September 5, 1974

My dear Msgr. I Brent Eagen:

I do hope that you have had a vacation, in your case a vacation should be compulsory!

In the first place, I would like to inform your office, that about two weeks ago on Sunday, two Carmelite Sisters showed up at the Rectory after Mass. They informed me that had purchased a Home for the Aged in Fallbrook.

I later found out that, these two nuns came from a splinter group of Carmelite Nuns in Oklahoma City, the number of Nuns that split from the main group form a total of 9, however, in Fallbrook there are only two of them. The thought occurred to me that it may very possible that your office does not even know about it.

As for the Case of Father James Fallon from the Diocese of Hong Kong China, he underwent eye-surgery sometime ago, he was staying with his Brother and Sister-in law, he seemed to be unhappy with them, so I asked him to be my guest, in the meantime he has been admitted to a Hospital in North Carolina for further eye surgery trying to save the only one eye that he has with some vision at all.

The last document I know of, would seem to indicate that his leave of absence from the Diocese where he is Incardinated would run in the month of Nov. 1974 unless he has gotten an extension to sick-leave. I instructed him to get everything squared away with our Chancery office and his own Bishop. In as much as he is financially able to take care of himself, I will have to ask him to get himself an apartment and not live in the Rectory where I do not have suitable facilities in reality.

Wishing God's choicest blessings, I am

Fraternally Yours in our Lord,

Rev. Gregory Sheridan

We are members of St. Peters church and parish

here in Fallbrook, and do not like the changes that Fr. Frank

Helmlinger is making during the absence of the Pastor .Fr.

Gregory Sheridan.

He has moved the piano from the hall into the church and said he didn't care how much it costs. He also wants to move the organ from the loft to the sanctuary. We do not like seeing our money we contribute being used to move pianos and organs to suit his way out whims. He has said, he was going to take over this parish. There are too many other churches that could use this money instead of for these unnecessary expenditures. He must be partly Protestant all he wants to is sing, he must be a frustrated vocalist.

He cancelled out the Mother Of Perpetual Help

Novena on Tuesdays, his excuse was there was not enough people attending it. I am sure that our Lady was pleased with those of us who made the sacrifice to attend. This may sound like a crank letter, but there are many more in the parish that feel the same way.

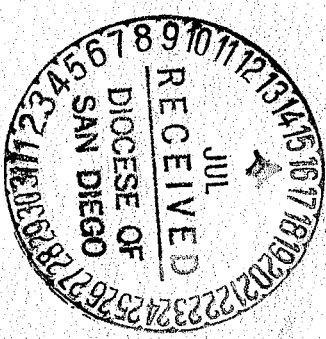

Respectfully,

Dear Bishop Maher,

I am sending this letter on behalf of Mrs. Grace Bowman who would like to request an appointment with you. She has been our CCD principal here for the past four years. She has also been very instrumental in parish social functions and Fr. Sheridan thinks very highly of her. In fact, were Father here, he would most certainly make this request himself.

I hope that you will be able to meet her at your earliest convenience. Thank you!

Sincerely yours,

My dear Bishop Maher:

I thought I would start the month of June right by writing you a few lines and making your apostolic labors more soothing and pleasing.

In as much as this month is going to make great demands on your time, and you certainly will need a vacation, I am sending you a check to help you have a most enjoyable vacation indeed.

I feel happy for you, for yours has been a most busy schedule doing all the work of the Diocese by yourself, now you have an Auxilliary that can do some of the field work for you.

I regret to say that due/^{to}my previous plans and trip reservations, I will not be able to be present at the Ordination of Bishop Gilbert Chavez on June 21st, I will be on vacation.

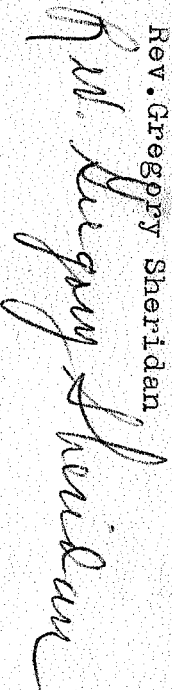

When I get back, I will set up a Gulf game for you and your clergy friends.

Assuring you of my continued prayers and best wishes for your happiness and success in the vineyard of the Lord,

It was nice to see you at the Vista Church confirmation ceremony.

I got the latest arrangement and timing for the golf game for the Bishop and Chancery officials. Mr. Peterson would want us to tee-off at ~~XXXXXX~~ 10:04 A.M. because of the lunch reservation. If you and the party would arrive at the Rectory at about 9:30 A.M., it would give us enough time to drive to the downs. Thanks.

Just put this time and final arrangement in your appointment book. Then, you decide whether to drive up State # 5 or 395 Highway. If you come up 395 Highway--then turn left to Camino Real, that is where the Allesio's Stables are, then I should meet you at the downs. When I am in San Diego, next Tuesday, I will try to get in touch with you, if I can. You did say that you drive by the Rectory, though. Anyway, you want to, will be all right with me.

Most Reverend John R. Quinn, D.D.
Chairman, Boundary Commission
The Chancery Office
Alcala Park
San Diego, California

Your Excellency,

The enclosed description and map define the area which historically and traditionally has been considered to be a part of the Fallbrook community. With the exception of one small area located in Riverside County (largely uninhabited) it is also a part of the Fallbrook Union High School District. Over the years, the physical influence of the old Spanish land grant ranchos and the San Luis Rey River effectively controlled the manner in which the community grew and the roads and services to this area were developed. The defined area, for the most part, includes the boundaries of the Fallbrook Hospital District.

For these reasons, we suggest that this should also be considered the boundaries of St. Peter's Parish. Comparing the original description of the boundaries of the parish which was created in 1947, during Father Cooney's pastorate, we are now including one small area in the southwest section of the community which may originally have been a part of the San Luis Rey Mission parish. This area in 1947 was open dry farming land with very few families living on their property. Since that time water has been brought to the area, and groves and residences have been developed.

These people depend upon Fallbrook for its major shopping, community services and schools. Many of the Catholic families in this area are members of St. Peter's Parish, and are so because of a natural assumption that they are part of the Fallbrook Community.

Trusting that you will give this matter your utmost attention and consideration, I wish to remain

Dear Bishop Quinn:

I have not been allowed enough time to investigate this whole matter, he came to Mass on New Year's day in the evening, he asked me the question and we did not elaborate very much. He is a married man with three children and a wife. Early in the week, he was driving by the church, and he inquired of me if I had talked to you about it, this was the day after I had called you on the phone. As I assume from Mr. he intends to convert and bring the 3 children into the catholic church with him, he did say that much, he did not explicitly mention his wife, but the underlying thought seems just that. He wants to make a religious decision for the entire Family.

He is only a mason, he does not conduct any rites or holds any office he calls himself "a mason's mason, he means he just holds a membership because some of his friends belong to it, he seems to rest the conversion of himself and his children possibly his wife on this solution. I do not believe that he intends to take part in any so called "ritualistic activities" he clarified that much for me, but he does want to have social contacts by attending these socials and I presume charitable "activities," or so he implied.

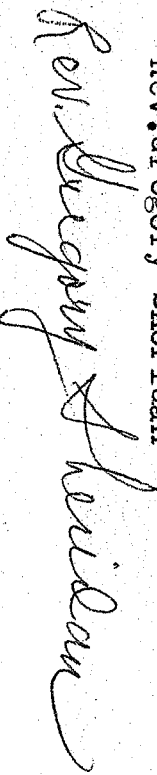

This man must be in the low thirties (children have to be small); I do not know this fact, but he could be in the military, he has friends who are catholics and seem to be liberal enough to tell him that he can retain membership in the Masons and yet become a convert to the Catholic Church, his catholic friends have told him, that it is possible to be a catholic and have membership in the masons at the same time.

The above information is all that I have as of now, while the facts are not all reported, there is enough of them to pass judgement on the matter under consideration.

With every best wish for you good self, I wish to remain

Respectfully yours in our Lord.

Dear Father Sheridan:

I have received your reply to my letter requesting more detailed information relative to the petition of the man who desires to become a Catholic while retaining some form of social activity in the Masonic Lodge.

I will be leaving for several days to do some work in connection with the Bishops' Committee on Seminaries and am therefore passing your letter on to Monsignor Eagen who will be able to discuss the matter with Bishop Maher to determine his mind on the subject since it deals not only with a dispensation from existing Church law but also touches on a matter of policy as well.

There would be no objection to his continuing as a Mason on an inactive basis provided all scandal is avoided and he does not display any of the insignia. In other words, he could attend casual meetings and participate in their insurance benefits and programs.

Dear Father Lechner:

According to the letter of May 25, 1970, sent out by Father Dennis Ryan, C.G.D. Director, to pastors regarding sister coordinators of parish religious education, "The Bishop has mentioned that funds will be available to parishes which might otherwise not be able to afford sisters!"

We have a parish sister coordinator at St. Jude's and we wish to retain her on a full-time basis (Sister Shaun Marie, S.B.L.) However, we are only able to pay her \$100.00 a month and for that reason she has found it necessary in the past to work part-time elsewhere. It will be especially necessary that she work full-time in the fall in our inner-city parish since our associate pastor, Father Brockhaus, will be attending State College five days a week. For that reason I am requesting that our \$100.00 monthly salary to her be supplemented by \$275.00 monthly from the diocese in order to reach the full time pay scale mentioned by Father Ryan in his letter concerning sister coordinators.

Your Excellency:

In the first place, allow me to voice my heartfelt sentiments of appreciation and gratitude to you for your fatherly interest in the social, educational and spiritual needs of St. Jude's Parish and School.

It is most gratifying to know that the Bishop is highly interested in God's poor people just like Christ was, and must believe that He is.

In projecting the estimate of my financial needs for St. Jude's Parish, I must be fully aware that we are in the midst of a recession, that when a person is laid off, for him it is a depression, that at least 1,250.00 people will be laid off this year, that my people are going to get hit first, because they are at the bottom of the labor market, the unskilled for the most part.

I should be farsighted enough to realize that the number of Catholics within the boundaries of St. Jude's Parish will be reduced, and therefore the ability to support itself will be lessened as time goes on.

I would be less than frank, if I were to ask for less than \$12,000.00 to operate the entire plant of St. Jude's Parish. That is my projected need for a full year. With that financial aid, I can meet the financial obligations of church or Parish indebtedness, cancel obligations, and educate 500 children of the ghetto. Should our Benefactor wish to have his people be involved further, I could get personnel to train and direct my C.G.D. programs, for the most part I am depending on some high school girls that once they get married will move out of our Parish and fade away completely from the program in our Parish.

Assuring you of our everlasting gratitude for your Christ-like interest in our Parish and with God's choicest blessings, I wish to remain

Your Excellency:

It was certainly a pleasure and a joy to see you in such fine spirits at the Confirmation gathering held at St. Columba's last Monday evening. You were most inspiring to the children, the people and to us Priests.

St. Jude's has been called the miracle parish, the providential parish, etc., etc., the Priests of our Diocese could not understand and even now they cannot understand how I can exist, let alone operate this big plant, at all. But now the hard facts of economics are beginning to hit me hard; my school is in financial trouble. I have been subsidizing my school to the tune of \$6,000, and we are barely closing the first semester!

I shall lay off the two lay teachers at the end of the school year and see what happens. In any event, I will be eligible for "adoption" pretty soon.

The better parishioners are moving out at an alarming rate, seeking better homes and better neighborhoods in which to raise their children, simply a mass exodus!

Hoping this plea of mine will find a favorable reception in your Excellency's heart, and with God's choicest blessings, I wish to remain

We have just completed the erection of a New Chapel to St. Jude's Shrine. Because of the effort and love that went into it, and because this final building does complete the Shrine complex in this Parish, I thought of extending an invitation, in the name of my parishioners and devotees of St. Jude, to come and dedicate this new Chapel either on Sunday Nov. 3rd or Sunday Nov. 24th. It could be done after your Excellency celebrates Mass, or it could be done in the evening on one of those same days. The hour, I will leave it to your Excellency to work out.

The most remarkable feature of this building is: that the entire operation of building material and all cost of equipment has been all paid up. So your blessing and dedication should be a most pleasing event to you.

In reference to the phone call that I put in for you, let me say that if Andy Hanley leaves St. Agnes for Lemon Grove, I would very much desire to get St. Agnes, if it was offered to me. You will be highly pleased to hear that St. Jude's Rectory is one of the finest and most peaceful Rectories in your Diocese, and that next to God I have you to thank for because I have ~~had~~ two of the loveliest and most thoughtful Priests in your Diocese. They are a real dream!

I took my Assistants into my confidence the other day and told them about my health condition they assured me that they will be more than glad to cooperate with me and help me in every way possible to lessen the responsibilities of my Parish. While I treat my Assistants like kings, their spontaneous response to help me was overwhelming. Such a magnificent gesture on the part of my Assistants has changed my plans for my vacation to a degree.

Since the ghettos of our Cities may well experience a "hot summer" this coming summer and the official Washington frowns upon foreign travel outside the Western Hemisphere I have decided to revise my vacation plans downwards however I must have a vacation and my two Assistants insist on having theirs to which they are entitled as well.

I have resolved to inform you that my vacation will not exceed the six weeks period permitted by our Diocese, secondly that my Assistants themselves can take care of my Parish in my absence however, I will be responsible for the supply that I will need during the summer.

Dear Father Sheridan:

Thank you for your kind letter of January 18.

Since your request for a long leave of absence is based on medical advice, I would appreciate a letter from your doctor stating specifically what he recommends. I will be happy, of course, to abide by his decision in your regard, especially if he feels that you are in extremely poor health. Evidently this is the case since you are requesting an absence of almost three months.

For the time being, I withhold faculties from the priests mentioned by you from the Burgos Foreign Mission Society of Santa Paula, California, since you do not say that they would supply for your during your absence but that they would be in charge. When a priest of the Diocese is forced to take a long absence for medical reasons, it is customary to place a diocesan priest in charge of the parish. Other priests can be brought in to supply but they would not, for instance, have the power of attorney over parish funds nor would they be in charge of the parish in the sense of making decisions which are in the province of the pastor. I will communicate with you again when I have a reply to this letter.

Permit me to avail myself of this opportunity to voice my very sincere feelings of appreciation and heart-felt gratitude to your Excellency for your fatherly kindness and loving generosity as shown to all of us last Sunday April 30 in your Canonical Visitation and in the Administration of the Sacrament of Confirmation.

Your selection of a Sunday and in the middle of the afternoon so convenient for all of my people deserves a special note of thanks to you on my part. I am particularly grateful to you for your sense of interest and appreciation in the little nice things that we did to make your visit to us pleasant and agreeable.

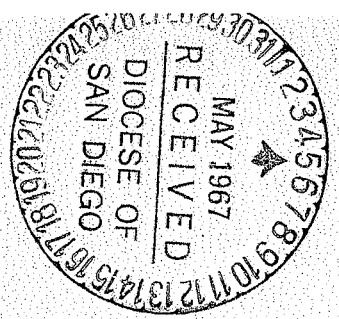

I would like to bring to your attention the fact that I plan to have a vacation this coming summer, however, my plans are so vague and indefinite, that I cannot give time or length of the same now. Reasons: possible racial disturbances, while none cited by the A.P., these emotional outbursts need but little fire to explode. Perhaps a change in my Clerical staff and lack of a substitute. I will report my plans to your office later on as I see things clearer.

Let me assure you that your first official visit to us not only was a memorable one, but that you inflamed our faith beyond words.

Most Reverend and dear Bishop Furey:

In the first place, allow me to voice my very sincere feelings of gratitude and appreciation to you for your Excellency for your fatherly kindness and gracious consent to come to our Parish to hold Confirmations April 30th, the fact that you designated to have it on a Sunday and at such a time as 4:30 in the afternoon is greatly appreciated.

Since I have invited a number of the Clergy to our Confirmation Ceremony and our dinner, May I extend to your Excellency my invitation to have dinner with us? I would appreciate it very much if you would accept my cordial invitation to your Excellency.

With every best wish and God's choicest blessings, I wish to remain

Respectfully and gratefully yours in Christ.

My most Reverend and dear Bishop:

Allow me to express to your Excellency my very cordial thanks for the assignment given to me here in St. Jude. It is a parish of great responsibilities and complicated problems, I believe with the grace of God and your fatherly guidance and understanding I will be able to succeed.

Since I will see your Excellency next Monday, there is not need for me to go into details here, but there seems to be a number of things that have to be done here before they will accept me or any priest, they refer to certain promises that have been made to the people and not kept, the most important of them all is the fixing of the playgrounds, that is a very dear project to the people, because it concerns the dearest things the parents have their children.

Enclosed your Excellency will find a check for \$ 850.00 for Bishops' War Relief and diocesan charities.
With best wishes for your Excellency and God's richest blessings, I wish to remain,

Respectfully yours in our Lord.

Dear Father Sheridan:

First let me renew sincere congratulations on the splendid achievement of St. Jude's Recreational Center. A very difficult problem confronted you, but you solved it with architectural beauty that does credit to the Church.

My deepfelt gratitude for your princely gift of \$100.00, besides the very generous donation of \$25.00 to cover the relative overhead for the Apostolic blessing. These \$125.00 have already been allocated to the Immaculate Heart Seminary Building Fund in your name. ~~May~~ the Divine Benefactor reward your charity in action.

As indicated to the people yesterday, one could not help but be impressed with the announcements which reflected dynamic and far-reaching organization in St. Jude's.

Permit me to submit this suggestion which you doubtless already have in mind. Why not print your announcements in a neat, attractive format. Besides carrying the message more effectively to your people, it will save ten precious minutes.

With renewed esteem and kindest regards,

Devotedly your servant in Christ,

The Most Reverend Charles F. Buddy,
Bishop of San Diego.

Your Excellency:

It was very kind and thoughtful of you to send us such a generous donation towards our Turkey Dinner on last Sunday. Your Excellency, I want you to know that I deeply appreciate your contribution to my Parish.

Our Dinner was a huge success, and along with the dinner we had a very impressive outdoor ceremony to pay tribute to our Blessed Mother. The students of the Academy formed a "Living Rosary" which was indeed very beautiful. We had many many comments on the ceremony which was concluded with crowning the Blessed Virgin.

Most Reverend and dear Bishop Buddy:

Sept., 27, 1955.

In the first place, allow me, dear Bishop, to express to your Excellency my heartfelt sentiments of devotion, loyalty and appreciation for your fatherly kindness and princely understanding in my behalf.

As I sit down to write these few lines I cannot help but voicing a fervent prayer to Almighty God for having honored this Diocese in such stupendous manner, for having given us the most wonderful and precious gift, Bishop Buddy! Ad multos annos and ad magnas Coronas!

Dear Bishop, St. Jude's Shrine is having its annual Solemn Novena to her Patron Saint October 20-28. We, of St. Jude's Parish, would love to have your Excellency and grace our church with your princely presence for the closing of St. Jude's Novena October 28th at 7:30 P.M.

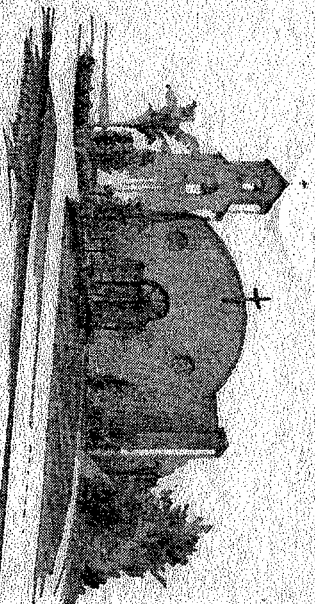

Enclosed, please, find a little check which represents our Fourth Sunday Collection for this church. The erection of this new Seminary, which is so dear to your Excellency's heart, when completed will stand out as a monumental proof of your Excellency's faith and undying love for our Diocese, for the Holy Priesthood and to the eternal Memory of our Mother Church. May God bless your colossal undertaking!

Most Reverend and dear Bishop:

In the first place, allow/^{me}to voice my sentiments of appreciation and gratitude for your kind and fatherly visit to our Parish on St.

Jude's Day. Our People were extremely well pleased with your Excellency's visit.

Now, I would like to explain the matter of/^aFederal Credit Union in our Parish, when I brought this matter to your Excellency's attention I did so under pressure and duress. I have been told that the church would not be under any obligation and that it might help to bring closer cooperation and unity in the Parish, of course that might be true, but I could not guarantee it, either. So, whatever your Excellency decides will be all right with me.

Thanking your Excellency for your many acts of kindness in behalf of our Parish of St. Jude's, I wish to remain,

Reverend and dear Father Sheridan:

Your cordial Christmas greeting was subsidized by three substantial checks; including one for the unworthy Bishop. You will be comforted to know that this Generous Christmas Gift has been allocated to the Immaculate Heart Seminary Building Fund, which, as you know, is my favorite and principle ambition.

Responding to your third paragraph under date of December 19, 1955, you have my cordial permission to complete plans for your trip to Europe during the months of June and July, to which you may add the month of August if you so desire. The plans you have made for supply are quite satisfactory.

The fourth paragraph will also have my undivided attention. It is further appreciated that you do not ask for a change at the present time, because that would be difficult.

Thanking the Holy Spirit for you and for the graces that have adorned your life and administration, it is my pleasure to be,

Your devoted servant in Corde Regis Regum,

Reverend and dear Father Sheridan:

First of all, let me cordially renew every best wish for a blessed new year, both in your own personal health and peace of mind, and also in the fruits of your zealous labors.

It is only fair for me to confide in you that a number of complaints have reached this office regarding the execution of the Will of

It was alleged that

directed in her will that the rest and residue of her estate, wherever situated, be given to you in trust and so forth. It will serve the purpose of clarity to quote the Fourth Paragraph in the related will:

"I give, devise, and bequeath all the rest, residue, and remainder of my estate both real, personal, or mixed, whatsoever situated and howsoever held of which I may die possessed unto Father Gregory Sheridan of Upland, California, in trust, for the purpose of giving to such charitable Catholic institutions such portion of said rest, residue, and remainder of my estate as he shall in his sole discretion deem fit and worthy, and direct that he serve without bond."

People have inquired among themselves and have also made certain that word got to this Chancery to the effect that the rest and residue of estate consists principally of four residences in Fontana, California.

While the paragraph is not too clear, it would seem to indicate that the parcels of property in question be allocated to charitable institutions. She does, however, leave the matter to your sole discretion. It would also seem clear that the testator did not intend for St. Joseph's Church in Upland to receive the benefits from the sale of these four houses, although many people

are under the impression that St. Joseph's Church in Upland should at least share in this charity.

At any rate, you are the one person who can clarify the situation and, at the same time, clear the good name of Mother Church and her priesthood.

There is also the very important matter of precluding scandal that would discourage people from making the Church a beneficiary.

But you know the whole story concerning which you may write or call at this Chancery.

With kindest regards, it is my privilege to be,

Your devoted servant in Christ,

The Most Reverend Charles F. Buddy,
Bishop of San Diego.
