to the 10am scheduled meeting time.

Fr. Miller was neatly dressed in a polo shirt and khaki pants. After introductions took place, I began by providing Fr. Miller and Ms. Giacchetti with a verbal explanation of my role in the Office for Child Abuse Investigations and Review. I also provided an explanation of the process of bringing [REDACTED]'s allegation against Fr. Miller to the Independent Review Board. I informed Fr. Miller and Ms. Giacchetti that the Review Board met on July 21, 2012 and had made the recommendation to Francis Cardinal George, O.M.I. that this matter warranted additional investigation.

I provided Fr. Miller and Ms. Giacchetti each with an envelope and informed them that they contained the same information about the Office for Child Abuse Investigations and Review (CAIR) and related policies and procedures (*§1100 Clerical Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry*), information on the professional investigation firm used by CAIR during the continued investigation of this matter, and CAIR's statement on confidentiality. I made note of

PFR – 417  
Miller [REDACTED]

the policy that allows for both the accused and the accuser to appear before the Review Board if they wish.

I then provided Fr. Miller and Ms. Giacchetti each with a copy of the July 11, 2012 report of [REDACTED]'s allegation of the sexual abuse of a minor against Fr. Miller.

Ms. Giacchetti stated that Fr. Miller would not provide a response during the July 27<sup>th</sup> meeting, as she will discuss the report of [REDACTED]'s allegation with Rev. Paul Golden, Fr. Miller's canonical advocate. When asked, I informed Ms. Giacchetti and Fr. Miller that I would send Fr. Golden copies of all correspondence I send to Fr. Miller, including a copy of the report of [REDACTED]'s allegation. Ms. Giacchetti stated that she would consult with Fr. Golden and then be in touch with me regarding the status of the investigation of this matter and whether Fr. Miller will provide a response.

Prior to ending the meeting, Fr. Miller provided Fr. Budzikowski and me with his new address:  
[REDACTED]

Fr. Miller added that he would begin to reside at this new apartment on Monday, July 30<sup>th</sup>.

Fr. Budzikowski and I again thanked Fr. Miller and Ms. Giacchetti for their time. Fr. Miller was asked to contact Fr. Budzikowski or me with any questions or concerns.

Thank you for your help on this. I'll reach out to Fr. [REDACTED] at St. Leonard and arrange a visit.

I don't think we need to interview Fr. [REDACTED], given his condition. The information we were seeking from him would not significantly add to this investigation. It was more a case of covering all the bases as he was mentioned in the allegation.

Fr. Ken,

I am working with Leah McCluskey on the allegations against Fr. Miller. I need your assistance on two tasks we need to complete to investigate this matter. We would like to interview Fr. [REDACTED] from St. George in Tinley Park. He was mentioned in the allegation as training altar servers at St. Leonard around the time in question for this allegation. Additionally, we would also like permission to view the rectory at St. Leonard in Berwyn. It would be helpful if you could make an introductory call on our behalf and let me know if we may proceed. We will then follow up and make arrangements for contact.

Hi Gary,

No such luck; I've been out of the office most of the week, plus, we were closed Wednesday for the Holy Day. I was at [REDACTED]'s mother's funeral on Tuesday, off on Thursday, and at [REDACTED]'s Dad's funeral today.

I've been playing phone tag with folks figuring out who will be reimbursing you; I think we figured it out today. We submitted your receipts and should get a check late next week or early the following. You will get reimbursed! You will get assistance with your rent for the present time. We will need some sort of receipt or copy of the lease stating the monthly rent. The diocese will not reimburse without some type of "official" document, bill, or receipt. We should get you food allowance but once again, there will be a bit of a lag time until you finally get it.

I can't think of anything else right now. Thanks for the update on Bill Curran, too. I will work on getting you your reimbursement.

Hi Ken,

I tried calling you last week, but received no response. I thought you might be taking some well deserved time off. A couple of questions about finances:

1. Any word when reimbursement for the hotel bills I gave you will be sent? It is getting close to the end of the month and bill paying time;
2. Will there be any assistance for the rent I am currently paying (\$690/month);
3. Someone raised the question with me about food allowance -am I still entitled to receive it (I did not have a cook at St. Bernadette, nor for the majority of my second term at St. Pascal.

[REDACTED]

I am doing well, and getting settled in my apartment, and renewing some contacts with people that had slipped due to various reasons over the past few years. Also, I visited with Bill Curran last Wednesday. [REDACTED]

[REDACTED]

If there is more that I should be doing (from the perspective of your office, please let me know. I don't want to take anything for granted.

Peace. I look forward to hearing from you.

Hi Gary,

Sister Pat is processing the reimbursements and said she needed the statement or bill from the Ramada for the \$319.00 charge. Also, she needs the paperwork for the security deposit and the check or receipt from that. We want you to get reimbursed for your expenses, but the Arch wants paperwork for everything...Sr. Pat walked over to the Chancery finance department with the request for payment for your rent for September and "until further notice..." so that looks like a "go."

Hi Ken,

Attached is a copy of the lease agreement, and a copy of the check paying the first month's rent. I also had to pay a security deposit of \$690.00. I can make copies of that paper work as well, and the receipt for payment (they demanded a cashier's check or money order.

I hope this can help expedite reimbursement.

My Visa statement showed that I had three charges (\$446.60, \$400.20, \$319.00) for my stay at the Ramada in Bolingbrook. I'm not sure what paperwork I gave you. I can send you a copy of the final bill if needed.

Hi Gary,

Yesterday was my day off and I took it. Financial Services is aware of the due date for your rent. Unfortunately, most everyone has taken the long weekend off and I can't verify that it was sent. The earliest I will be able to find out will be Tuesday.

A check was sent out on Wednesday (for \$700, I believe) which is partial compensation for rent, I think. There should be at least one or two more. Each expense is submitted according to which account it comes out of, so rent is one area, your expenses for the hotel/motel is another. You should be getting full reimbursement for the expenses you submitted.

Hi Ken,

I called and left you a voice mail on your cell phone, but also want to follow up with this email. Do you know if the Finance Office got the check in the mail for [REDACTED] to cover the September rental? Due date is this Saturday, September 1st. I really want to avoid compromising my status with them so early in my lease. Also, what is the status of the reimbursements I have been promised.

I know from my dealings with the finance Office last year (through OCS) that the Archdiocese was very slow in sending out checks (six months or more). Would it be helpful if I were to send you the routing number and check account number to the Archdiocese would be able to transfer funds to my account

electronically?

Thanks for looking into these matters.

INVESTIGATIONS AND REVIEW

September 5, 2012

His Eminence Francis Cardinal George, OMI  
Archbishop of Chicago  
835 North Rush Street  
Chicago, Illinois 60611

Your Eminence,

At the end of June, I was informed that the Archdiocese received a communication alleging that I had sexually abused a minor. Last month I received a written report of this allegation. While the report does not contain a date, it is clear that the man was an altar server when I was an associate pastor at St. Leonard parish. That would be almost 40 years ago.

As you know from my file, 

Your Eminence,  I have tried very hard to live an exemplary priestly life. I have been a pastor for 23 years and feel that I have helped my people know the saving grace of redemption.

I am now 66 years old and suffer from some on-going illnesses: 

 The combination of these conditions results in decreased energy and ability to function as well as I have in the past. Dealing with this allegation has caused me a great deal of stress which exacerbates my condition. I do not want to contest this allegation and I decline the invitation to meet with the review board.

I respectfully ask that you grant me an early retirement for medical reasons. I understand that my faculties for public ministry may be withdrawn and there may be restrictions or expectations for me to fulfill.

If you accept my request, I will ask Father Paul Golden, C.M., my canonical advisor, and Ms. Cynthia Giacchetti, my civil lawyer, to assist me in working out the details of this arrangement with those you appoint to this task.

I greatly appreciated your telephone call a few weeks ago. Thank you for your support. Please also accept my sorrow over the recurrence of your struggle with cancer. I have been praying for you even more since the announcement was made.

Sincerely,

Hi Fr. Ken,

Since Ruth and I are trying to make plans for when and where we may be needed this weekend, I wanted to follow up with you and Fr. Collins. As you may recall from our visit to St. Bernadette's, it does appear that the parishioners will likely want to talk to a priest regardless of whether Ruth or I are there, so I hope one of you will be present too.

It appears the mass schedule at St. Bernadette's is 4:00 p.m. on Saturday, and 8:30 and 10:30 am on Sunday. As luck would have it, there will also be a "rib fest "on Saturday from 4-11 PM.

St. Leonard's has a 5:00 p.m. mass in English on Saturday. Also it has an 8,10,12 Sunday mass in English and a 5 p.m. Spanish mass.

When you get more information, please let me know how to proceed. Thanks, Tom

I. Issues:

- a. Saint Bernadette: Gary Miller resigned from the Pastorate, credible allegation. From Wayne Prist's perception, surprised at how flat things are, staff and some confusing things, unpaid bills but money in the bank. A lot of neglect may have to close the school. 10,000 in geographic area. School has 115 currently, message from pastor that the parish is going to be closed. Perception that people have not been affirmed. Vicar for priest will be out this weekend. Ken Budzikowski. To announce to the people. There is an urgent need for a pastor to be named immediately. Cardinal most likely to make a direct appointment. [REDACTED] is interested. [REDACTED] is willing to mentor him. Not sure that is a good thing.

**STATEMENT OF THE ARCHDIOCESE OF CHICAGO  
REGARDING REV. GARY M. MILLER  
September 23, 2012**

The Reverend Gary Miller has resigned as pastor of St. Bernadette Parish in Evergreen Park. His faculties to engage in any public ministry have been removed. Father Miller stepped aside following an allegation received by officials of the Archdiocese of Chicago on June 30, 2012, that he had engaged in sexual misconduct with a minor while assigned to St. Leonard Parish in Berwyn, more than 30 years ago.

This allegation was immediately reported by the Archdiocese to the Illinois Department of Children and Family Services and to the Cook County State's Attorney. The Archdiocese's Independent Review Board determined there is reasonable cause to suspect that sexual abuse of a minor had occurred and recommended that Fr. Miller be withdrawn from ministry. Francis Cardinal George, O.M.I., Archbishop of Chicago, has accepted the Review Board's determination and recommendation. Fr. Miller is now residing in a private setting away from the parish. He has agreed to be in the Prayer and Penance Program administered by the Archdiocesan Office for the Protection of Children and Youth.

In accordance with canon law and the norms established by the U.S. Conference of Catholic Bishops, Fr. Miller's case will now be sent to the Congregation for the Doctrine of Faith at the Vatican. The Congregation will instruct the Archdiocese as to the next step in the canonical processing of the decision for permanent removal from ministry.

Cardinal George will name a new pastor for St. Bernadette Parish after October 1.

Any parishes where Fr. Miller served are being notified of these developments so that others who may have been abused may come forward.

Sexual abuse of children is a grave sin and a crime. The Archdiocese of Chicago reports every allegation to the civil authorities and cooperates with them. The Archdiocese continues to reach out and work for the healing of all those affected by the tragedy of child and adolescent sexual abuse.

Information about reporting allegations of sexual abuse by Archdiocesan clergy, deacons or lay persons, no matter when the abuse occurred, can be found on the Archdiocesan website, [www.archchicago.org](http://www.archchicago.org), or by calling:

**COMUNICADO DE LA ARQUIDIÓCESIS DE CHICAGO  
SOBRE EL PADRE GARY M. MILLER  
23 de septiembre de 2012**

El Padre Gary Miller ha dimitido como pastor de la Parroquia de St. Bernadette en Evergreen Park. Sus facultades para participar en cualquier ministerio público le han sido retiradas. El Padre Miller se retiró temporalmente de su ministerio a raíz de una denuncia recibida por funcionarios de la Arquidiócesis de Chicago el 30 de junio de 2012 de que había incurrido en conducta sexual inadecuada con un menor de edad mientras estaba asignado a la Parroquia de St. Leonard, en Berwyn, hace más de 30 años.

Esta acusación fue informada de inmediato por la Arquidiócesis al Departamento de Servicios para Niños y Familias de Illinois, así como al Fiscal del Condado de Cook. La Junta de Revisión Independiente de la Arquidiócesis determinó que existe causa suficiente para sospechar que el abuso sexual al menor ocurrió y recomendó que el Padre Miller fuera retirado del ministerio. El Cardenal Francis George, OMI, Arzobispo de Chicago, ha aceptado la decisión y recomendación del Comité de Revisión. El Padre Miller está residiendo ahora en un lugar privado fuera de la parroquia. Él ha aceptado participar en el Programa de Oración y Penitencia administrado por la Oficina Arquidiocesana para la Protección de Niños y Jóvenes.

De acuerdo con el derecho canónico y las normas establecidas por la Conferencia de Obispos Católicos de EE.UU., el caso del Padre Miller se enviará ahora a la Congregación para la Doctrina de la Fe en el Vaticano. La Congregación dará instrucciones a la arquidiócesis sobre cuál será el siguiente paso en el proceso canónico en que se tomará la decisión para retirarlo de manera permanente del ministerio.

El Cardenal George nombrará a un nuevo pastor para la Parroquia de St. Bernadette después del 1º de octubre.

Todas las parroquias donde el Padre Miller sirvió están siendo notificadas de estos eventos de manera que cualquier otra persona que pudiera haber sido víctima de abuso pueda sumarse a esta denuncia.

El abuso sexual de menores de edad es un pecado grave y es un crimen. La Arquidiócesis de Chicago reporta a las autoridades civiles todas las acusaciones que recibe y coopera con dichas autoridades. La Arquidiócesis continúa auxiliando y trabajando para sanar a aquellos que se han visto afectados por la tragedia que representa el abuso sexual a niños y adolescentes.

La información sobre cómo hacer una denuncia o acusación de abuso sexual cometido por un clérigo arquidiocesano, un diácono o un laico, sin importar cuándo haya ocurrido el abuso, puede encontrarse en el sitio web de la Arquidiócesis en [www.archchicago.org](http://www.archchicago.org), o llamando a:

## SNAP Survivor Network of those Abused by Priests

### Please Help Us Protect kids!

#### Who we are:

We are members of an international support group called SNAP, the Survivors Network of those Abused by Priests (SNAPnetwork.org). Our mission is to protect the vulnerable and heal the wounded.

#### Why we are here:

At least six publicly accused predator priests worked here. They include Fr. Gary Miller, Fr. Russell Romano, Fr. Kenneth Ruge, Fr. Alberto Tanghal-Rimando, Fr. Richard Gregory Theisen, and Fr. Howard Sturm. Only two are deceased. Who knows where the others are now and whether they are still molesting?

We suspect there may be even more predator priests who have been at St. Leonard's, and that there are more victims here who are still "suffering in shame, silence and self-blame."

#### What we want:

We want Cardinal Francis George to

-- personally visit this parish and beg anyone who has seen, suspected or suffered clergy sex crimes to come forward,

--explain why this church has suffered with six credibly accused child molesting clerics, and

--post the names of all six alleged molesters on parish websites and bulletin boards and in newsletters.

We also want anyone who many have seen, suspected or suffered child sex crimes or cover ups - at this parish or others - to come forward, call police, expose wrongdoing, and protect kids.

#### How you can help:

--Call/write Cardinal George. Urge him to take the steps outlined above.

--Ask every current and former parish member, volunteer or staffer about these six priests. Urge them to call police or independent sources of help if they have any information or suspicions of wrongdoing.

**We're a confidential, free, independent support group for anyone molested by clergy. Call us.**

## **Follow-up after the Weekend at St. Leonard Parish (Berwyn)**

### **Saturday, July 14, 2012, 5:00 Mass**

**A woman approached Ruth Robinson and spoke to her concerning Fr. Gary Miller. Ruth gave her her business card. The woman then approached me and stated that she had heard some Boy Scouts talking about Fr. Gary Miller and abuse. She also thought that she remembered an article in the local paper that spoke about Fr. Miller and Fr. Romano. She would not give her name but she was going to check with her friend [REDACTED] or [REDACTED] when she returns from vacation.**

### **Sunday, July 25, 2012, 8:00 Mass**

**A woman named [REDACTED] came up to me and told me that she had some information about Fr. Gary Miller that she would like to share but not at this moment. I gave her Leah's contact information along with my business card.**

### **10:00 Mass**

**[REDACTED] approached me and asked: "Are we the dumping ground for these guys?" He continued to say that the Archdiocese knew about these guys. Then he thanked me for being here and reading the statement .... That's the right way to do it.**

**A woman approached and stated that we should have had a disclaimer before the letter was read because this was the children's Mass and parents should have had the opportunity to leave. I told her that we had discussed this with the staff at our meeting and they felt it could give parents, if they choose, the opportunity to speak with their children about sexual abuse. She also commented that the Music Director asked for prayers for Fr. Miller, but what about the victims. I nodded agreement. I later spoke to the Director about this. She did a similar thing at the Noon Mass.**

Form W-4 (2012)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Exemption from withholding. If you are exempt, complete only lines 1, 2, 3, 4, and 7 and sign the form to validate it.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds \$950 and includes more than \$300 of unearned income.

Basic Instructions. If you are not exempt, complete the Personal Allowances Worksheet below.

Complete worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals.

Income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2012.

Future developments. The IRS has created a page on IRS.gov for information about Form W-4, at www.irs.gov/w4.

# Illinois Withholding Allowance Worksheet

## General Information

Complete this worksheet to figure your total withholding allowances.

Everyone must complete Step 1.

Complete Step 2 if

- you (or your spouse) are age 65 or older or legally blind, or
- you wrote an amount on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4.

If you have more than one job or your spouse works, you should figure the total number of allowances you are entitled to claim. Your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld.

## Step 1: Figure your basic personal allowances (including allowances for dependents)

Check all that apply:

No one else can claim me as a dependent.

I can claim my spouse as a dependent.

1 Write the total number of boxes you checked. 1 1

2 Write the number of dependents (other than you or your spouse) you will claim on your tax return. 2 \_\_\_\_\_

3 Add Lines 1 and 2. Write the result. This is the total number of basic personal allowances to which you are entitled. 3 1

4 If you want to have additional Illinois Income Tax withheld from your pay, you may reduce the number of basic personal allowances or have an additional amount withheld. Write the total number of basic personal allowances you elect to claim on Line 4 and on Form IL-W-4, Line 1. 4 \_\_\_\_\_

## Step 2: Figure your additional allowances

Check all that apply:

I am 65 or older.

I am legally blind.

My spouse is 65 or older.

My spouse is legally blind.

5 Write the total number of boxes you checked. 5 \_\_\_\_\_

6 Write any amount that you reported on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4. 6 \_\_\_\_\_

7 Divide Line 6 by 1,000. Round to the nearest whole number. Write the result on Line 7. 7 \_\_\_\_\_

8 Add Lines 5 and 7. Write the result. This is the total number of additional allowances to which you are entitled. 8 \_\_\_\_\_

9 If you want to have additional Illinois Income Tax withheld from your pay, you may reduce the number of additional allowances or have an additional amount withheld. Write the total number of additional allowances you elect to claim on Line 9 and on Form IL-W-4, Line 2. 9 \_\_\_\_\_

**Note** If you have non-wage income and you expect to owe Illinois Income Tax on that income, you may choose to have an additional amount withheld from your pay. On Line 3 of Form IL-W-4, write the additional amount you want your employer to withhold.

Re: Miller Statement Follow-up

[REDACTED] we were asked to find out if the Gary Miller Statement regarding the Independent Review Board's finding was either read at Mass or published in the Parish Bulletin of the five parishes where Fr. Miller had been assigned.

We know that the statement was read at St. Bernadette by Bishop Wypych at the Sunday Masses. Fr. John Collins and I read the statement at the weekend English Masses at St. Leonard. Fr. Mark Bartosic, the Dean, read it in Spanish at their 1:30 PM Spanish Mass.

On Wednesday, October 3, 2012, I contacted Fr. Ed Pelrine, Pastor of O.L. Queen of the Rosary. He said they had published it in their bulletin. I also contacted Fr. Timothy Zak, pastor of St. John Bosco. He said they had both read the statement at Mass and published it in their bulletin. I called Fr. Paul Seaman, Pastor of St. Paschal, and left a message to contact our office regarding the statement. He called back on Thursday, October 4, and spoke with Sr. Pat Cummings. He said they had read the statement at all of the weekend Masses of September 22-23.

**CANONICAL RESPONSE  
OF  
REV. GARY M. MILLER  
TO  
ALLEGATION OF SEX ABUSE OF A MINOR**

On September 19, 2012 Ms. Leah McCluskey, the Director of the Office for Child Investigations and Review, informed Father Gary Miller that His Eminence has accepted the determination of the Review Board that there is reason to suspect that Father sexually abused a minor almost 40 years ago. As a result of that determination, the case will be sent to the Congregation for the Doctrine of the Faith. Father Miller would like to submit this canonical response to be included in the materials sent to the Congregation.

On July 1, 2012 Father Miller appointed me as his canonical consultant.  
(Attachment #1)

**I. Biographical Information**

Father Miller was born in Chicago on [REDACTED]. He is the eldest of two siblings, a brother and a sister. His parents are deceased.

After attending two Catholic elementary schools, Father Miller entered the Archdiocesan Preparatory Seminary (High School) in the hope of becoming a priest. He excelled academically and was involved in many ex-curricular activities including theatre and voice. He graduated to the college seminary and then entered the school of theology. Father continued to perform well in his course work and took on various leadership roles. He also taught religion to high school students.

Father was ordained a Deacon on May 2, 1971 and was assigned to St. Colette Parish for his internship. He honed his preaching skills, coordinated Sunday liturgies, helped prepare families for baptism and assisted in the religious education program. He also assisted couples who were preparing for marriage and took information about possible annulment cases. His supervisor submitted a very positive report to the seminary rector. Father was ordained a priest on May 10, 1972.

He was first assigned as an associate pastor of St. Leonard's Parish. Besides the normal duties, he taught religious education and coached the school's basketball teams. He started a sports day camp for middle school students and

he organized sports teams for girls . Father left St. Leonard's in 1978 and was assigned to St. John Bosco Parish where he remained until 1983. Father was then assigned to Queen of the Rosary Parish where he served as an associate pastor for five years. As he had done in the former parishes, Father assisted in the RCIA program and the religious education program. In this parish he also was the Director of Liturgy and was in charge of the liturgical music. Father also served as a supervisor for participants in the Archdiocesan Lay Ministry Training program.

In 1988 Father Miller was assigned to St. Pascal Parish. He only served as an associate pastor for one year because the Cardinal then appointed him pastor of that parish. Father used his many pastoral and administrative skills to improve the life of the parish. He developed the staff and instituted regular meetings with them and with the finance council. He inaugurated two long-range planning processes to ensure the vitality of the parish. He successfully led the effort to make the parish a stewardship parish. He also conducted two capital campaigns, the first for improvements in the school and the second for repairs in the church. Father introduced lay pastoral ministers by hiring women for pastoral positions. He was selected to mentor two newly ordained priests who were assigned as associate pastors of the parish.

After twelve years at St. Pascal's, Father Miller was appointed pastor of St. Bernadette Parish in 2001. He needed to use his extensive leadership skills because the parish staff was in disarray. After appointing new people to pastoral positions, he was able to address the question of whether the parish should build a gymnasium. Working closely with the parishioners, Father accepted the consensus that it was not the right time for such an addition. The parish school needed Father's attention because of declining enrollment. He spearheaded new plans to give students laptop computers and to revise the curriculum by adopting a revolutionary academic model based on multi-aged classes and inquiry-based education. Father also conducted two planning processes to ensure the future strength of the parish.

Due to the allegation, Father tendered his resignation as pastor of St. Bernadette in September 2012.

## **II. The Allegation**

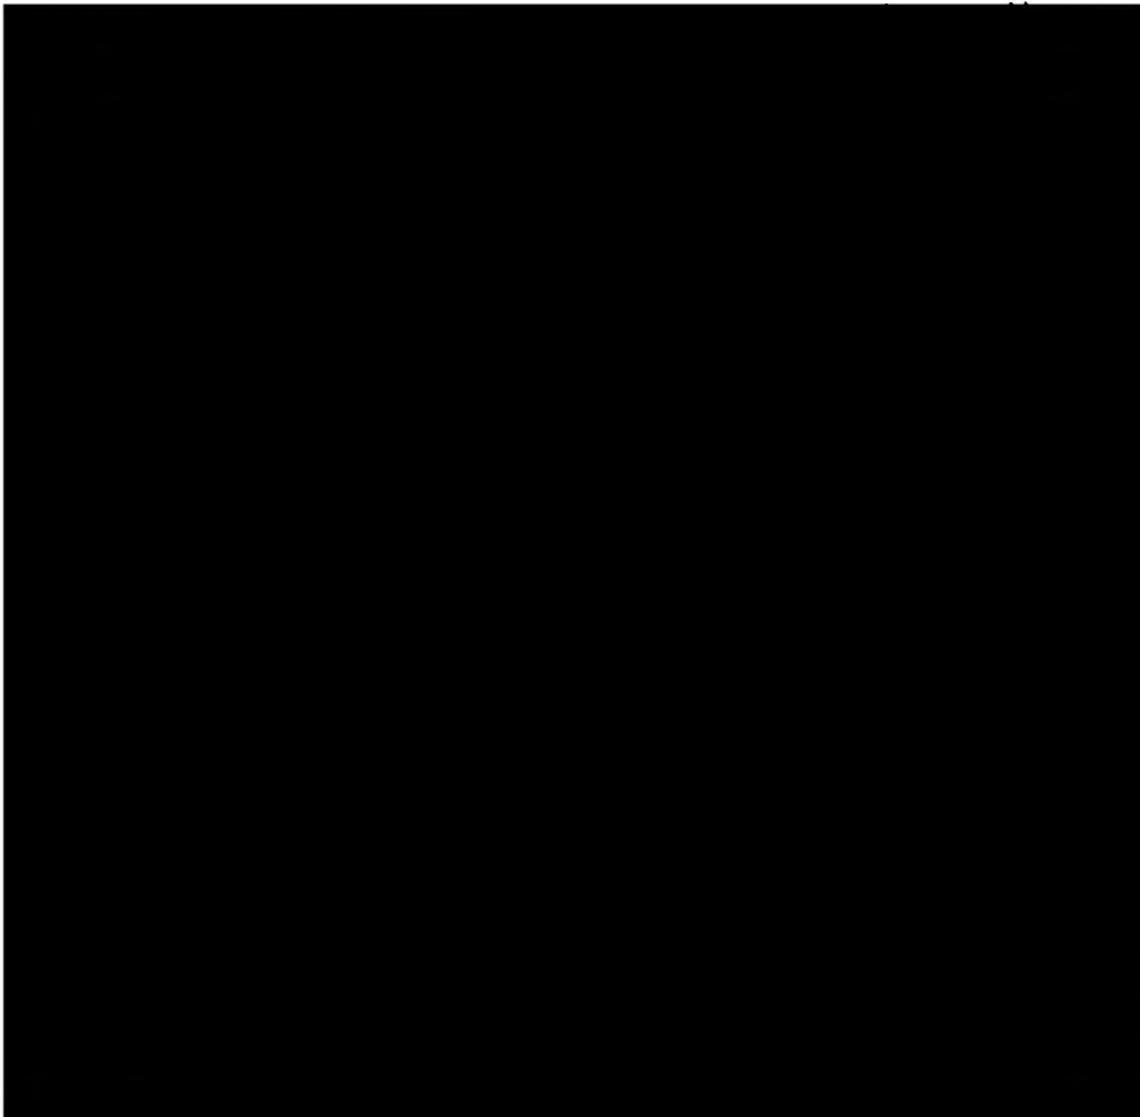

██████████ has accused Father Miller of sexually abusing him on one occasion when Father was assigned to St. Leonard Parish. While the report of the allegation does not date the incident, ██████████ said it occurred when he was

an altar server. Judging from [REDACTED]'s birth date, this would be about 1973 or 1974.

**III. Response to the Allegation**

For reasons that will be explained below, Father Miller does not wish to contest the allegation.

**IV. [REDACTED]**

**V. Current Medical Issues**

Father Miller is now 66 years old and is not able to function at the level that he did in the past. He experiences decreased energy and needs to closely monitor his health. He had planned to step down from the office of pastor next year, at the end of his term.

**VI. Expressions of Support**

Father William Curran, a priest of the Archdiocese, has been a close friend of Father Miller's since their seminary days. Father Miller also wrote a letter to the Cardinal urging His Eminence to allow Father to remain a priest because the celebration of the Eucharist is very important to him. (Attachment #4)

**VII. Life of Prayer and Penance**

Father accepts his removal from active ministry [redacted] [redacted] He draws consolation and peace from the daily celebration of the Eucharist and the recitation of the Divine Office.

Father Miller earnestly requests that he been allowed to remain a cleric and to continue a life of pray and penance until he dies. He understands that he will probably be put on a safety plan and will be under supervision.

**VIII. Canonical Penal Process**

Father Miller understands the canonical processes that could be used to resolve this case. He sincerely hopes that the case will be returned to the Archbishop for the administrative penal process found in canon 1720.

Your Eminence:

I have known Father Gary Miller for 40 plus years. We attended Quigley together and went onto St. Mary of the Lake at Niles and then to Mundelein. I was assigned to St. Leonard Parish in Berwyn as my first assignment. After his ordination in 1972, he joined us at St. Leonard Parish. They were a wonderful couple of years during which our friendship grew. When I left St. Leonard Parish for my next assignment we managed to continue our friendship and support for one another. During that time we were able to schedule our vacation time together for over 18 years and we were able to tour the country and see many wonderful sights

Gary is a man of prayer and finds great solace and strength in celebrating the Eucharist. I urge you, Your Eminence, to allow him to remain a priest and to live a life of prayer and penance.

Sincerely yours in prayer,

Rev. William J. Curran

**SHAWNTE JENKINS:** This is Shawnte Jenkins and I am here today, December 5, with Father Gary Miller. Um, and I am Shawnte Jenkins, S-H-A-W-N-T-E, Jenkins, J-E-N-K-I-N-S. And Father Miller, do you know you're being recorded today?

**FATHER GARY MILLER:** Yes, I do.

**SHAWNTE JENKINS:** And can you please spell your name, sir?

**FATHER GARY MILLER:** My name is Gary, G-A-R-Y, last name is Miller, M-I-L-L-E-R.

**SHAWNTE JENKINS:** Okay. Um, we're going to start today just talking – we're going to start um with a couple of background questions just to try to get interested in your life from the very beginning all the way up until today. Um so if you could just tell me um a little bit about your childhood, like were you raised Catholic?

**FATHER GARY MILLER:** I was raised Catholic. I was born [REDACTED] on the north side of Chicago at the old St. Joseph's hospital. I was the first child of my dad [REDACTED], who went by the nickname [REDACTED] and his wife of seven years at that point [REDACTED].

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Whose maiden name was [REDACTED]. Mom and Dad were married in 1939, tried to have children earlier but they were not successful. Then Dad was drafted into the military in World War II, was captured in the Battle of the Bulge and...

**SHAWNTE JENKINS:** Oh wow.

**FATHER GARY MILLER:** Um, uh was imprisoned in Germany for about three months when he was released and then was [PH] blustered out of the service in August or September, October, something like that, of 1945 out of Milwaukee, Wisconsin.

**SHAWNTE JENKINS:** And you said you're the oldest of how many?

**FATHER GARY MILLER:** I'm the oldest of three.

**SHAWNTE JENKINS:** Of three, okay.

**FATHER GARY MILLER:** My brother came along in [REDACTED] and my sister came along two years later in [REDACTED].

**SHAWNTE JENKINS:** Okay, and what are their names?

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** And do they have any children?

**FATHER GARY MILLER:** Yes, my, my brother has three children. [REDACTED]

**SHAWNTE JENKINS:** Okay, and how old are her children?

**FATHER GARY MILLER:** Her children, [REDACTED]

**SHAWNTE JENKINS:** And how about [REDACTED], does he have any children?

**FATHER GARY MILLER:** [REDACTED] is not married, no children.

**SHAWNTE JENKINS:** And uh [REDACTED] any children?

**FATHER GARY MILLER:** No, no, they – she was just married. I know that's not the standard in today's society but...

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** So far they've been – they followed that part anyway.

**SHAWNTE JENKINS:** All right, and...

**FATHER GARY MILLER:** My sister [REDACTED]

**SHAWNTE JENKINS:** Oh, they also have a [REDACTED]?

**FATHER GARY MILLER:** They also have a [REDACTED], yes, yes.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** How often do you see these children, your siblings' grandchildren?

**FATHER GARY MILLER:** Those are my siblings' grandchildren.

**SHAWNTE JENKINS:** Uh-huh (affirmative). How often do you see them?

**FATHER GARY MILLER:** Uh well, I saw them all at Thanksgiving and um I don't think I'll see my sister's grandchildren at Christmas. Uh I'll be seeing my brother's two grandchildren because I think we're getting together for Christmas at his place.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** On the Sunday before.

**SHAWNTE JENKINS:** Where did you go to grade school?

**FATHER GARY MILLER:** I went to grade school two places. Well three actually if you consider I went to um [PH] Manier Public School for Kindergarten. I flunked out because of actually I came down with Whooping Cough so they um didn't have me come back to the second semester. Then I went to Immaculate Conception Grade School on North Park Avenue for grades 1-5. That's where I received First Eucharist and where I was Confirmed. And I went to St. [INDISCERNIBLE] School on the northwest side of Chicago.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** From which I was – graduated from there in 1960. I went to [PH] Woodley for, for, four years, up to Niles College for two and then to, to Mundelein for six years.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** I was ordained in 1972.

**SHAWNTE JENKINS:** Okay. And how did you decide to enter the Priesthood?

**FATHER GARY MILLER:** Oh, it's from – it started with serving Mass. I was first – I thought that was kind of neat and that was kind of the motivation throughout, uh, the opportunity to celebrate Mass, to be of service to God's people. As I went through Seminary, I became more greatly aware of the various opportunities, ramifications of, of the call. But it started in fourth grade and was somewhat of a rather persistent dream throughout the rest of my life.

**SHAWNTE JENKINS:** Okay. Uh and when did you complete your education?

**FATHER GARY MILLER:** 1972 is when I completed my formal education.

**SHAWNTE JENKINS:** What are your degrees in?

**FATHER GARY MILLER:** I have a Masters – I have a Bachelors in Philosophy and uh, and a Masters of Divinity.

**SHAWNTE JENKINS:** In your work, what would say is the most fulfilling?

**FATHER GARY MILLER:** I'd have to say most fulfilling has been the sacramental work, the celebration of Mass with the community. Uh helping young people to have the opportunity to encounter God and give them the opportunity to grow in grace through confessions has been a real joy in many ways. Uh, and a real spiritual enlightenment for me as, as, as I've sat there listening to peoples' confessions and I'm thinking to myself they're confessing to me and yet I'm fully aware of my own sinfulness, especially as I hear other people confess and say yeah I've done that, yeah I've done that, yeah I've done that. So I – uh all of this has caused me to thank God for the grace of the sacrament, to the ability to be forgiven and the power He has given me to bring His forgiveness into other peoples' lives, visiting the sick and the anointing, especially at the times of serious illness and being with families at the times of death, as well as times of joy – Baptisms and Marriages. So sacramental work has always been most fulfilling.

The other thing I I've enjoyed has been adult education formation opportunities. Um I used to enjoy working with kids, whether it be through sports programs, whether – I never really enjoyed formal teaching in a classroom.

**SHAWNTE JENKINS:** Did you like coach or what did you do?

**FATHER GARY MILLER:** Yeah I was a – I coached basketball and ran a uh – once the tackle football program was ended I ran a touch football program for, for the, for the kids um, softball.

**SHAWNTE JENKINS:** And where was that at?

**FATHER GARY MILLER:** At St. Leonard's

**SHAWNTE JENKINS:** St. Leonard's, okay.

**FATHER GARY MILLER:** That's when I was young.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And energetic and it didn't take me three days to recuperate from something. Um, but I – I enjoyed doing that uh.

**SHAWNTE JENKINS:** Did you do any other kind of work during your years in ministry, like outside of...?

**FATHER GARY MILLER:** No, no, no. I was a full time – I was full time Priest and put in long days and sometimes long nights.

**SHAWNTE JENKINS:** Okay. Can you tell me about a typical day now in your life?

**FATHER GARY MILLER:** A typical day now in my life? Well, in the morning I have not been as punctual as I was when I was in the Parish – or at least I have found that I needed more sleep. When all of this came down back in June, I was very tired. Uh last year was a really tough year in ministry.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Um...

**SHAWNTE JENKINS:** Why was it?

**FATHER GARY MILLER:** There was a lot going on with the status of the school. St. Bernadette's was a Parish that was diminishing in demographics for the Catholic population and it was having a tremendous – it had had a tremendous impact on the school. There was just a lot of stress and all the studies and the words that I saw I did not see much of a future for the school. So there was just a lot of stress with that all year long. Our population was minimal. We had not been able to make it financially on our own for years.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh so that's – it was just a very stressful year, my mother's death last November, which we had been expecting [REDACTED] So all that had been an ongoing stress and tension and um – and then in the process too my Senior Liturgical Assistant, Father Joe [PH] Sites was diagnosed with [REDACTED] just about a year ago in December and that effectively ended his liturgical involvement in the Parish which left me as being the only Priest to do most of the Masses and most of the other sacramental stuff all by myself.

**SHAWNTE JENKINS:** Oh wow.

**FATHER GARY MILLER:** There was just – again, that's the mail person. Um so the stress um that that – so I'm just exhausted.

**SHAWNTE JENKINS:** Yeah.

**FATHER GARY MILLER:** Totally wiped out and in many ways, when all this came down with the allegation um and being asked to, to leave the Parish in many ways I found it a blessing.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Because I did not know how I was going to make it through this year and I'd already decided that this year would have been my 12<sup>th</sup> year as Pastor of St. Bernadette's and at the end of this year I was not going to resume, I was not going to ask for an extension.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** As Pastor, that I just wanted to end it, move off to a Parish, work as an Associate Pastor doing primarily sacramental work and maybe some adult ed and visiting hospitals for the last three years of my ministry and then retire at the age of 70. That was my plan because I – and I even at this point um – [REDACTED] – I still don't feel like I've fully recuperated from the stress and the tiredness of, of the past year. I was just really exhausted, just really exhausted. So my – this is a long story of why I don't get up functionally in the morning.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** At a, you know, in a bright hour of the morning.

**SHAWNTE JENKINS:** So you were telling me about your day. So now that's why you don't get up very early?

**FATHER GARY MILLER:** So I don't – yeah, somewhere maybe around 7:00-7:30 uh normally. And then when I get up I say my prayers and have breakfast and I have a – I have the same breakfast every morning for my health situation. I have a – I don't know if you want to go into this detail – I have a bowl of oatmeal with a quarter cup of blueberries and um a slice of whole wheat toast with um uh a little bit of butter spread and um sugar free jelly and a banana and four ounces of orange juice and then I – two cups of coffee that I'm permitted by doctors to have and then an apple. Uh that's my breakfast and usually in the morning I try to take care of whatever, I call it business or work that I need to do, whether it's getting on the computer and responding to emails or just kind of searching out different – for example, this morning I went to the um to the website for my pharmaceuticals because it's that time of the year when I'm starting to get the the medicines in for the next round and I know that something was being sent I'll UPS and see when it was going to be arriving, supposed to arrive so I just track that. If it's cleaning the apartment or doing the shopping for food or doing laundry, I usually try to take care of what I call my work stuff in the mornings.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um so then I'm home here by 11:00-11:30, 12:00, something like that. I try to do a little bit of spiritual reading at that point. I have lunch some – I start lunch around 12:30 and I'm usually finished with that somewhere around 1:00 including doing the dishes and, and then I really do my exercises. I do um – in the afternoon I do 30 minutes on the treadmill and about ten minutes of this hand weight thing.

**SHAWNTE JENKINS:** Do you do that here?

**FATHER GARY MILLER:** I do that here. I have a treadmill in my bedroom.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** [REDACTED]

[REDACTED] So I do the 30 minutes on the treadmill, the warm up and cool down and a little bit of weightlifting and then I engage in a little, do some reading um. Right now sometimes it's books according to my vocation, history, politics, uh, uh and combined with a little bit of spirituality type reading. Right now I'm reading Team of Rivals by Doris Kearns Goodwin.

**SHAWNTE JENKINS:** Oh yeah?

**FATHER GARY MILLER:** Which I'm finding interesting because that's in preparation in watching, seeing *Lincoln*, the movie basis by Spielberg.

**SHAWNTE JENKINS:** Oh, I've seen that.

**FATHER GARY MILLER:** You've seen it?

**SHAWNTE JENKINS:** I haven't seen the movie. I've seen the previews.

**FATHER GARY MILLER:** Yeah, yeah, so have I. I'm waiting for it to come out on DVD.

**SHAWNTE JENKINS:** Oh.

**FATHER GARY MILLER:** And uh – and then usually somewhere in the midst of that reading – which is about four hours that I do in the afternoon - a little nap will just sneak its way in. Uh then I generally celebrate Mass starting somewhere around 4:30 and then I spend about – after Mass I spend about another half hour, forty minutes in prayer. And um then have dinner and then after, after dinner, after I do the dishes, I will um...

**SHAWNTE JENKINS:** Do you eat out a lot or do you normally eat here?

**FATHER GARY MILLER:** No, I generally eat here.

**SHAWNTE JENKINS:** And you fix your own meals?

**FATHER GARY MILLER:** I fix my own meals. I shop, um I shop, I cook.

**SHAWNTE JENKINS:** Are you a good cook?

**FATHER GARY MILLER:** I am, yeah. It's not tough cooking. It's simple cooking but I've been doing it for 16-17 years and um I do the dishes and uh I even do windows now.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And um – and then after dinner I'll do the other 30 minutes on the treadmill and um and after that I'll generally spend a – if there's some other emails I need to catch up with that have come in during the course of the day I'll give the computer another check and see. [Cough] pardon me, and I'll watch a little TV and then I'm generally in bed – try to be in bed somewhere around 10:00.

**SHAWNTE JENKINS:** What kind of programs do you like to watch on TV?

**FATHER GARY MILLER:** Oh, again I like history programs or things – if there's something interesting on PBS. I'm not big into animals or wild but historical stuff. I love NCIS.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Uh, some sports although I'm not – I tend to be a just surfer to see if there's something more interesting on and if something really catches my attention then I'll watch it. But it's primarily historical programs or things about historical people, leadership. NCIS I have followed. I used to love Angela Lansbury. So it's more the intellectual sort of mysteries. I don't like a lot of gore, violence.

**SHAWNTE JENKINS:** Do you have cable?

**FATHER GARY MILLER:** I do.

**SHAWNTE JENKINS:** Stations?

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** Do you have like HBO, Showtime, any of those stations?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** No? Okay.

**FATHER GARY MILLER:** No, those are too expensive and uh I can only watch one channel at a time anyway and I've got more than enough an assortment of channels I like to watch spread over their different programs.

**SHAWNTE JENKINS:** Oh okay.

**FATHER GARY MILLER:** So I like um – not that at any of that stuff you ever have to pay extra for.

**SHAWNTE JENKINS:** Yeah. How do your weekends look different than your weekdays?

**FATHER GARY MILLER:** Not very, not very much different. Um the weekends are pretty much the same, unlike what they used to be. Um but uh the weekends are pretty much the same. Saturday and Sunday I tend to follow the same schedule pretty much each day.

**SHAWNTE JENKINS:** Okay. Are you currently involved in any work or volunteerism?

**FATHER GARY MILLER:** No, not at the present time.

**SHAWNTE JENKINS:** Is there anything you know you'd like to do, volunteering or work you'd like to do?

**FATHER GARY MILLER:** [REDACTED]

[REDACTED] I haven't really highlighted onto anything as yet. Um it's um and I'm not sure what the future life is going to be bringing to me so I – I've thought of some some different things, possibly at the library which is right just two blocks from here. Um I thought of perhaps a, um some of the past places or um I'm not sure if I want to do a soup kitchen but that could be somewhere down the road. But I haven't really given a lot of thought, concrete thought to it because I'm not sure. I'm kinda seeing how things settle out.

**SHAWNTE JENKINS:** Sure.

**FATHER GARY MILLER:** In, in the meantime, I, I there have been some things I've had on my docket for a number of years; I just have not really gotten to. I had a bunch of video tapes that were from myself and the trips that I've taken and um, uh from my mother and I wanted to get them from video tape to DVD. Someone had finished some family films as well. So I've somewhat finished the transferring of that from video tape to DVDs. I'm just making a copy – I want to make copies now for my brother and sister of the family films. It's a little Christmas gift.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Just to enhance – and then um, um there are some things that I, still some tapes that I have that I want to transfer to cassettes to, to – cassettes that I have that I want to transfer to CDs um I've just got a few of those. I've done a whole bunch of them in the past and uh there's just a few more that I've gotten that I want to get done. And uh, then I have photographs. I have some photographs from my mother that goes back to her childhood and...

**SHAWNTE JENKINS:** Do you take pictures yourself?

**FATHER GARY MILLER:** I take – I haven't really taken a lot of pictures lately. Uh, I've got a digital camera and I just took a couple of pictures from my sister's place for Thanksgiving. Uh that was um – I was taking a number of pictures at St. Bernadettes, more for the historical record there then I was for personal interest. Um and I've got those – I left those pictures there on disk but I've got them on on flash drives and whatever as well as on computer drives. But um...

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Um okay. We um typically we'll have you see somebody. We have some – we have someone who um has seen a lot of our men in the program. Um I'm not sure – we'll kind of figure out where you are with him but part of this is uh that we use people who are um part of what we call – it's call the SOMB, the Sex Offender Management Board, which is approved by the Illinois state's attorney as people who can

provide sex offender specific treatment. And so he may fall in that category or he may not. It doesn't mean that we won't still use him, but you may be asked to see someone else too. How would you feel about that?

**FATHER GARY MILLER:** I think it would be okay.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yeah, really you said you had reviewed my file or my case. Did you see the part of the file prepared by [INDISCERNIBLE]?

**SHAWNTE JENKINS:** I did.

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** ... your status. I did. I'd seen that.

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Can you tell me about times when you do encounter children in your life now? Like I know you said over Thanksgiving um, tell me about most of your encounters with children.

**FATHER GARY MILLER:** Other than there are some kids who live around here. I mean, there's some kids in the apartment right next door, there are kids who live across the street and you know these are two different complexes. [REDACTED]  
[REDACTED] They're two different establishments. Um, sure there are kids around but I don't have any encounters with them. Um and even when I was in the Parish uh my – where I'd see the kids, they were servers, if I'd go over to the school they were there, if I went on a religious Sunday they were there um but my, my – oh I don't want to use words wrongly – but my involvement with, with um kids'

activities had become greatly diminished other than those that I was expected to be on for.

**SHAWNTE JENKINS:** Okay. So as you live your life now, what children do you expect to have contact with?

**FATHER GARY MILLER:** Basically I would have to say my nieces and my great nieces and nephew at most.

**SHAWNTE JENKINS:** Okay, no other family members, friends with children, grandkids?

**FATHER GARY MILLER:** Um no, not on any sort of a regular basis. Um it would be the exception but...

**SHAWNTE JENKINS:** Can you think of any kids that would – that you would ever, aside from them?

**FATHER GARY MILLER:** If I, if I got together with – if I got together with some families that I've known in the past where their parents are my peers and their children who are now...

**SHAWNTE JENKINS:** Adults.

**FATHER GARY MILLER:** 40 year old adults and have their own families, if they were present there because they have kids.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** But I haven't seen them, any of them – the adult friends but the kids I haven't seen in years.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** So it would really be the exception.

**SHAWNTE JENKINS:** Do you know – what – do you – what is your understanding of your restriction around kids now?

**FATHER GARY MILLER:** Not to have any interaction with them.

**SHAWNTE JENKINS:** What does – and what does that mean specifically to you?

**FATHER GARY MILLER:** To me it means other than being polite like saying hello, just kind of keep passing on through.

**SHAWNTE JENKINS:** Keeping passing on. So can you tell me about...

**FATHER GARY MILLER:** So if I run into kids outside here and they're playing, not to stop and watch them play or to try to engage them in any conversation or anything like that other than hi, how are you doing or that sort of thing.

**SHAWNTE JENKINS:** How about the kids that are your great nieces and nephews, like when you're at Thanksgiving? What is your understanding about what your boundaries are with those kids?

**FATHER GARY MILLER:** Um, well I – I barely know them.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** I barely know them and so I'm – they are strangers to me and I'm a stranger to them. Uh, the the grand nieces, my sister's grandchildren um – because there were so few in number on Thanksgiving day – yeah, they started to warm up as the afternoon wore on, so we were talking, conversing but...

**SHAWNTE JENKINS:** So no one's ever told you not to be in a home with children or not to uh be alone in a room with children?

**FATHER GARY MILLER:** Well yeah, I mean, that's what I was advised by the Vicars for Priests who were speaking also for the Vicar General and whoever else they were speaking for. Yeah, not to be alone with them, hands off, duh-duh-duh-duh-duh.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And then that's – I have no problems with that.

**SHAWNTE JENKINS:** Okay, so for Thanksgiving or those kind of encounters, did the parents of those children know what you were removed for ministry for?

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** Or do they?

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** And how – and what have they said to you about it?

**FATHER GARY MILLER:** Nothing.

**SHAWNTE JENKINS:** Nothing? So they have not – do their children know?

**FATHER GARY MILLER:** I don't think so.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** I don't think so.

**SHAWNTE JENKINS:** Okay. The good thing is your protocol will make very clear with you – because you're not like, it sounds like it's kind of just advised you do. So you will be very clear on you specifically what contact with kids you have and what kind you can't so hopefully we can make that more clear to you um so you would – don't have to kind of just kind of guesstimate what may be okay and what's not okay. Um, so is it – do you find it awkward for you when you do encounter children, like you don't know what's okay to say, what's not okay to say? And if that is the case, how do children respond to you when once maybe you could give them a hug and now you can't? Have you had a child ask you well what's going on?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** No, okay.

**FATHER GARY MILLER:** No. Um say even with my grandnieces and nephew, my encounters with them have been so few in the last 10-11 years and I haven't seen a lot of them and um so there hasn't been any sort of a development of a relationship of any way shape or form.

**SHAWNTE JENKINS:** And you don't have any adopted children, any Godchildren, do you?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** No, no. And um, um, and so there hasn't been a situation where I was hugging them and now I'm not hugging them.

**SHAWNTE JENKINS:** Okay. Has that been the situation with any children?

**FATHER GARY MILLER:** And that's really pretty much the situation with any children.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um, um.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And I, I – so it's been um – I don't know, just a part of it was a whole growing awareness from the Protecting God's Children program that I – what I might have once done, I could no longer do.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Or had to be very conscious of doing it. So if I was touching a child I had to be very conscious of doing it and certainly nothing that would be, could be interpreted as sexual in nature or trying to violate or invade or anything like that.

**SHAWNTE JENKINS:** Absolutely.

**FATHER GARY MILLER:** So I was very conscious of that in the position that I had as a Pastor of the Parish to set a good example.

**SHAWNTE JENKINS:** Okay. Um where do you go to church?

**FATHER GARY MILLER:** I've been celebrating Mass here in my apartment.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** When I – when I, um, um, when I first moved in here I was going to a, to a Parish, which is okay, it's all right. I would rather...

**SHAWNTE JENKINS:** What Parish was that that you were going to?

**FATHER GARY MILLER:** Pardon?

**SHAWNTE JENKINS:** You said you used to go to a Parish?

**FATHER GARY MILLER:** I was when I first move in here.

**SHAWNTE JENKINS:** What's it called?

**FATHER GARY MILLER:** It was St. Patricias in Free Hills. And it was okay. The music was fairly decent and uh the ministers were fairly good. Uh I know both of the – I know both the Pastor and then the Associate. They didn't know that I was there. Uh and um uh the Associate I've known for for for years. He was the – he's the class ahead of me in the Seminary. And I found out the homily's all right but um nothing that that really attracted me back. And um, and then after the Cardinal called me earlier on in the process and he encouraged me to celebrate Mass here in my apartment. I already meant that but weekends are not um – with his encouragement I began to do that and um I have found it to be more prayerful than what I was encountering in the parishes.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Unfortunately as I was sitting there, when I was – when I was on the road in July.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** In kind of forced exile with no place to go uh I um, I went to Mass in a couple of parishes when I was out there in Michigan for those two weekends. And then when I was in a hotel Bowling Brook for about two and a half weeks and I went to one of the parishes out there in Bowling Brook and I, and I found that to be a pretty good environment um and I enjoyed it so much but I'm not in Bowling Brook.

**SHAWNTE JENKINS:** Yeah.

**FATHER GARY MILLER:** Even there I didn't get a chance to see the Pastor but I knew the Pastor. He had done a class with me, of mine in the Seminary. But he was out with some health issues.

**SHAWNTE JENKINS:** Oh, okay.

**FATHER GARY MILLER:** On that particular, that particular time, and I don't know if I would have gone up to Herbie and said hi or anything like that um.

**SHAWNTE JENKINS:** Are you resistant to do that because of your status?

**FATHER GARY MILLER:** Yeah.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yeah, I just don't want to do a lot of explanation.

**SHAWNTE JENKINS:** Okay. Who do you socialize with now?

**FATHER GARY MILLER:** I've been socializing with – some of the people that I've socialized in the past. And I was never; I never really socialized a lot even when I was in the Parish.

**SHAWNTE JENKINS:** Who were some of those people from the past?

**FATHER GARY MILLER:** Well there's, there's uh, there's a person from when I was in – from when I was in Queen of the Rosary Parish that uh, that I get together with uh occasionally.

**SHAWNTE JENKINS:** And what's their name?

**FATHER GARY MILLER:** Her name is [REDACTED] We –

**SHAWNTE JENKINS:** I'm sorry; can you spell that last name one more time?

**FATHER GARY MILLER:** Sure, [REDACTED] We um talk a lot via email. We speak on the phone uh maybe once every two weeks or so.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh there's a uh uh a [REDACTED] [REDACTED] She's from St. Pascals Parish and again we converse via email and um we've gotten together for dinner a few times, along with her male friend. That's been a development in the last year, year and a half um.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And um [REDACTED] has never been married. This relationship, which seems to be good for her, has developed in the last year, year and a half and she seems to find it enjoyable and so does he.

**SHAWNTE JENKINS:** Oh good.

**FATHER GARY MILLER:** Another fellow from uh – fellow from St. Pascals by the name of [REDACTED] and we tend to talk on the phone every three, four weeks and he's the one who's talking about going out for dinner tomorrow night.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um and then um some people from – those would be – um and then some uh some parishioners from St. Bernadettes, since I've been there most recently.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** But even that's very few that I've been in contact with via email and a little bit on the phone and I did dinner with him a couple different times.

**SHAWNTE JENKINS:** Who would you say you talk to the most?

**FATHER GARY MILLER:** Probably it's via – in all means, it would probably be [REDACTED] [REDACTED].

**SHAWNTE JENKINS:** Do you have a best friend?

**FATHER GARY MILLER:** Do I have a best friend? At this point I would have to say no. My best friend, person I would consider a best friend, just died.

**SHAWNTE JENKINS:** Okay, and who was that?

**FATHER GARY MILLER:** It was Father Bill [PH] Curran. We started off, we had been associates together at St. Leonard's and then after uh, after Bill left the Parish uh we began travelling together during the summers on vacation. We did that for 10-12 years, something like that. Um and then we kind of went our, our separate ways um and um always seemed to be able to pick up from exactly where we left off the last time we had seen each other or conversed with each other.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** We just got caught up in our own respective parishes; it's one of the things that happened. Um then this past summer Bill – when Bill left – Bill went back to St. Leonard's as Pastor, left there in 2003 and in 2004 I took him in as an Associate at Bernadette's for about three years and then he'd gone to Tinley Park and just this past summer

he died.

**SHAWNTE JENKINS:** Oh wow.

**FATHER GARY MILLER:** So Bill was probably my closest friend. A second close friend would be a fellow by the name of [REDACTED] used to teach at St. Pascals. He was our Renaissance man in the junior high department. [REDACTED] is also a permanent Deacon of the Archdiocese and we travelled together for a number of summers.

**SHAWNTE JENKINS:** Do you still have – are you still in contact with him?

**FATHER GARY MILLER:** Still somewhat in contact. [REDACTED] has had his own health issues and he's now retired. He's had his own health issues a number of years ago. Um [REDACTED] and his brother owned an apartment building on the northwest side of Chicago. [REDACTED] lived on the second floor, rented out the first floor and um he was being poisoned, carbon monoxide poisoned from a faulty furnace in his apartment building. He didn't realize it. And that has – came back and has impacted his health greatly.

**SHAWNTE JENKINS:** Wow.

**FATHER GARY MILLER:** And then in the last few years it's – and [REDACTED]'s not big on the on the computer – [REDACTED] was never big on the computer – which limits our communications. And uh, and because he's northwest and I'm southwest it's a long distance to, to travel um.

**SHAWNTE JENKINS:** Is there anyone else that you spend a lot of time with?

**FATHER GARY MILLER:** Uh no, that's probably the um sum substance of my relationships. But I've been going out more than I, when I was in the Parish. I've been going out to eat, socializing with with these folks um.

**SHAWNTE JENKINS:** Do any of these families you socialize with have children or grandchildren?

**FATHER GARY MILLER:** [REDACTED] does.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** That's it.

**SHAWNTE JENKINS:** Okay. And are they ever at her house when you're there?

**FATHER GARY MILLER:** They haven't been for years. Uh, and usually um...

**SHAWNTE JENKINS:** She has children or grandchildren?

**FATHER GARY MILLER:** Grandchildren.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yeah, [REDACTED]'s a year younger than I am.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Her kids are all grown up.

**SHAWNTE JENKINS:** All right. And is [REDACTED] aware of your situation?

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** Okay. Tell me about the time you spend with your own family.

**FATHER GARY MILLER:** It's increased in the last year. Again, they were so caught up in their lives, I was so caught up in in the Parish when um and the activities in the Parish and as the finances got worse and things diminished I was taking on more and more responsibilities as well as my Business Manager um just to try to make ends meet and get things done. But I – and since I developed health problems in 2004 – major, one of the major times in my life, major transition times in my life um – and after that is when I really, after I went through those health problems and took care of the medical side of it, is when my my life became even more disciplined than it had been in terms of order.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Doing things in a certain way and at certain times and maintaining decent hours so I would give myself as much of an advantage to get as much sleep as I could at night.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Or in bed at least even if I – because I wake up two or three times usually in the course of a night and I don't always fall back to sleep right away.

**SHAWNTE JENKINS:** Can you tell me what your hobbies are?

**FATHER GARY MILLER:** My hobbies are primarily in terms of doing this kind of stuff with the DVDs and um – or as I say, getting to photographs, I want to make digital, I want to digitize everything so I get rid of the paper and get it down to pass it on. I'm going to die at some point and I'm not sure if my nephew and nieces would want to have all this paper because – so I want to digitize it. This way I can share it more easily with my brother and sister as well and um, and as they seem to be engaging in some of the same processes, so some – we'll see how it goes. But those are – and I try to learn things on the computer, about the computer. One of the things that I want to spend some time learning is PowerPoint, which I never managed to do.

**SHAWNTE JENKINS:** Oh okay.

**FATHER GARY MILLER:** What, do I need it? No.

**SHAWNTE JENKINS:** Interesting.

**FATHER GARY MILLER:** I'd just like – it's just one of those things that's been on my list to do for ten years.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh and it just never seemed to really have the time or the energy to invest in really learning it. And I didn't need to learn it. If I needed to learn it then I would have.

**SHAWNTE JENKINS:** Yeah, it would have made a difference.

**FATHER GARY MILLER:** But I – and – but I had somebody else that could put together a PowerPoint program for me so why should I spend the time learning to do it when somebody else would do it for me? Um, but now I have the time.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** To learn how to do it. So those are – those are kind of the the hobbies that I have. The other thing I have to say is is the exercises that I do, it's a good stress reliever and besides being a health maintainer and allowing me to do my walking, to keep walking around because otherwise, part of my health thing is the [REDACTED] and as long as I keep moving I'll be all right. If I quit moving then they tell me I'll lose my ability to walk.

**SHAWNTE JENKINS:** Oh wow.

**FATHER GARY MILLER:** Because I was losing it. I mean, I can walk. I used to be able to walk a half a block and then I'd have to stop because of the pain um.

**SHAWNTE JENKINS:** So walking, exercising you started to enjoy again?

**FATHER GARY MILLER:** Yeah, Uh-huh (affirmative).

**SHAWNTE JENKINS:** Can you tell me about vacations you've gone on in the last twelve months, where and who you went with?

**FATHER GARY MILLER:** Oh, you heard about my vacation in the last twelve months?

**SHAWNTE JENKINS:** Yeah, that vacation, the [INDISCERNIBLE].

**FATHER GARY MILLER:** I went in July.

**SHAWNTE JENKINS:** Is that the only one you went on?

**FATHER GARY MILLER:** It was the only one I was on and I was – I had my, my, my, my, my Holy Trinity – me, myself and I.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yeah, no I haven't really vacationed since – or gone on a trip since um 2000 and that's when I went, just a quick trip to um the Harry Truman Library, Herbert Hoover Library and I was gone a whole...

**SHAWNTE JENKINS:** And where is that at?

**FATHER GARY MILLER:** The, the uh Hoover Library's in Iowa.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um and the Truman Library is in Independence, Missouri.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And it was – I, I, I was gone a whole two and a half days. It wasn't really a long trip.

**SHAWNTE JENKINS:** So you're not a going to the Caribbean, take cruises kind of person?

**FATHER GARY MILLER:** No. No, I used to travel. I used to camp um and that's what Bill and I did. And uh I've been in all 48 continuous states and a number of provinces of Canada. Uh we'd take three week camping trips and just travel, tour and I used to take kids on these trips which now I know isn't a smart thing but it's not...

**SHAWNTE JENKINS:** You used to take kids from the Parish on these trips?

**FATHER GARY MILLER:** Yeah, yeah. It wasn't prohibited at that time and then Bill would take kids from his Parish, I would take kids from my Parish and we would camp. We went through tents, we went through pop-up campers.

**SHAWNTE JENKINS:** This is Bill Curran?

**FATHER GARY MILLER:** Bill Curran, yeah. And then eventually I went to a hard-sided travel trailer and that's when I started traveling with [REDACTED] who was a Deacon and yeah [REDACTED] and I did that until through 1999 when I just in a sense got tired of traveling, got tired of planning the trips. I had crashed the trailer on the highway. I blew a tire out on my Suburban which caused the Suburban and the trailer to jackknife and sent us flying through the air with the greatest of ease. Um I totally blocked the Ohio Turnpike for for a for a while with the trailer crossing both lanes and uh and uh totaled both vehicles.

**SHAWNTE JENKINS:** Oh, was anyone hurt?

**FATHER GARY MILLER:** No, [REDACTED] and I – the worst I had was a little bruise on my arm. We landed on that side.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And um, but that was the worst it was. So that ended my camping. I still continue to travel by car.

**SHAWNTE JENKINS:** What happened to your camper? You said it was totaled?

**FATHER GARY MILLER:** It was totaled.

**SHAWNTE JENKINS:** Did you ever get a new one?

**FATHER GARY MILLER:** No. What I did is I bought a um – I had had the camper, the trailer in a, in a campground down in um uh oh south on 55, I can't think of where right now. And so I found a uh permanent site there with a with a trailer on it. So that's why I – I um, so when I finished travelling I vacationed there for a few years.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** But uh I'd just go down to the trailer – what I still call it the trailer even though it was a permanent site – go down there for a for a couple of weeks in the summer and basically my days as I'm spending them now. Get up in the morning, say my prayers, have breakfast, um.

**SHAWNTE JENKINS:** Whatever happened to the camper?

**FATHER GARY MILLER:** I sold it. I sold it. I just got tired of the driving.

**SHAWNTE JENKINS:** So do you own any properties anywhere else – vacation homes, timeshares, anything?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** A house with your classmates, none of that?

**FATHER GARY MILLER:** Nothing like that, nothing like that. That's why when they say go someplace I said where do I go? Where do I go?

**SHAWNTE JENKINS:** Does anyone ever visit you here?

**FATHER GARY MILLER:** So far only my brother and sister have been out to see the place.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Nobody else has come. I've been very careful about even letting people know exactly where this place is.

**SHAWNTE JENKINS:** Just for safety?

**FATHER GARY MILLER:** For safety, security. I, I, I don't want to cause any disruption. I don't want to cause any disruption or upset in my life. I don't want anybody to find me necessarily.

**SHAWNTE JENKINS:** Have you had anyone contact you in a negative way or make any threats?

**FATHER GARY MILLER:** The only, the only person that's contacted me has been by letter.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And that was a person, a family that I was quite close to when I was at St. Leonard's and um [REDACTED] had a – the family had a son who was born with um water on the brain.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And it impacted him throughout his youth. He had a pump inserted at some particular point. And I forget just when [REDACTED] died from it and I, I'd been close with the family. His dad, [REDACTED]'s husband had coached with me in the, in the basketball, um we spent time in their backyard with the kids around and um and [REDACTED] just wrote me a note but it went through St. Bernadette's, which is the only address she had, it went through St. Bernadette's that said um was my [REDACTED] one of the children you abused? I talked to my lawyers about it and they said don't respond um.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And so I haven't. That was the only um sort of note, sort of thing I've received. As I say, it came through Bernadette's.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** But I did not want – I don't really want people to know...

**SHAWNTE JENKINS:** Where you are.

**FATHER GARY MILLER:** ...where I'm at or be able to find me, especially things that might be problematic for me or for my neighbors. This is not a close community.

**SHAWNTE JENKINS:** Now does the leasing office know why you're here or they don't know?

**FATHER GARY MILLER:** No, they don't. They know I'm just semi-retired.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Is what I've told them.

**SHAWNTE JENKINS:** [REDACTED]  
[REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** .. [REDACTED]

**SHAWNTE JENKINS:** And why do you think they're more anxiety provoking?

**FATHER GARY MILLER:** I'm not really quite sure but I just found them very anxiety producing and still do.

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Do you smoke cigarettes?

**FATHER GARY MILLER:** I used to smoke. I smoked for 40 years. When I developed my heart problem I quit smoking with the help of the doctor. I – I did not do it. They gave me the patch.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And uh...

**SHAWNTE JENKINS:** And that was back on '04?

**FATHER GARY MILLER:** That was '04, yes. [REDACTED]

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And then after a couple of weeks on the patch I did not need it any longer and I've been smoke-free since that day and very –

– I find smoke, cigarette smoke to be repugnant to good life, to good breathing.

**SHAWNTE JENKINS:** Have you ever used any illegal drugs, marijuana, cocaine?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Never, not even in youth?

**FATHER GARY MILLER:** Never, never even attempted to and um, I say, even even the smoke I just find repugnant. I sorry if that – I'm sorry that I put other people through that for so many years. Transferring the DVDs, pictures from Christmas um 24 years ago, Christmas 24 years ago and there I am sitting in a chair and I'm about twice the size that I am now. I've lost over 100 pounds since since getting [INDISCERNIBLE].

**SHAWNTE JENKINS:** Oh wow.

**FATHER GARY MILLER:** Um and uh, yeah there I am, sitting there in my full glory and you can't see the cigarette but I can tell by the hand motion that I've got a cigarette lit up. You know, it's never where I'm putting it up to the lips and puffing but I can just see it there and what I put people through and that. Oh, I'm so sorry about that.

**SHAWNTE JENKINS:** Okay. You have internet access here, correct?

**FATHER GARY MILLER:** Yes, I do, yes.

**SHAWNTE JENKINS:** And who is your company?

**FATHER GARY MILLER:** It's AOL.

**SHAWNTE JENKINS:** Okay. And you have wireless or...

**FATHER GARY MILLER:** I have wireless, yeah. I also – this one is the, the, this is hardwired.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** The a, the a laptop that's over there is a part of it, is wireless.

**SHAWNTE JENKINS:** Um, have you ever used pornography?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** On the internet?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Adult or child?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Uh if we were to look at and search your history on your computer what do you think we'd find? What kind of stuff would we get?

**FATHER GARY MILLER:** Solitaire, a lot of Solitaire.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Um, smoking, my dad was a smoker and the nicotine I knew was addictive.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Um, I remember very clearly saying when I was a teenager and somebody was asking me if I wanted a cigarette I said no because I know if I get started I'll never stop. Well, that was true for 40 years until they scared me enough to stop and I guess I got tired of smoking anyway. And so probably Solitaire is my – work, to a great extent I was addicted to work. That's why this break has been – I keep myself busy because I don't like time sitting on my hands. You know, I don't want to sit around twirling my thumbs and – so I find that I can do other thinking while just clicking the button. But each Lent for the last three years, four years, whatever it's been, I don't play Solitaire, just to prove to myself that it's not...

**SHAWNTE JENKINS:** That you can stop.

**FATHER GARY MILLER:** ...a true addiction.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** That I can, unlike the other addictions, I can put a stop to it.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** So that that that'd be the only thing you would find. You could check it. If you find something, someplace that I should not have been at I was not aware that I went there.

**SHAWNTE JENKINS:** Okay. All right, can you tell me who else knows about your plan that you're under now?

**FATHER GARY MILLER:** Well um, knows about it, just on a superficial level, my my, you know, my – other than my brother and sister know about it on a superficial level. They don't know the depths of it because I haven't known the depths of it.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** When I've asked they said we'll let you know.

**SHAWNTE JENKINS:** So what is your understanding of what your boundaries are now or what your restrictions are?

**FATHER GARY MILLER:** My, my understanding is that um I'm not to be anywhere near, near children.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Um I'm not to be, to be engaged with them.

**SHAWNTE JENKINS:** Until, that's kind of vague right because you were with children on Thanksgiving but that didn't classify, right?

**FATHER GARY MILLER:** They didn't classify, that was family.

**SHAWNTE JENKINS:** So you weren't clear on...

**FATHER GARY MILLER:** To me that was family.

**SHAWNTE JENKINS:** No?

**FATHER GARY MILLER:** Except being alone with children. It's a – but I recognize – but I recognize...

**SHAWNTE JENKINS:** I'm sorry, I didn't hear what you said – the part about not being with children is fair?

**FATHER GARY MILLER:** That – yeah, that I don't have any problems with from the from the situation. The other part that I recognize – it's the other part but I have recognized that it's part of where we're at and then it's beyond me.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** So whether I think it's fair or not that's what the Dallas Charter is about, that's what the Church has said.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** So whether I think it's fair or not is not the important part.

**SHAWNTE JENKINS:** I heard you say you don't feel like you're a danger. Do you think that you are high risk to children, to abuse children?

**FATHER GARY MILLER:** Do I think that I am?

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** And why not?

**FATHER GARY MILLER:** Um just because I, I, I have a respect and a love – I have a respect and a love for children and I – just as I have a respect and a love for, for people and I wouldn't do anything to harm them.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** To hurt them in any way, shape or form. And I know that anyways in my life I've said things to people that have hurt them, offended them. I have not always acted in a kind way towards people.

**SHAWNTE JENKINS:** So now I'm going to ask you...

**FATHER GARY MILLER:** But I – but I’m aware of and I’m aware of those things and I – I’ve repented of them and some of them I’ve been able to undo by apologizing, others I have not been able to undo and I’m just talking in general here and uh – but I don’t – I never – that I just have not always reacted as well as I should have.

**SHAWNTE JENKINS:** Okay. So now I’m gonna, I’m gonna talk to you about that period of when the allegations were made um and that time in your life. So if you can think back to – do you remember what, what that time frame was? If not, I can kind of refresh your memory. Um, do you remember the time period that is alleged when um...?

**FATHER GARY MILLER:** It was about 38 years ago.

**SHAWNTE JENKINS:** Can you tell me what was going on in your life around that time?

**FATHER GARY MILLER:** Well I was...

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** During that period would you say that um now in hindsight you can look back at um how you may have crossed boundaries at that time?

**FATHER GARY MILLER:** It could have been possible. [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Can you tell me a little bit about the relationship that you did have with your accuser, how you know him, what your interaction was with him?

**FATHER GARY MILLER:** He was a – he was a kid in school. [REDACTED]  
[REDACTED] He was an athlete.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh, he engaged in – as many of the kids were – in the athletics.

**SHAWNTE JENKINS:** Uh-huh (affirmative). So around the time that you were drinking a lot is around the time that you were coaching some of these sports teams?

**FATHER GARY MILLER:** Yeah.

**SHAWNTE JENKINS:** Okay. And so how did you develop the relationship more one-on-one to have had this alone with um your accuser?

**FATHER GARY MILLER:** Not in any particular way.

**SHAWNTE JENKINS:** Was this a child that you felt like you were closer to than any other child?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** You had no specific relationship with him?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Do you remember him?

**FATHER GARY MILLER:** Yes. Yes.

**SHAWNTE JENKINS:** What kind of things stand out? I'm just curious in terms of you coached so many kids and teams, so many kids over the years, what about him do you remember specifically or makes him stand out for you?

**FATHER GARY MILLER:** He was one of the – seemed to be one of the more natural athletes. He just had a talent and skill that seemed to be above the normal seventh, eighth grader's ability. There was – he was just one of the better athletes. That's – that's what I...

**SHAWNTE JENKINS:** Were you surprised when he made this allegation?

**FATHER GARY MILLER:** Um, [pause] a little bit, a little bit.

**SHAWNTE JENKINS:** Why were you surprised?

**FATHER GARY MILLER:** Well, [pause] it just seemed to come surprisingly to me.

**SHAWNTE JENKINS:** Because it had been so long?

**FATHER GARY MILLER:** That I'm not really, I'm not really sure. Just...

**SHAWNTE JENKINS:** You're not sure why it was a surprise?

**FATHER GARY MILLER:** Uh-huh (affirmative).

**SHAWNTE JENKINS:** Okay. Would you be surprised if there was ever another allegation that another student made or another child that you had encountered along the way?

**FATHER GARY MILLER:** I would be. I would be.

**SHAWNTE JENKINS:** If you think back to this period, 30-31 years ago?

**FATHER GARY MILLER:** 38.

**SHAWNTE JENKINS:** 38 years ago. What was your life like socially? Were you involved in any sexual relationships with anyone? Had you ever had any sexual encounters at that point?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** So how would you say you were managing your sexual thoughts or feelings at that time? [REDACTED]

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** But – and I don't want to get into a confessional situation here. Um, um, it was not always easy but it wasn't easy for St. John Vianney either.

**SHAWNTE JENKINS:** Sure.

**FATHER GARY MILLER:** You succeed, you fail, you go to confession, you fight.

**SHAWNTE JENKINS:** What would you say is different now than it was then then in terms of your ability to um manage those feelings or are they, or are you the same?

**FATHER GARY MILLER:** No, I'm older. I'm older. [REDACTED] and my life is much more disciplined and ordered.

**SHAWNTE JENKINS:** Would you say it was not very disciplined back then?

**FATHER GARY MILLER:** Oh, no.

**SHAWNTE JENKINS:** Like in what way?

**FATHER GARY MILLER:** Well, I was all over the place. I was a young man. I was a a – I was full of vim and vigor, vitality. Um I had a certain amount of freedom that was sometimes used well and sometimes used poorly.

**SHAWNTE JENKINS:** Uh-huh (affirmative). Did you have a lot of accountability back then?

**FATHER GARY MILLER:** Uhhh – I'm not sure what you, what kind of accountability you might be asking about. That I had to report to say what I was doing? No. If I was doing my job, if I was not creating problems for the Pastor.

**SHAWNTE JENKINS:** Yeah, that's what I mean. Or did you have a lot of people to tell you no that's not a good idea or no you shouldn't be doing this or I don't think you should be [REDACTED] like this or I don't think you should you know take the kids here or have kids in your room? Did you have anybody to kind of be that that other voice of reason for you?

**FATHER GARY MILLER:** If there were I wasn't paying attention to them.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Or – at the point I was a rather self-willed individual.

**SHAWNTE JENKINS:** And how do you think that changed for you?

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** And yeah, it's...

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED] Um the Pastor, the Pastor of [IDISCERNIBLE] of the Parish I was in at the time had died. It was the week before Holy Week. If you are aware of what Holy Week is, big week of the year week and Lent is always – at a time when there's lots of stuff going on. And so I um – the Pastor of [INDISCERNIBLE] died. We had the funeral. I was very involved during the liturgy and making sure that, working in cooperation – a lot of cooperation with the Pastor who was not an easy guy to work for or with. Um and uh we had the Cardinal out for, for one of the Masses and then uh the funeral method at that time. And

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** I'm not really sure how much of that there was but I know where – where I remember myself is being at that particular point was I was – I knew I was [REDACTED]

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** [REDACTED]

[REDACTED]

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** No, no. But I knew where I was at and what was offered was in a sense a sign of hope.

**SHAWNTE JENKINS:** Do you feel like you have been falsely accused?

**FATHER GARY MILLER:** It is what it is. I – it is what it is. That's why we're not contesting the allegation.

**SHAWNTE JENKINS:** Uh-huh (affirmative). Are you satisfied with the process and how your case has been handled?

**FATHER GARY MILLER:** Yeah, I have a lot of confidence in my lawyers.

**SHAWNTE JENKINS:** Uh what, what I mean by that is um the process in which the Archdiocese has reviewed your case and made a determination.

**FATHER GARY MILLER:** It is what it is.

**SHAWNTE JENKINS:** Well I ask that because um in order for me to do my work with you and as we move forward, um, I'm sure you know canonically there's a couple of different options that you have and so we move forward in this program, um based off that finding. Um and so I will then refer to things as if that is the case and this is what happened and so um treatment will work from there. And so it's very important for me to understand um the nature of the sexual misconduct and how that happened because it's very different for different types, whether it's situational, whether it's relational. It helps me understand um where your head was and what you were going through at that time and where your risks lie. But also I think it's fair to say that since this is not the criminal justice system, the bar on um of this standard is a lot lower and so for some people they maintain that this is a false allegation and so it's very difficult for them to be able to um move forward and understand what we need to understand so that we can help them in that way if they're maintaining that this is not what happened and so I am at risk in no way. Um and for those people I can stop the process and ask for an investigation um that can go further into it because – I mean, in some cases we have to be clear.

There are people who were falsely accused uh but there were some people who are satisfied with the process, they have made peace with this is what happened and that was a long time ago and I want to move forward. Um and so then we can talk about the meat

of the work because remember when I said earlier to you this will be – the uncomfortable piece, it doesn't feel good but this is intentionally why we're here, um and so I have to certainly understand um how that happened, why it happened, um to help you move forward in the future. And that doesn't mean all the gory, gooey details but just an understanding um who you are because everyone's not the same, everyone is not – the situation's not the same. All the people who have sexual misconduct with minors it's not the same situation. And so I think it's important to understand from your perspective um, which may not be the same as the Archdiocese position, as anyone else's position, where you are with this. Is this something that you want to stop now because this is false and you'd like further investigation um or is this a – is this an allegation that you are accepting as this is the situation, it was happened and you'd like to not continue with a further investigation, you're going to accept the Prayer and Penance Program and move forward? That is a choice. I don't know if it has been presented to you but I want to make clear because we are the two [INDISCERNIBLE] if you continue in Prayer and Penance who have to work together from here on, for life.

**FATHER GARY MILLER:** And as, as we said in the – and I say we, I'm talking about my lawyers and myself – as we said in our response to the allegation is that we're not contesting the allegation and I'm willing to accept the life of Prayer and Penance.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And I'd rather just stay with um with what we say or what we said in our response to the allegation.

**SHAWNTE JENKINS:** Okay. So I get that piece but what I – okay, and so for that I take that is that we are gonna accept this as your removal for an incidence of sexual misconduct. Um for our work...

**FATHER GARY MILLER:** Um that's not what um – that's not what we're saying in our – that's not what was said in our response.

**SHAWNTE JENKINS:** Okay. But I just want to be clear that the Prayer and Penance Program, um the only people that I work with are uh men who are removed for issues of sexual misconduct with minors. I don't work with people for any other reason um so if that is not your understanding of why you're here then we should stop and clarify it. Is that your understanding of why you're here?

**FATHER GARY MILLER:** I understand – any – because I have said we are not contesting, through my lawyers, we are not contesting the allegation and I'm willing to accept the life of Prayer and Penance.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** And...

**SHAWNTE JENKINS:** So both – but before we move forward, because I, I mean this is, this is probably the biggest point and so we want to make sure that you understand what accepting a life of Prayer and Penance means. Um so if you, you know those, the guidelines I gave you? You have them right there.

**FATHER GARY MILLER:** Uh-huh (affirmative).

**SHAWNTE JENKINS:** Um if you – this is uh, this is something that we certainly don't want to take lightly or just you don't want to have any misunderstanding about in terms of what this program is. And if you pull to that first page, I'm just going to read this for you briefly. I know you have it but I just want to make sure that you really understand this because this is key as to why we're working together that...

*after even a single act of sexual abuse by a cleric is admitted or is established by process completed in accord with canon law every effort shall be made to encourage him to request laicization. Should he not do so, the Archdiocese shall pursue his involuntary laicization unless for reasons of advanced age or infirmity he shall lead the life of prayer and penance. If for someone, if for some reason dismissal from the clerical state has not been applied for, the cleric who has been found to have engaged in sexual abuse of a minor shall live a life of prayer and penance. He shall be subjected to supervision for the remainder of his life as a cleric of the Archdiocese and his file shall remain open. Realizing that this is a non-governmental institution, the Archdiocese lacks coercive power, police power. Clerics under supervision are canonically assigned full time to a residential program which requires a transparency of lifestyle and behavior as well as accountability to the program directors. If the cleric refuses to accept and fulfill this assignment, he shall be separated from the Archdiocese.*

Is that your understanding?

**FATHER GARY MILLER:** Yes.

**SHAWNTE JENKINS:** Okay. Do you see that part where it says that um this is for clerics who have been um, who have engaged in the sexual abuse of a minor? It's Line 2 under Policy 1105.3.1.

**FATHER GARY MILLER:** Well that's been – that's as I understand it the, the review board which the Cardinal signed off on, found that there there's reasonable cause.

**SHAWNTE JENKINS:** Uh-huh (affirmative). And that's here in the first line that says after even one act, if either you admit it or that you've been through the process and it's found you and so I mean, I say that because um that's what the – that's the foundation of this program and so all of your clinical work and all of your risk assessment will be based on um your sexual misconduct with a minor. And so um it's something that I'll, that we have to talk about because that's, um, that's the, that's the big elephant in the room, that's the risk that we have to manage.

**FATHER GARY MILLER:** I'm accepting the judgment of the Diocese.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** By not contesting the allegation.

**SHAWNTE JENKINS:** Okay. Um and so for that, for that said I have to understand from your perspective what you seen as your increased risk during the period of the sexual misconduct. What do you think contributed to that? What do you see as something that um you could have done differently? How did you get to that place?

**FATHER GARY MILLER:** I think I can say very clearly, [REDACTED]

**SHAWNTE JENKINS:** Okay. Okay, that's very fair, very fair. [REDACTED]  
[REDACTED]

**FATHER GARY MILLER:** That's – that's...

**SHAWNTE JENKINS:** [REDACTED]

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** It's summed up probably in the Serenity Prayer.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** God, grant me the serenity to accept the things I cannot change, the courage to change the things I can and the wisdom to know the difference. And the wisdom is to know that the only thing I can change is me. I can't change anything else. The second is [INDISCERNIBLE] living one day at a time, enjoying one moment at a time and suffering hardship is the pathway to peace. Taking as Jesus did the sinful rule as it is not as I would have it and that I may be reasonably happy in this life because my ultimate goal is to be supremely happy with Him. My ultimate goal is to get to Heaven. That's my ultimate goal and that's – those are probably the two key components besides [REDACTED].

**SHAWNTE JENKINS:** Uh-huh (affirmative). [REDACTED]  
[REDACTED]

**FATHER GARY MILLER:** [REDACTED]  
[REDACTED]

**SHAWNTE JENKINS:** Have you ever had any other addictions, sexual addictions, pornography?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Nothing back then, no?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Do you ever worry about being falsely accused?

**FATHER GARY MILLER:** Yes. Don't – I don't get involved with people on any sort of a level without having the possibilities of misunderstandings, a motive or uh whether it be with children or with adults.

**SHAWNTE JENKINS:** You mean from your current life or um from false allegations from back in that period [REDACTED]?

**FATHER GARY MILLER:** Or back when I was actively involved in ministry.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** You know, any time in the last 31 years um or in the last 40 years of ministry. The relationships that you develop with people can be misinterpreted, misunderstood um and people can begin to sense that you're doing something that either they did because of their need, wants or desires.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Take a chance, which is – yeah, I've become aware of that over the years and then – one of the reasons I didn't do a lot of socializing as a Pastor with the people in the Parish that I was assigned to at the time um was so that my uh my actions or my decisions would not be misinterpreted.

**SHAWNTE JENKINS:** Uh-huh (affirmative). Had they ever been misinterpreted before?

**FATHER GARY MILLER:** No, but – not that I'm – yeah, I mean some people thought I was giving favoritism to this one or that one because in a decision or whatever because of a falseness or whatever, duh-duh-duh-duh or...

**SHAWNTE JENKINS:** Would your accuser be one of those people if you were to ask other people who were around you at that period would they have thought that he was someone who you favored?

**FATHER GARY MILLER:** They might have. They might have because there's jealousies that begin to develop because if you choose – if you choose the same server over and over again to to uh serve this Mass, that Mass, the next Mass.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** The interpretation is you're showing favoritism. And maybe you are but maybe you just like or appreciate the way that the server does serve.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um that you think that that's fitting for this particular situation because you want to put your best foot forward. Let's say you're having the Archbishop out to celebrate a Mass. Who are you going to put on to be servers? Your best servers, right? You're not going choose some kid who's gonna you know, going to slop around on the altar top of thing. You're going to choose your best.

**SHAWNTE JENKINS:** So there were clearly some kids that were better than others or that you were more taken to?

**FATHER GARY MILLER:** Yeah, and at all things.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** At all things or there were some adults that do better and things or that you just like the way that they that they interact.

**SHAWNTE JENKINS:** Did you ever find that you related better to um young people than to adults?

**FATHER GARY MILLER:** No.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Um, I interacted adults as well as with – and as I've gotten older I can interact with adults a lot better. You know, again the obvious when you're 26 years old you're not going to be able to relate to a 70 year old as well as you can relate to a, to a, uh to a 30 year old.

**SHAWNTE JENKINS:** How about the difference between males and females? Did you connect to the female children as well as to the male children?

**FATHER GARY MILLER:** Uh-huh (affirmative). I was a proponent – at Leonard's I was – Title IX had just come into, come into existence shortly after I was ordained it became law. And so I was a proponent of girls' sports so I started a girls' basketball

team. Um it wasn't that formalized at that particular point but it was something for the um the girls to do and that hadn't been had before.

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh there was – because Leonard's didn't have its own gym, the Holy Name Society rented out one of the public school gyms two nights a week and one of the nights was for the girls, the other night was for the boys. I worked both nights. I'd call it work. I'd go over there, direct the activities and whether it be pick-up basketball games or whether it be punchball or whatever it was.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yeah. I can relate to men and women as adults equally.

**SHAWNTE JENKINS:** Okay. Is there anything else you want us to know about you or you think is important?

**FATHER GARY MILLER:** 

**SHAWNTE JENKINS:** Uh-huh (affirmative).

**FATHER GARY MILLER:** Uh, and probably the other major transition was when I crashed the trailer. I, I feel – and I've said this to a few people now – I feel like a cat with nine lives and I've used up about six of them.

**SHAWNTE JENKINS:** I think you care.

**FATHER GARY MILLER:** And um and so I have to be careful because I've only got three left.

**SHAWNTE JENKINS:** Okay.

**FATHER GARY MILLER:** Yes, so I'm not going to push the envelope on that.

**SHAWNTE JENKINS:** Okay. Well, I'm going to turn this off.

a) Considering that the Rev. Gary M. Miller was ordained a priest of this Archdiocese of Chicago on May 10, 1972, and that he remains incardinated into the same;

b) Considering that an allegation of sexual abuse of a minor against the Rev. Gary Miller was received by the Office for Child Abuse Investigations and Review on June 25, 2012, and was assessed by the Independent Review Board of the Archdiocese of Chicago;

c) Considering that on September 17, 2012 the Independent Review Board advised me that the allegation met the standard of a 'reasonable cause to suspect', and that on the same day the Preliminary Investigation (Canon 1717) of the alleged delict recommended to me that the allegation had the semblance of truth, which advise and recommendation I accepted;

d) Considering that, in accord with the provisions of *The Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons* (USCCB, promulgated as particular law for the United States of America, 2006), *Graviora Delicta* (2010) and *Sacramentorum Sanctitatis tutela* (2001), on November 19, 2012 the matter was then conveyed to the Congregation for the Doctrine of the Faith;

e) Considering that on February 13, 2013, the Congregation for the Doctrine of the Faith instructed me to issue a penal precept (Canon 1319) removing the Rev. Gary M. Miller from ecclesiastical ministry;

f) Having consulted the Rev. Gary M. Miller, having reviewed all of the files that pertain to him and having conferred with his Canonical Advocate, the Rev. Paul Golden CM, JCD;

g) Conscious that in accord with Canons 281 §2, 538 §3, and 1350, the Rev. Gary M. Miller is, and will be, provided canonical sustenance and maintenance;

I, Francis Cardinal George O.M.I.,  
Archbishop of Chicago,

do hereby invoke Canon 1319, §1 and enjoin the Rev. Gary M. Miller:

1. to live a life of prayer and penance (*Essential Norms*, norm 8b);
2. to never practice, or engage in, any form of ecclesiastical ministry;

AOC 018111

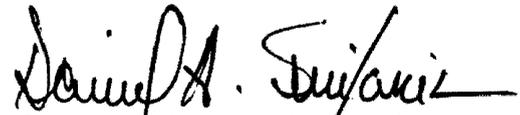

3. to never celebrate any Sacrament or Sacramental of the Catholic Church, other than to privately celebrate the Eucharist with absolutely no one else present (*sine populo*) and in a non-Ecclesiastical setting;
4. to never wear any garb associated with the Catholic priesthood or ecclesiastical ministry;
5. to never identify himself as a Catholic priest, nor to use the titles 'Father' or 'Reverend';
6. to never be alone with anyone under the age of 25, nor spend time in private homes with families who have minor children or vulnerable adults without the presence of a prudent companion;
7. to always keep the Vicar for Priests apprised of his whereabouts; and
8. to comply with the Specific Protocol designed for him by the Office for the Protection of Children and Youth of the Archdiocese of Chicago.

Should the Rev. Gary Miller violate the specifications of this penal sanction, he will incur immediately *latae sententiae* the canonical censure of Suspension (Canon 1333), and his sustenance and maintenance will be reduced straightaway by 10%. Other penalties will be added *ferendae sententiae*, not excluding dismissal from the clerical state. This decree is effective immediately and is to be reviewed three years from the date of my signature.

Francis Cardinal George, O.M.I.

### HISTORY OF ABUSE ALLEGATIONS: SUBSTANTIATED AND NON-SUBSTANTIATED.

#### ALLEGATION 1. TIMEFRAME: 1974

Male victim came forward to the Archdiocese of Chicago in July 2011 alleging that Gary Miller sexually abused him. He stated that he first met Gary Miller when he was in the fifth or sixth grade at St. Leonard. [REDACTED]

[REDACTED] Gary Miller then began to ask him questions about sexual intercourse [REDACTED]. Gary Miller then had the victim go into his bedroom and told him to take off his cloths. The victim states that he took his clothes off and when he turned around Gary Miller was naked with an erection. He then sat down next to the victim and rubbed him on is leg and stomach and toward his genitals. [REDACTED]

The review board determined that there is reasonable cause to suspect that Gary Miller has engaged in the sexual abuse of a minor. Cardinal George accepted the determination in September 2012.

### CURRENT CANONICAL STATUS.

On September 15, 2012 the Independent Review Board determined that there was reasonable cause to suspect that Gary Miller sexually abused a minor. Cardinal George accepted the determination. On September 18, 2012 Gary Miller submitted his letter of resignation as Pastor of St. Bernadette Parish in Evergreen Park in accord with canon. 538 §1.

### CURRENT LIVING ARRANGEMENT AND INVOLVEMENT WITH MINORS.

Gary Miller is currently living alone in an apartment at [REDACTED] The complex has multiple families with children. Gary Miller denies any contact with minors that reside in his complex. He reports his only contact with minors is with his sister's grandchildren: [REDACTED]

### RISK MANAGEMENT STRENGTHS.

Gary Miller has expressed his willingness to participate in a strengthened risk management protocol that includes verification of his whereabouts, the people he spends his time with, and his activities. Thus far he has been compliant with existing protocols. [REDACTED] If his expressed openness to accountability proves to be consistent with his actions, Gary Miller's lifestyle will not change dramatically and he may experience some improvements based on the additional attention given to his needs for support.

### RISK MANAGEMENT CHALLENGES.

Gary Miller has enjoyed a tremendous amount of freedom by living alone with a site monitor miles away. He has been able to leave the house daily, managing his own schedule with minimal accountability. A strengthened risk management protocol with more accountability to others may be a challenge for him, as it will mean giving up a significant level of privacy. Gary Miller is still very connected to members of his former parish. He has described a relationship with a couple that is dangerously close to counseling, which puts him in a position of trust. Gary Miller leads a very solitary life with minimal social contacts. Ongoing assessment of risk related to isolation will be necessary. [REDACTED]

### COMMITMENT TO PARTICIPATE IN COMMUNITY SUPPORT

The Roman Catholic Archdiocese of Chicago has initiated a program of support and accountability for the priests of the Archdiocese who have been removed from ministry due to their sexual misconduct with minors. The program is voluntary in that a priest may choose to participate or may choose to leave the priesthood. Gary Miller has expressed his desire to engage in this program, fully recognizing it will mean a significant increase in accountability and a decrease in his overall levels of privacy. This is seen as a positive sign, as openness to support and intervention by others is one of the essential components for long-term abstinence from sexual offending.

The Archdiocese has asked Gary Miller to identify the friends and family members who would be willing and able to offer support and accountability to him as he moves through his daily life. You were among those he identified.

If you are willing to accompany Gary Miller in this way, the following is asked of you:

1. That you review Gary Miller's history of allegations and substantiated offenses,
2. That you review his *Individual Specific Protocols*, which tell you what he is permitted to do and what he is not,
3. That you agree to support Gary Miller through interrupting high-risk behaviors (such as his attempting to be alone with a minor) if they occur and informing his Compliance Supervisor of any other concerns or violations of the protocols,
4. That you agree to on-going, open communication with Gary Miller's Compliance Supervisor so that any problems may be identified and addressed before they become serious.

I am personally grateful to you for considering what can only be considered a ministry to Gary Miller and for the support you have offered him thus far. If, for any reason, you do not wish to participate in this program, please do not feel an obligation and please do not turn to the pages that follow which contain confidential information. If you would like to move forward with the commitment to participate, please indicate with your signature below. Once you have reviewed all of the information, you will have another opportunity to indicate your willingness to move forward. Thank you once again for considering this important work.

I have a commitment to support Gary Miller in his personal program of wellness. I am willing and able to assist him in avoiding situations that could lead to further sexual misconduct and further harm to others, including misinterpretations of his behavior or false allegations of abuse.

Hi Shawnte,

Attached is a revised Community Support Network form (page 9 of the protocol packet). I met with my brother and sister today, and they agreed to be a part of this network.

I gave each of them a copy of the packet, excluding the signature sheet and page 9. They received all of the other pages, and read them in my presence. I am attaching to this email as well scanned copies of their signed and dated commitment agreement. I hope this suffices, but, if not, I have the original forms in my possession.

I have also given them your telephone numbers (cell and office) so that if you need to speak with them your call will be identified on their cell phones (they do not answer unknown numbers).

If there are any other forms that I need to file proper requests for family gatherings where children will be present, please send them to me via email.

Please let me know if there is anything further I need to do on this at the present moment.

**Subj:** Prayer and Penance Program

Gary,

As I informed you, your status in the Prayer and Penance Program and current situation has been staffed with both the Cardinal and the Vicar for Priests Office. Please be aware that OPCY works closely with the Vicars for Priests Office regarding men in the Prayer and Penance Program and will always be in communication to ensure accuracy and compliance with the Prayer and Penance Program. The Cardinal has made clear that if you wish to remain a priest in the Archdiocese of Chicago you will be a part of the Prayer and Penance Program. This program is under the Office of the Protection of Children and Youth (OPCY) where Jan Slattery is the Director and reports directly to the Cardinal. As it appears that you and [REDACTED] are confused about the role of the Vicar for Priests Office in relation to the Prayer and Penance Program, as well the communication between OPCY and the Vicars for Priests Office it will be necessary for you to come to our office to meet with myself and Jan Slattery to ensure that you are clear on the program and its expectations before we move forward. As any attempts of manipulation or deception of the system are considered noncompliance of the program it is imperative that we clarify any issues or confusion in an effort to move forward in a productive manner. Please review your Individual Specific Protocol and the Guidelines of the Prayer and Penance Program prior to our meeting so that we may answer any questions you may have at that time. Jan Slattery is out of town this week so please provide some dates and times that would be convenient for you to meet at our office downtown and we will try out best to accommodate.

Thank you.
