Church Under Construction—January, 1966

The building of the new church completes the construction of the plant on Mountain View Street. Its construction was necessary to fulfill the needs of a Catholic population that numbers between 3500 to 4000 people. An enthusiastic response to the recently-initiated tithing program has greatly aided in its financing. The church was built to seat one thousand persons and has been designed so that every person will be near the altar. The design has also incorporated features which were brought about by increased active lay participation in the mass.

The predominant feature of the church is the thirty-foot high window that occupies the center of the facade. The window of faceted glass set in heavy lead symbolically portrays Christian truths. At the same time the lead forms artistic patterns. This artistry is unique on the West Coast of the United States. Jerome G. Armstrong, San Bernardino was the Architect. Langel & Brandt, Fontana were the General Contractors.

Dear Father Young:

It gives me much pleasure to send you, your Assistants and Parishioners a message of felicitation on the happy occasion of the Dedication of your new church.

It must be a great satisfaction to see your dream come true.

While your new church is a source of gratification to all of you, I am sure you derive even greater consolation from the realization that you have provided a more elegant home for the Blessed Sacrament and a more fitting place for the Holy Sacrifice of the Mass.

I know Almighty God will reward all of you for the many sacrifices you have made for His Greater honor and Glory.

With prayerful good wishes, I remain, my dear Father Young,

Very sincerely in Christ,

History of St. Joseph's Parish

Saint Joseph's Parish was founded in 1921. It was originally a part of the Diocese of Los Angeles, but became a part of the San Diego Diocese upon the latter's creation in 1935. Father C. T. Kerfs was appointed the first pastor of the new parish. Baptismal records kept in the local parish indicates that Soleado Salazar of Hinkley was the first local person baptized by Father Kerfs.

Prior to the arrival of Father Kerfs mass was said by visiting priests, and according to Chancery records the priests came from Saint Ann's Church in Needles. Baptismal records of Saint Ann's indicate that persons were baptized who were born or lived in Barstow by the following priests: Fr. J. B. Kore, Fr. J. F. Mitchell, Fr. Francis W. Walsh and Fr. George D. Doyle. The priests normally visited Barstow a month. Their duties often took them to such widely separated desert communities as Death Valley, Randsburg, and Blythe.

Before 1914 mass was said in Barstow's grammar school. However, in March, 1914, the first Catholic Church in Barstow was completed. The church was built on Second Street on land donated by the Santa Fe Railway. Mass was said by visiting priests who were baptized and confirmed in this church. Originally the church had at its rear the living quarters for the priest. (These quarters have been described as cold in winter and not too comfortable at any time of year.) Later a private home immediately to the north of the church was purchased as a rectory. In 1925 an able gardener landscaped the grounds.

Serving the needs of Catholics in the vast expanse of the Mojave Desert has always provided a challenge

for the priests who have served Saint Joseph's Parish. Father Kerfs' records indicate he baptized many persons who lived in Blythe. At one time Saint Joseph's had a chapel in Ludlow. Today Barstow priests minister to the needs of parishioners in Baker and Newberry.

After serving Barstow's parishioners for a quarter of a century the first church was condemned. A new church was built on the same spot and the Most Reverend Charles F. Buddy, Bishop of San Diego, dedicated the new church on November 23, 1941. The late Albert Bourget was contractor for the new church. This church was moved to its present location to the rear of Mount Saint Joseph's School in 1964. Mass was last said in the church during the Easter season, 1963; this date coincided with the completion of the present rectory.

Father Michael Noonan, pastor of Saint Joseph's from March, 1948, to January, 1959, foresaw the need of expanded facilities for an ever-growing Catholic population and purchased property necessary for such development. Thus far the development has encompassed a span of sixteen years: convent completed in 1952; first section of the school, 1954; Mount Saint Joseph's Hall, 1957; second section of the school, 1961; rectory, 1963; moving of the old church, 1964; new Saint Joseph's Church, 1966. Although the building called Mount Saint Joseph's was constructed to serve as a school auditorium and church hall, it was soon used every Sunday for several of the masses. For the past three years all masses have been said at Mount Saint Joseph's.

Dear Brothers and Sisters
 of our St. Joseph Parish,
 As we gaze through this beautiful
 photo album, we can appreciate
 every person that we behold. Let us
 look upon them with eyes of
 gratefulness, respect and love. Their
 smiles, their bright eyes and open
 faces call us to heart-felt prayer:
 Thank you Jesus, for gifting us with
 each precious one, here before my
 eyes. May their names be written in
 gratefulness upon the heart of
 Christ in His Body: the Church.
 Give them fullness of joy, abundant
 of life in your spirit. Renew them
 always in the hope of Resurrection.
 Thank you very much.

Amen

As we pray for each other, we
 travel deeper into the mystery of
 Christ and the kingdom of heaven
 which embraces us.

Our Parish Family

We the people of St. Joseph are the church, and we have been given all the gifts we need to be faithful, to be light and leaven for each other. We are called to discover and give the gifts we have and are.

The gospel calls us to change and grow. Change calls us to search and discover what needs to be different, so that we can continue to be faithful to the mission of Jesus. God has a plan for us, and we must seek to know God's desire and hope for us, and we discover God's desire for us in our working together.

Diocese of San Bernardino

Dear Father Behan:

As Administrators for the Dioceses of San Diego and San Bernardino Pension Plan for Priests, we have received all the necessary forms to process the retirement benefits for Reverends John F. Pomis and Anthony Rodrigue effective December 1, 1982.

As this is Fathers Pomis' and Rodrigue's first retirement check there has been a slight delay in the issuance of the checks; in the future you should receive their monthly retirement checks by the first of each month.

As soon as you are informed of Fathers Pomis' and Rodrigue's bank account number, please notify us.

Thank you very much and if you have any questions, please do not hesitate to contact us.

Sincerely,

ROBERT M. EPLER COMPANY, INC.

Dear Bishop Straling:

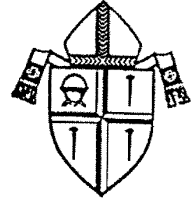

I have been working with the young man who is the author of the letter to Bishop Brom. In reading his account I noticed that the priest in question was last known to be in the San Bernardino Diocese. As a result, I asked REDACTE for permission to send a copy of his letter to you. I would suspect that Bishop Brom will probably be contacting you about this as well.

If there is any further information I can give, please feel free to let me know.

Sincerely yours,

Rev. George E. Crespin

Thank you for your letter of June 2, 1992, and taking the time to gather the testimony of Mr. REDACTE. I am passing the information on to our legal department and insurance to see what can be done for REDACTE. Again, thanks for your help.
